Earth Is In Space! (And Other Thoughts That Hurt To Think) Jay Norry,2018-06-27 We all know Earth is in space, and we all somehow live with the knowledge every day. We also know a bunch of other things that are simply part of living on this planet, out here in space. Some of those thoughts can be a little terrifying, and it can sometimes hurt to think about them; but many of us love to mull them over just the same. Serious issues have a history of dividing people, while sharing amusing observations over those same issues can bring us together. The topics covered in these pages are definitely serious; but the heaviest stuff is what we need to learn to laugh about the most. If you are both keenly aware of how messed up this world can be, and able to see the value in having a sense of humor...this was written just for you. This book includes previously posted (but no longer available) Thoughts That Hurt to Think blog posts and few new surprises.

Punching Back Jasmijn Rana,2022-11-11 In the Netherlands, girls and young women are increasingly active in women-only kickboxing. The general assumption, in the Netherlands and in western Europe more broadly, is that women's sport is a form of secular, feminist empowerment. Muslim women's participation would then exemplify the incongruence of Islam with the modern, secular nation-state. *Punching Back* provides a detailed ethnographic study that contests this view by showing that young Muslim women who kickbox establish agentive selves by playing with gender norms, challenging expectations, and living out their religious subjectivities.

COLOSSIANS: "Presenting you Holy" Dr Ken Baker, 2019-06-19 I guess every believer is conscious of wanting to go further with God, to dig deeper, and to climb higher. Paul himself said, Not that I have already arrived, but I press on... But the New Testament, whilst stating that qualification, also provides an astonishing optimism of grace - a marvellous confidence that God can do all things in and through us. The little book of Colossians expresses that confidence to a high degree. The writer is not daunted by the poor quality of the believers, neither by the sins of their past nor the distractions of their present. In simple, powerful prose, he outlines a challenge which is worth taking up. It is the challenge of Christian holiness. Jesus Christ has done a work - the past tense is exhilarating- so that he might offer us to God holy and blameless and irreproachable. It is God's design, that is, that we are presented holy. It is the purpose of this book to explore how Colossians enables that undertaking.
