Small Town Perfect Boxed Set 6 Mary Campisi, 2019-07-23 Small town romantic women's fiction with love, hope, second chances, and a happy ending! Note from Mary: I love secondary characters: writing them, reading about them, even watching them on the big screen. Secondary characters support the "stars"; make them more vibrant and compelling. But when the story ends, I'm often left wondering what they'd do if they were in the "spotlight". That's why I've created special boxed sets that were part of That Second Chance series and the Truth in Lies series. These boxed sets let the reader follow the before and after of select characters as they first appear in That Second Chance series and later in the fictional town of my bestselling Truth in Lies series. Boxed Set 6 contains The Butterfly Garden and A Family Affair: Return. I invite you to follow their journey! The Butterfly Garden Sometimes love happens when you least expect it... Jenny Romano has never been a white-picket-fence, happily-ever-after girl. Despite a mother who rejected her free-spirited, unique ways as irresponsible and just plain wrong, Jenny has found happiness as a photographer, flitting around the country and snapping photos of other people's lives. Her older sister, Grace, has a husband, children, and a carpool schedule. She's the one their mother calls "perfect." But when tragedy strikes her sister's carefully constructed life, Jenny must step in and offer support. Soon, she finds herself in the sort of small-town suburban life she swore to avoid... Psychologist Elliot Drake spends so much time healing other people's pain and witnessing the backlash of caring too deeply that he prefers to keep his own relationships short and bittersweet. He's loved and lost once and with a young daughter to raise, he's not willing to risk his heart again. But he's never met anyone quite like Jenny. Outrageous and unpredictable, she's a force of nature—not at all like her well-controlled older sister. Suddenly, Elliot isn't so sure that short-term is what he wants... Taken by surprise and unsure of the

next step, Elliot and Jenny are about to discover that real life happens whether you want it to or not. Will they let real love happen, too? *A Family Affair: The Return* Magdalena, New York. Home of memories long buried, steamy nights, and one regrettable summer... Grace Romano had been seventeen, impressionable, innocent to the power of attraction and desire. Max Ruhland taught her about both. He loved Grace and thought they had a future together, until she crushed his heart and told him he wasn't part of her life plan. Twenty-two years later, Grace Romano Clarke is a widow with two children and a pile of broken dreams. When her aunt dies, she must return to Magdalena, the town she'd rather forget, to honor the woman's last wishes: stay in her house for thirty days, and complete a list that, according to her aunt, will reveal a bit about life and maybe reveal something about herself, too. What Grace doesn't know but will find out soon enough is that Max Ruhland must stay in the house with her and help complete the list! Max Ruhland isn't the same lovesick puppy from the wrong side of the tracks who had his heart broken all those years ago. He's a wealthy, successful businessman who owes his good fortune to Grace's aunt, the woman who never gave up on him. Max can have any woman he wants, but he's never forgotten Grace, or how she hurt him. Now he'll have to spend the next thirty days with her—in close quarters—to honor her aunt's last wishes, and he's not looking forward to it. It's going to get very interesting as the town watches and wonders what's going on between those two. Of course, Pop Benito understands exactly what's happening in the house on Bayberry Street, even if Max and Grace don't. He's the one who helped Grace's aunt create the thirty-day list, which he insists will finally get this couple their happily-ever-after! Private Gardens of the Hudson Valley Jane Garmey, 2013-10-15 *Private Gardens of the Hudson Valley* surveys the majestic landscape that borders the Hudson River, an area rich in history and unique garden designs. The scenery, which encompasses riverfront meadows, craggy hills, and long open valleys, is inherently dramatic. Twenty-six private gardens are presented here, chosen to establish a sense of place and to convey the romance of the landscape. John Hall's photographs give a privileged view of the life within, while Jane Garmey's warm and engaging narrative traces the development of the gardens and the great pleasure their owners take in nurturing them. As Garmey notes in her introduction, each of these gardens has been made by the owner, and special attention given to the transition between the cultivated garden and the grandeur of the larger landscape beyond. The splendid setting of the Hudson Valley encompasses an almost infinite variety of design approaches from formal and traditional to naturalistic and an equal range of scale from multiple gardens within a vast estate to charmingly diminutive spaces between historic village houses. All have much to tell us about the complexity, challenges, and finally the unforgettable pleasure of making a garden.

