**Mehboob Mehdi Abidi Al-Najafi, Mushtaq H. Merchant**

**La Nuit du Destin** Francesca Darien-Hyde LLB MA, 2021-05-16 La Nuit du Destin est une nuit de l'année où près de 2 milliards de la population mondiale prient à la fin de leur célébration du Ramadan - certains prient pour l'illumination, certains prient pour trouver la vraie religion, certains prient pour la prospérité, beaucoup prient pour la liberté de l'oppression - ce livre vous est dédié à tous. J'avais recommandé 7 nuits et jours de prière à Dieu Tout-Puissant, pour ceux qui ne savent pas si leur idéologie mène au salut ou à la damnation.

Lailatul-Qadr: The Day of Light M R Bawa Muhaiyaddeen (Ral ), M. R. Bawa Muhaiyaddeen (Ral ), 2019-05-11 When a human being fulfills the fast correctly, the ray of Light will come down upon him. The Light of Allāh, the rahmah of Allāh, and the wealth of Allāh's mubārakāt-the wealth of grace, the wealth of meaning, the wealth of the soul, the wealth of wisdom, the wealth of 'ilm, and the wealth of Allāh's qualities will come down upon him. This is Lailatul-Qadr, the Night of Power. Allāh's beauty and Light will be visible in that human being. Allāh's qualities and actions will be visible in him-Allāh's qualities and actions will be in his 'ilm, and the rahmah of Allāh will emerge from him. Everything that emerges from him will bring peace to all lives. This day is Lailatul-Qadr. In days long gone by, only one person each year would successfully complete the hajj. The Light would come down once a year upon one person. Similarly, the ray of Light will come down upon the one who realizes this and acts accordingly. If there is at least one person in the dunyā who attains this state, the ray of Light will come down upon him. Just as the rahmah of Allāh would come down once a year to one person during hajj, the ray of Light would come down upon one person in this state. When a human being fulfills the fast correctly, the ray of Light will come down upon him. The Light of Allāh, the rahmah of Allāh, and the wealth of Allāh's mubārakāt-the wealth of grace, the wealth of meaning, the wealth of the soul, the wealth of wisdom, the wealth of 'ilm, and the wealth of Allāh's qualities will come down upon him. If there is at least one person in the dunyā who attains this state, the ray of Light will come down upon him. Just as the rahmah of Allāh would come down once a

year to one person during hajj, the ray of Light would come down upon one person in this state. That is what is protecting the dunyā today, a place where there would otherwise be so many more difficulties. Without that, the dunyā would perish. It would burn in the fire. The dunyā would burn in the fire, in the evil qualities of the people. The people would burn. It is said that this ray of Light comes down on one day, but it comes down every day. Because we do not understand, because we do not know, we have made only this month exalted. So at least become aware during this month!
