But all she could see was regret. The people in Frankie Morgan's life say she's angry. Emotionally stunted. Combative. But really, who can blame her? It's hard being nice when your clients are insufferable, your next-door neighbor is a miserable woman and the cowardly driver who killed your mother is still out living it up somewhere. Somehow, though, she finds herself at her very first anger-management group session—drinking terrible coffee and learning all about how "forgiveness is a process." One that starts with a list. Frankie is skeptical. A list of everyone who's wronged her in some way over the years? More paper, please. Still, she makes the pointless list—with her own name in a prominent spot—and promptly forgets about it...until it goes missing. And one by one, the people she's named start getting hurt in freak accidents, each deadlier than the last. Could it be coincidence giving her the revenge she never dared to seek...or something more sinister? If Frankie doesn't find out who's behind it all, she might be next.

In Her Bones Kate Moretti, 2018-09-04 “A higher level than the standard thriller. Readers will enjoy this book for the suspense...[and] love it for the skill and mastery Moretti has for her craft.” —New York Journal of Books “Morbid...Moretti pulls some tricky tricks.” —The New York Times New York Times bestselling author Kate Moretti’s next “exceptional...emotionally astute, [and] deliciously sinister” (Kirkus Reviews, starred review) thriller follows the daughter of a convicted serial killer who finds herself at the center of a murder investigation. Fifteen years ago, Lilith Wade was arrested for the brutal murder of six women. After a death row conviction, media frenzy, and the release of an unauthorized biography, her thirty-year-old daughter Edie Beckett is just trying to survive out of the spotlight. She’s a recovering alcoholic with a dead-end city job and an unhealthy codependent relationship with her brother. Edie also has a disturbing secret: a growing obsession with the families of Lilith’s victims. She’s desperate to see how they’ve managed—or failed—to move on. While her escalating fixation is a problem, she’s careful to keep her distance. That is, until she crosses a line and a man is found murdered. Edie quickly becomes the prime suspect—and while she can’t remember everything that happened the night of the murder, she’d surely remember killing someone. With the detective who arrested her mother hot on her trail, Edie goes into hiding. She’s must get to the truth of what happened that night before the police—or the real killer—find her. Unless, of course, she has more in common with her mother than she’s willing to admit... Perfect for fans of Ruth Ware, *In Her Bones* features Moretti’s “riveting and insightful” (Megan Miranda, New York Times bestselling author) prose and “chillingly satisfying” (Publishers Weekly) twists, and will leave you questioning the nature of guilt, obsession, and the toxicity of familial ties.

Everything We Didn't Say Nicole Baart, 2021-11-02 From the author of *Little Broken Things*, a “race-to-the-finish family drama” (People) following a mother who must confront the dark summer that changed her life forever in order to reclaim the daughter she left behind. Juniper Baker had just graduated from high school and was deep in the throes of a summer romance when Cal and Beth Murphy, a childless couple who lived on a neighboring farm, were brutally murdered. When her younger brother became the prime suspect, June's world collapsed and everything she loved that summer fell away. She left, promising never to return to tiny Jericho, Iowa. Until now. Officially, she's back in town to help an ill friend manage the local library. But really, she's returned to repair her relationship with her teenage daughter, who's been raised by Juniper's mother and stepfather since birth—and to solve the infamous Murphy murders once and for all. She knows the key to both lies in the darkest secret of that long-ago summer night, one that's haunted her for nearly fifteen years. As history begins to repeat itself and a dogged local true crime podcaster starts delving into the murders, the race to the truth puts past and present on a dangerous collision course. Juniper lands back in an all-too-familiar place with the answers to everything finally in her sights, but this time it's her daughter's life that hangs in the balance. Will revealing what really happened mean a fresh start? Or will the truth destroy everything Juniper loves for a second time? Baart once again brilliantly weaves mystery into family drama in this expertly-crafted novel for fans of Lisa Jewell and Megan Miranda.
