

The History Of The Ancient World

Michael Ivanovitch Rostovtzeff

A History of the Ancient World Chester G. Starr, 1991 This volume offers an account of early world history from the rise of the first cities to the fall of the Roman Empire. Though Greece and Rome occupy center stage, the author also surveys the cities and empires of Mesopotamia, India from the early Indus civilization to the Gupta state, and China from the Hsia dynasty to the Han empire. He has revised his discussions of early humankind to account for the most recent findings; he presents a new view of the Jewish revolt against Rome led by Bar Kochba. In addition, his account of the end of the Roman Empire has been rewritten in light of the most recent thinking by classical historians. Numerous maps and illustrations, carefully composed and selected, highlight the text.

The Ancient World T. R. Glover, 2014-10-09 Presenting an introductory guide to the ancient Mediterranean and its history, Glover covers the history of ancient Greece and the Roman Empire, as well as the art of both civilizations and a brief view into the everyday life of the people living under the Roman Empire's dominion.

The Ancient World in Minutes Charles Phillips, 2018-06-05 From the first cities of Sumeria and Babylon around 3500 BCE to the fall of the Rome and the bloody demise of the Aztecs, here--in 200 mini essays--are the critical leaders and wars; ideas and inventions; myths and religions, and art and architecture of the first 5000 years of recorded history. Discover the spiritual, cultural, technological and artistic innovations of the ancient civilizations that still amaze and influence us today--from the Pyramids to the Parthenon to Macchu Picchu and the Great Wall of China; and from the first hieroglyphic writings and great epics of world literature to democracy and the Olympic Games. The great civilizations are brought to life in vivid illustrations with 200 maps, iconic artworks and ancient artifacts. Contents include: Mesopotamia, Ancient Egypt, Ancient India, Ancient China, The Persian Empire, Classic Greece, The Roman Republic, the Maya, The Inca and many more.

An Introduction to the Ancient World Lukas de Blois, R.J. van der Spek, 2008-10-24 Integrating the results of scholarly work from the past decade, the authors of *An Introduction to the Ancient World*, Lukas de Blois and R.J. van der Spek, have fully-updated and revised all sixteen chapters of this best-selling introductory textbook. Covering the history and culture of the ancient Near East, Greece and Rome within the framework of a short narrative history of events, this book offers an easily readable, integrated overview for students of history, classics, archaeology and philosophy, whether at college, at undergraduate level or among the wider reading public. This revised second edition offers a new section on early Christianity

and more specific information on the religions, economies, and societies of the ancient Near East. There is extended coverage of Greek, Macedonian and Near Eastern history of the fourth to second centuries BC and the history of the Late Roman Republic. The consequences of Julius Caesar's violent death are covered in more detail, as are the history and society of Imperial Rome. This new edition is: comprehensive: covers 3,000 years of ancient history and provides the basis for a typical one-semester course lavishly illustrated: contains maps, line drawings and plates to support and supplement the text, with updated captions clearly and concisely written: two established and respected university teachers with thirty years' experience in the subject areas well-organized: traces the broad outline of political history but also concentrates on particular topics user-friendly: includes chapter menus, an extensive and expanded bibliography organized by subject area and three appendices, an improved introduction and the addition of an epilogue.

A History of the Ancient World George Stephen Goodspeed, 1912

Chronicles of the Ancient World John Haywood, 2015-06-04 Sumeria, c.3500 BC, witnessed the birth of the world's very first city by the rich and fertile banks of the Uruk. Over the next four millennia, the social and cultural landscape would change beyond recognition as many of history's most important kingdoms and cities took root. Interweaving Mesopotamian, Egyptian, Persian, Greek and Roman history, this book follows these burgeoning empires over 4,000 years, examining the delicate balance of power as they vied for territory, conquest and glory. From Alexander the Great's 22,000-mile march on Persia to Attila the Hun's plunder of the Roman empire, John Haywood brings the most crucial battles and decisive campaigns to vivid life, and examines the extraordinary cultural achievements of these civilizations - the first written words, the spectacular works of architecture, the growth of democracy and the spread of religions - that changed our world for ever.

