I feel everything. I watch people fall in love. I watch them burn with hate, anger, rage, and I see the cycle repeat over and over again. I take it on every

night I work at Timber, aka Anubis's bar in downtown Seattle, and then I help the rest of the immortals keep the very intense balance between Heaven and Earth. I see everyone's future but mine, and when I try to look, all I see is darkness, despair, need... Until she walks into my bar with bruises on her face, getting pulled by one of the lesser demons. I do what any good bartender would do... I beat him within an inch of his life and turn my eyes to her. By then, it's too late. She already has me in her grasp. A succubus that has no other plan than to suck me clean of every inch of power that's been bestowed on me by the Heavens. I never thought my future involved getting kidnapped and tied up or that I'd die by way of sex—then again, maybe that's for the best.