A Family Affair: Winter Mary Campisi, 2015-04-27 They should have been married and working on their “happily ever after” but fate intervened and stole their chance. On the day Michael Androvich stands at the altar before family, friends, and most of the town of Restalline, Pennsylvania, he’s prepared to pledge his life, love, and fidelity to the woman who owns his heart. There’s only one thing missing—the bride. Elise Pentani loves Michael truly and completely, but there’s a tiny piece of her that believes he’ll fall back into his “bad boy” ways. When a threat from his past visits her, Elise lets doubt rule and skips her own wedding. Nursing a broken heart and determined to forget the woman he can’t forget, Michael heads to Magdalena, New York, to secure a business deal for his family’s lumber company. He’s not prepared for the endless questions and inquisitive nature of the residents who remind him an awful lot of his hometown. Just when Michael has gotten the town to accept the fact that he’s not talking about his past or the reason for his surly disposition, his ex-fiancée shows up with an apology he doesn’t want to hear and certainly doesn’t want to believe. There’s no way the residents of Magdalena can ignore these two broken-hearted souls who have “need help” and “belong together” stamped all over their sad faces. Not Your Everyday Housewife Mary Campisi,2013-07-07 Sometimes we're lucky enough to get that second chance - in life and in love. That Second Chance Series are stand-alone stories of strong women who battle heartache and loss with a courage and determination to find new paths and true love. What ties them together? A common theme: belief in the beauty of that second chance. *Not Your Everyday Housewife* is Book Five of That Second Chance Series. A wise and humorous tale

of living large after 40 as women finally make peace with themselves—wrinkles, blubber, neuroses, exes, and all. Three women embark on a month-long “discovery” journey and uncover quite a few tidbits along the way...one bottle of Clairol Midnight will not cover a full head of red hair, and never talk to men wearing polyester pants hiked up with a tan belt. But most of what they unearth is about themselves—who they are, what they really want, what they really don’t want. The center of controversy is a Maid-for-You mixer, which symbolizes a boring, routine suburban life with no second chances—then along comes insight in the form of Tula Rae, a sixty-something salsa-dancing, Dalai Lama-quoting, four-time widow in Spandex and a gray braid who gives them a different perspective on life, love, do-overs, and the real reason a man buys his woman a Maid-for-You mixer, which she says is all about S-E-X. The Oak Leaves Collection: The Oak Leaves / On Sparrow Hill Maureen Lang,2016-07-01 This collection bundles two of Maureen Lang’s “old and new” fiction titles into one e-book for a great value! The Oak Leaves: Two time periods—Regency England and contemporary Chicago—are woven together when Talie Ingram finds an old journal belonging to her great-great-great grandmother, Cosima Escott. Through Cosima’s entries, Talie learns that her family was once considered cursed with feeble-minded offspring, the result of a genetic disorder (Fragile-X) that may have been passed down to Talie and her sister. Unwilling to face the implications their discovery might have on her own life, Talie tucks the journal back into secrecy, until she begins to see signs of developmental delay in her son. On Sparrow Hill: Two time periods—Victorian Ireland and contemporary England—are again woven together in this sequel to The Oak Leaves. Rebecca Seabrooke is a commercial manager for Quentin Hollinworth’s family manor and is focused on two things: running the best historical home in the country and forgetting about the childhood crush she’s had on Quentin ever since her father worked as the valet for his family. They don’t, after all, run in the same social circles. When Quentin’s distant cousin Dana Martin Walker comes to visit the Hollinworth estate, Rebecca realizes she must confront some of her preconceived ideas about herself . . . and about Quentin. Dana wants to learn more about her ancestors—especially about Berrie Hamilton, who in 1852 decided to fulfill her sister-in-law’s dream of opening a school for the mentally challenged. Dana also discovers that, despite

their precautions, she and her husband are expecting, and their unborn child may turn out to be like many of Berrie's students. It will take reading Berrie's letters—written a century ago—for Dana and Rebecca to learn the importance of serving others and to realize that ultimately, even our best-laid plans are not always God's plans.