The Ancient World D. Brendan Nagle, 2013-12-04 Analyzes the ancient Mediterranean and Middle East in social and cultural contexts Ancient World, The: A Social and Cultural History, 8/e , presents a comprehensive analysis of the cultures and societies of the ancient Mediterranean world from prehistoric times to the rise of Islam. It offers a multi-perspective and integrated chronicle of the history of the ancient world, from Sumer to the fall of Rome. This title challenges purely narrative accounts of the ancient past, offering in-depth analysis of such key events and institutions as: the origins of agriculture and the rise of urban civilization in the Middle East; household and gender roles in the Middle East, Greece, and Rome; slavery throughout the Mediterranean; and how the Romans built, maintained, and lost their empire.

A History of the Ancient World Philip Smith, 2023-07-22 Reprint of the original, first published in 1873. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

A History of the Ancient World ... Vol. 2 Michael Ivanovitch Rostovtzeff, 1971

A History of the Ancient World Michael Ivanovitch Rostovtzeff, 1927-03

The History of the Ancient World Susan Wise Bauer,2007-03-17 A lively and engaging narrative history showing the common threads in the cultures that gave birth to our own. This is the first volume in a bold series that tells the stories of all peoples, connecting historical events from Europe to the Middle East to the far coast of China, while still giving weight to the characteristics of each country. Susan Wise Bauer provides both sweeping scope and vivid attention to the individual lives that give flesh to abstract assertions about human history. Dozens of maps provide a clear geography of great events, while timelines give the reader an ongoing sense of the passage of years and cultural interconnection. This old-fashioned narrative history employs the methods of “history from beneath”—literature, epic traditions, private letters and accounts—to connect kings and leaders with the lives of those they ruled. The result is an engrossing tapestry of human behavior from which we may draw conclusions about the direction of world events and the causes behind them.

A History of the Ancient World Michail Ivanovič Rostovcev,1928

A Short History of the Ancient World Nicholas K. Rauh,2017-12-06 Short History of the Ancient World examines the emergence of urban civilization on the continents of Africa, Europe, and Asia. Tracing developments from prehistoric times through the end of antiquity, the book investigates the unique social, cultural, religious, economic, and political characteristics of each civilization. Use of evidence from material cultural reconstructs patterns of social development and quality of life, while ancient texts help assess the belief systems and cultural aspirations of those civilizations.--

Thinking, Recording, and Writing History in the Ancient World Kurt A. Raaflaub,2013-11-08 Thinking, Recording, and Writing History in the Ancient World presents a cross-cultural comparison of the ways in which ancient civilizations thought about the past and recorded their own histories. Written by an international group of scholars working in many disciplines Truly cross-cultural, covering historical thinking and writing in ancient or early cultures across in East, South, and West Asia, the Mediterranean, and the Americas Includes historiography shaped by religious perspectives, including Judaism, early Christianity, Islam, and Buddhism

A History of the Ancient World Mihail Ivanovič Rostovcev,1926

A History of the Ancient World Michael Ivanovitch Rostovtzeff,1930

An Introduction to the Ancient World Lukas de Blois,R.J. van der Spek,2019-05-20 An Introduction to the Ancient World offers a thorough survey of the history of the ancient Near East, Greece and Rome. Covering the social, political, economic and cultural processes that have influenced later western and Near Eastern civilisations, this volume considers subjects such as the administrative structures, economies and religions of the ancient Near East, Athenian democracy, the development of classical Greek literature, the interaction of cultures in the Hellenistic world, the political and administrative

system of the Roman Republic and empire, and the coming of Christianity, all within the broad outline of political history. This third edition is thoroughly updated and some chapters are completely rewritten to cover recent historical research. Changes include: more attention to economic structures and developments, and to the history of the later Roman Empire (third to sixth centuries AD); incorporation of the results of recent archaeological and historical research, and recently published studies of ancient literature; 'boxes' that support the main text, on topics including economic and political systems, religion and terminology; redrawn maps and new, higher-quality images; the inclusion of useful websites in the bibliography. An Introduction to the Ancient World provides an easily readable, user-friendly, integrated overview for students of ancient history, classics and archaeology. Lavishly illustrated, clearly and concisely written, and well organised, this fully updated and revised edition will remain a key resource for students beginning to investigate the civilisations of the ancient Mediterranean.
