**The Library of Lost and Found** Phaedra Patrick, 2019-03-26 From the author of *Rise and Shine* Benedict Stone, now an original movie on Hallmark. "Sweet and resonant." —People, "Best New Books" Pick A librarian's discovery of a mysterious book sparks the journey of a lifetime. Librarian Martha Storm has always found it easier to connect with books than people—though not for lack of trying. She keeps careful lists of how to help others in her superhero-themed notebook. And yet, sometimes it feels like she's invisible. All of that changes when a book of fairy tales arrives on her doorstep. Inside, Martha finds a dedication written to her by her best friend—her grandmother Zelda—who died under mysterious circumstances years earlier. When Martha discovers a clue within the book that her grandmother may still be alive, she becomes determined to discover the truth. As she delves deeper into Zelda's past, she unwittingly reveals a family secret that will change her life forever. Filled with Phaedra Patrick's signature charm and vivid characters, *The Library of Lost and Found* is a heartwarming and poignant tale of how one woman must take control of her destiny to write her own happy ending. **The Library of Lost Things** Laura Taylor Namey, 2019-10-08 From the New York Times bestselling author of *A Cuban Girl's Guide to Tea and Tomorrow*, this deeply heartfelt love story explores hiding the worst parts of ourselves, and finding the people who love us anyway. "How could I open that door and let him see the messiest part of me?" From the moment she first learned to read, literary genius Darcy Wells has spent most of her time living in the worlds of her books. There, she can

avoid the crushing reality of her mother's hoarding and pretend her life is simply ordinary. But then Asher Fleet, a former teen pilot with an unexpectedly shattered future, walks into the bookstore where she works...and straight into her heart. For the first time in her life, Darcy can't seem to find the right words. Fairy tales are one thing, but real love makes her want to hide behind her carefully constructed ink-and-paper wall. Still, after spending her whole life keeping people out, something about Asher makes Darcy want to open up. But securing her own happily-ever-after will mean she'll need to stop hiding and start living her own truth—even if it's messy. "A lovely tale for bookish readers that will give them all the feels." —Kirkus

When Jess meets Joan, she recognises someone needing a way back into the world, and she suggests a switch: if Joan will agree to go on-line, she will go off-line. *The Library of Lost Things* Matthew Bright, 2017-08-23 Welcome to the Library of Lost Things, where the shelves are stuffed with books that have fallen through the cracks—from volumes of lovelorn teenage poetry to famous works of literature long destroyed or lost. They're all here, pulled from history and watched over by the Librarian, curated by the Collectors, nibbled on by the rats. Filed away, never to be read. At least, until Thomas, the boy with the secret, comes to the Library. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*The Library of Lost Futures* Prince kachhadiya, 2025-04-01 The Library of Lost Futures What if one forgotten choice could change everything? Sixteen-year-old Elira Wells has always felt like a footnote in her own story—quiet, invisible, and trapped in a seaside town that time forgot. But everything changes the day she discovers a mysterious bookshop that wasn't there the

day before. Tucked away in the shadows, beyond rows of dusty tomes, lies a single book etched with her name—and a future she never lived. Welcome to the Library of Lost Futures: a shifting, magical archive of every path never taken, every decision unmade, and every fate rewritten. When Elira glimpses a tragic version of her own destiny, she's determined to change it. But tampering with time has consequences, and the deeper she dives into the Library's secrets—with the help of a rebellious boy who knows more than he says—the more she realizes that someone, or something, is determined to keep the future exactly as it was written. Hauntingly poetic, thrillingly imaginative, and emotionally resonant, *The Library of Lost Futures* is a coming-of-age fantasy about choice, courage, and the stories we tell ourselves. For fans of *The Starless Sea*, *The Midnight Library*, and *This Time Tomorrow*, this is a spellbinding tale about rewriting fate—and finding your voice in a world built to silence it.
