There are two types of people who will tell you that you cannot make a difference in this world: those who are afraid to try and those who are afraid you will succeed.-- Ray Goforth 9. Rather become a man of value.-- Albert Einstein 11. Never give in except to convictions of honor and good sense.-- Winston Churchill 12. You can be discouraged by failure or you can learn from it, so go ahead and make mistakes. Make all you can. Because remember that's where you will find success.-- Thomas J. Watson 16. If you are not willing to risk the usual, you will have to settle for the ordinary.- Jim Rohn 17. The ones who are crazy enough to think they can change the world, are the ones that do.-- Anonymous 18. Do one thing every day that scares you.-- Anonymous 19. Your Life's Puzzle August Leo, 2024-07-30 There are so many people who are suffering in silence. When they're in public, they put on a face as though everything is well. When they are alone, they slip back into depression. We need to learn to get along, stop judging, and learn to love one another. That begins with the person you see in the mirror. The most powerful thing in the world is the human mind. People should take the words can't and impossible out of their vocabulary. If those two words are in your vocabulary, you will have a defeated mindset and you will fail before you get started. If you have faith, belief. Come up with a plan and take action. Anything is possible. The power is in belief. If you have the will, anything is possible. The purpose of the material in this book is to give the gift of hope. I want to inspire you people and lift them up. There are some people who are stressed out and depressed and have fallen into a dark place because of things they have experienced in life. Some of them have given up and stopped looking for a way out. If you are in a dark place in life, darkness cannot drive out darkness. It takes light to drive out darkness. We are bombarded with negativity from news and social media all day long. The materials in this book are meant to be a ray of light to drive out the darkness. The short stories in this book are about real people who've made mistakes. You can't make all your mistakes, but you can learn from someone else. Another purpose of this book is to encourage people to use their inner pain and hurt as fuel to push themselves toward their dreams. If you're not happy where you are in life, it's up to you to change it. You have to take responsibility for your life. No one is going to do it for you. No one is going to care for you more than you care for yourself. Here is a list of some of the topics that

will be discussed in this book: learning disabilities, depression, loneliness, suicide, intuition, solitude, self-love, self-hate, self-worth, self-esteem, stress, and much more.
