The US-DPRK Peace Treaty: A Commentary Eric Yong Joong Lee,Ridoan Karim,2022-09-21 This book delivers an in-depth analysis of the US-DPRK Peace Treaty which will be concluded as a final result of the Korean Peninsula peace process that is currently ongoing. Since North Korea launched its nuclear weapons development program in the early 1990s, the Korean peninsula has become a critical point of global politics along with the Sino-American (G2) hegemonic competition. The US-DPRK Peace Treaty is the key to the denuclearization and de jure peace on the peninsula as well as Northeast Asia. Different from the comprehensive peace treaty between the four parties (US, China, and the two Koreas) already proposed for the past few years, the book suggests a 'bilateral' approach to the agreement between the US and the DPRK, which will trigger the peace as a system considering the US's practices in this regard after 1783. Such a challenging and provocative method provides deeper understanding of the legal and political circumstances for the expected US-DPRK Peace Treaty. The book will navigate scholars, practitioners, and students towards terminating the 1953 Armistice, establishing nuclear peace as well as a rapprochement between the two countries. In practice, it will be a useful guideline for the conflicting parties in the various parts of the globe to adopt peace treaties in the twenty-first century.

American Foreign Policy ... Basic Documents ,1957

The Law of Armed Conflict and the Use of Force Frauke Lachenmann,Rüdiger Wolfrum,2017 This volume collects articles on the law of armed conflict and the use of force from the Max Planck Encyclopedia of Public International Law, to facilitate easy access to content from the leading reference work in international law.

Historical Dictionary of Democratic People's Republic of Korea James E. Hoare,2019-09-04 As Kim Jong Un approaches the seventh anniversary of his coming to power he has pushed the military back. The modified Constitution adopted in 2016 saw the demotion of the National Defense Council in favor of a new State Affairs Council which was a more party and government dominated body. He has put his own men and women into positions of authority. Sanctions are an irritant yet are already weakening as a result of first ever meeting between a DPRK leader and a U.S. president took place in June of Singapore, as well as a string of North-South meetings covered issues such as family reunions and railway and road

connections. Military talks also led to the demilitarization of Panmunjom. Since then Japan wants to talk and even the Pope may visit. This second edition of Historical Dictionary of Democratic People's Republic of Korea contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 400 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Democratic People's Republic of Korea.

Mapping My Return Salman Abu Sitta, 2025-05-20 Abu Sitta's memoir conveys a still burning sense of outrage at the injustice of the dispossession of the Palestinians and the denial of their rights—a personal and collective Nakba without end.—Ian Black, *The Guardian* The only memoir in English by a Palestinian Arab who grew up in the Beersheba district prior to 1948, now with a new afterword Salman Abu Sitta was just ten years old when the Nakba—the mass expulsion of Palestinians in 1948—happened, forcing him from his home near Beersheba. Like many Palestinians of his generation, this traumatic loss and his enduring desire to return would be the defining features of his life from that moment on. Abu Sitta vividly evokes the vanished world of his family and home on the eve of the Nakba, giving a personal and very human face to the dramatic events of 1930s and 1940s Palestine as Zionist ambitions and militarization expanded under the British mandate. He chronicles his life in exile, from his family's flight to Gaza, his teenage years as a student in Nasser's Egypt, his formative years in 1960s London, his life as a family man and academic in Canada, to several sojourns in Kuwait. Abu Sitta's long and winding journey has taken him through many of the seismic events of the era, from the 1956 Suez War to the 1991 Gulf War. This rich and moving memoir is imbued throughout with a burning sense of justice and a determination to recover and document what rightfully belongs to his people, given expression in his groundbreaking mapping work on his homeland. Abu Sitta, with warmth and wit, tells his story and that of Palestine.

A Guide to Documents on the Arab-Palestinian/Israeli Conflict: 1897-2008 M. Cherif Bassiouni, Shlomo Ben Ami, 2009-05-15 A Guide to Documents on the Arab-Palestinian/Israeli Conflicts: 1897-2008, is a comprehensive non-partisan compilation designed to provide relevant legal and historical source material pertaining to this conflict. Each document is summarized for the reader's benefit. The compilation contains all United Nations Resolutions and Reports, Treaties and Agreements, as well as historic documents that are difficult to obtain. To put the conflict into perspective, a chronology of events is provided, followed by an objective analysis of the historical background, including discussion of the various phases of the conflict, strategic considerations, and an analysis of the prospects for peace. The 690 documents summarized with official citations are the most extensive compilation covering the period from 1897 through 2008, including some key texts on Jerusalem dating back to earlier times. The documents are organized according to the conflict's major topic areas with introductory notes for each part and section. M. Cherif Bassiouni and Shlomo Ben Ami have had a long history of involvement in the peace process. Their combined expertise and personal experiences add a unique dimension to this book that will provide anyone interested in the conflict with a distinct easy-to-use comprehensive compilation of relevant documents.

Treaties and Other International Acts Series ,1946

The Encyclopedia of the Korean War Spencer C. Tucker, Paul G. Pierpaoli Jr., 2010-04-09 A multidimensional, multidisciplinary work on one of the least understood but most important conflicts in modern history. A cornerstone work in ABC-CLIO's distinguished list of reference works on military history, The Encyclopedia of the Korean War: A Political, Social, and Military History is a comprehensive resource on the confrontation that became the first shooting war of the Cold War, the first limited conflict of the Atomic Age, and the war that led to a dramatic escalation of the national security state while foreshadowing U.S. involvement in Vietnam. Encyclopedia of the Korean War offers complete coverage of strategies, weapon systems, and clashes that marked the course of events on the battlefield. But this authoritative, multidisciplinary work expands beyond the military perspective to portray the overall culture of the era, addressing a variety of political, economic, social, and popular culture topics as well. Incorporating a wealth of recent research, the new edition adds more than 130 entries and updated coverage throughout, plus more bibliographic listings, an expanded historiographical essay, and a documents volume.

When people should go to the books stores, search inauguration by shop, shelf by shelf, it is in point of fact problematic. This is why we offer the ebook compilations in this website. It will unquestionably ease you to look guide **1950 Armistice**