A Family Affair Boxed Set 2 Mary Campisi, 2018-07-01 Heartache. Betrayal. Forgiveness. Redemption. Real families aren't always the ones you know about... A Family Affair Boxed Set 2, Books 4-6, is about so much more than a secret family. Set in the small town of Magdalena, New York, the people have big hearts and good intentions...at least most of them do! Magdalena is a place of family, forgiveness, redemption, and second chances. And hope. Lots of hope. This town, and the people in it are about helping others get through the tough times and broken dreams, and doing it with the help of family, friends, sometimes even strangers. A Family Affair: Fall Heartache. Betrayal. Forgiveness. Redemption. It's time to head back to Magdalena, New York, and spend a little time with the people we love to love and even a few we love to hate. Gina Servetti was raised to believe she wasn't enough—not thin enough, not pretty enough, not clever enough. She's more

comfortable with a spreadsheet than a conversation and doesn't trust easily, especially where men are concerned, most notably the good-looking, smooth-talking ones like Ben Reed. When city boy Ben Reed arrives in Magdalena, he's not planning a long-term stay in a town filled with too many busybodies and too little excitement. He just needs things to settle down in Philly for a few months before he returns to his old life and his plan to win back his ex-wife. But once he gets to know the people in this town, he starts to care about them: one in particular—Gina Servetti. The longer he's around her, the more he realizes she's so much more than a woman with a scowl and a sharp tongue. She's real and honest, and as afraid of trusting as he is. But can Ben and Gina open up and take a risk for a chance at real love? Well, if the rest of the town has anything to say about it, and they always do, this couple will take the big leap and end with an "I do"! A Family Affair: Christmas It's time to head back to Magdalena in this holiday novella... The town is preparing to celebrate the holidays when a snowstorm hits and threatens to ruin the festivities. But that's not the only threat blowing into town...Pop's son is here from California to enjoy Christmas with his father, but when he leaves, he's taking Pop with him...or is he? Will the town give up the Godfather of Magdalena, or will they show Pop's son that when we open our hearts, anything is possible...even second chances? A Family Affair: Winter They should have been married and working on their "happily ever after" but fate intervened and stole their chance. Can the residents of Magdalena help them get it back and give them a second chance? On the day Michael Androvich stands at the altar before family, friends, and most of the town of Restalline, Pennsylvania, he's prepared to pledge his life, love, and fidelity to the woman who owns his heart. There's only one thing missing—the bride. Elise Pentani loves Michael Androvich truly and completely, but there's a tiny piece of her that believes he'll fall back into his "bad boy" ways. When a threat from his past visits her, Elise lets doubt rule and skips her own wedding. Nursing a broken heart and determined to forget the woman he can't forget, Michael heads to Magdalena, New York to secure a business deal for his family's lumber company. He's not prepared for the endless questions and inquisitive nature of the residents who remind him an awful lot of his hometown. Just when Michael has gotten the town to accept the fact that he's not talking about his past or the reason for his surly disposition, his ex-fiancée shows up with an apology he doesn't want to hear and certainly doesn't want to believe. But there's no way the residents of Magdalena can ignore these two broken-hearted souls. Michael and Elise have "need help" and "belong together" stamped all over their sad faces. Add that to Pop Benito's determined matchmaking skills and Lily Desantro's clever curiosity, and this couple might just get that second chance...
