City of Stones. Matera Giulia Fonnesu, 2019-10-29 Matera astonishes, more than anything else. For its beauty, for the harshness of the natural environment, for its history, for its disconcerting authenticity. The initial impact is powerful, chaotic, romantic, seen from the heights of the viewing points. Then the city sucks you in to explore its history, inviting you down from the smart streets of 19th-century Matera and into its throbbing heart: the Sassi. A wonderful book not to be missed, with QR codes to learn more about topics and places.

**A Guide to Puglia: Five Walking Tours** P S Quick, 2017-04-20 Puglia is a developing tourist area in Southern Italy that is beginning to attract tourists to its varied charms. No longer just a terminus for departing to other destinations it is becoming appreciated for its own attractions. Originally a humble farming region Puglia has been influenced by Greeks, Romans, Normans and Byzantines who each made an impact on the landscape by building ports, churches and other magnificent buildings. This book aims to give the tourist an opportunity to visit and enjoy not only the few major attractions that a guided tour usually includes but many of the other interesting sights that many people do not see. By providing five different walking routes and detailed information about each attraction passed it puts a visitor to Puglia in charge of the time spent at any particular place rather than having to rush and keep up with a guide or join costly tours. The tours will enable you to experience the variety and atmosphere of some contrasting destinations in Puglia. You will be surprised to discover the rich historical monuments of Brindisi and astounded by the Baroque architecture of Lecce; you'll marvel at the unique construction of the Trulli of Alberobello and be transported back in time when exploring the Sassi of Matera.

Places in Italy: A private grand tour (3rd edition) Francis Russell, 2019-07-25 A new and 50% enlarged, entertaining, but fundamentally serious selection of the most rewarding places to visit the most visited and beloved country in the world. Places described have gone from 101 to 150 in this edition. Sicily, Calabria and Apulia are the subjects of greater focus. Towns (additions include Bergamo, Pesaro, Cremona and Todi), villages, museums and individual monuments are discussed, characterised and described. A guide book in its own right, but above all a thoughtful, opinionated and supremely well-informed guide, supplement and corrective to conventional guides. Note this is not a guide to hotels, restaurants and other amenities.
