Trends Shaping Education 2025 - OECD Did you ever wonder how rising inequality and polarisation will shape education? Or how advances in artificial intelligence, virtual reality, and other technologies could transform teaching and learning? Trends Shaping Education is a triennial report exploring the social, technological, economic, environmental and political forces transforming education systems worldwide. The ... **OECD Economic Outlook, Volume 2024 Issue 2** The global economy remains resilient, despite differences in the strength of activity and incomes across countries and sectors. Inflation has continued to fall, supporting real incomes, but consumer confidence is yet to recover to pre-pandemic levels in many countries. Global growth is projected to be 3.2% this year and 3.3% in 2025 and 2026, with inflation easing further. ... **OECD Regulatory Policy Outlook 2025** Current global challenges require governments to improve the way they design and deliver rules, to ensure they remain smart, simple and streamlined, reflecting rapidly changing conditions. The fourth edition of the Regulatory Policy Outlook critically examines regulatory quality across the OECD with a specific focus on how governments can better regulate for people, the planet, ... OECD Economic Outlook, Interim Report March 2025 Global economic growth remained resilient in 2024. However, recent indicators suggest softening growth prospects, with measures of economic policy uncertainty having risen markedly alongside the imposition of new trade barriers by a number of countries. Global growth is expected to moderate over the coming two years and to be weaker than previously expected, with inflation ... **Environment - OECD** Jun 12, 2025 · The OECD helps countries design and implement policies to address environmental challenges and sustainably manage their natural resources. Our analysis covers a wide range of areas from climate change, water and biodiversity to chemical safety, resource efficiency and the circular economy, including tracking country performance across a range of ... OECD The OECD (Organisation for Economic Co-operation and Development) is a forum and knowledge hub for data, analysis and best practices in public policy. We work with over 100 countries across the world to build stronger, fairer and cleaner societies – helping to shape better policies for better lives. *OECD Economic Outlook, Volume 2025 Issue 1* The global outlook is becoming increasingly challenging. Substantial increases in barriers to trade and heightened policy uncertainty will have marked adverse effects on growth prospects if they persist. On the assumption that tariff rates as of mid-May are sustained, global GDP growth is projected to slow notably this year and to remain subdued in 2026. Growth could be even ... *Consumption Tax Trends 2024 - OECD* Consumption Tax Trends provides

information on Value Added Taxes/Goods and Services Taxes (VAT/GST) and excise duty rates in OECD member countries. It also contains information about international aspects of VAT/GST developments and the efficiency of this tax. It describes a range of other consumption taxation provisions on tobacco, alcoholic beverages, motor vehicles and ... *Gender equality - OECD Jun 12, 2025* · Despite progress in recent years, more work needs to be done across all OECD countries to secure gender equality, with women and girls still facing inappropriate disadvantages and barriers in most spheres of social and economic life. Gender equality must remain a priority, as a matter of basic human rights and long-term economic wellbeing and prosperity. It drives ... Country risk classification - OECD Jun 12, 2025 · The Participants' country risk classifications are a fundamental building block of the Arrangement rules on minimum premium rates for credit risk. They are meant to reflect the risk that a country will not be able to repay its external debt. The Participants neither endorse nor encourage their use for any other purpose.
