Solomon was a Businessman Ardith Baker, David W. Whitlock, 2008-10-06 Success in today's business environment may seem difficult or elusive for those who desire to conduct themselves with integrity. To be genuinely successful, you need more than just talent; you need wisdom that can help conquer any situation or problem that comes your way. But wisdom that brings us real success is not worldly wisdom; we need godly wisdom to succeed in all aspects of our lives. Unlike success, godly wisdom is not elusive; it is readily accessible through prayer and God's written Word. In the Bible, a treasure trove of godly wisdom is found in the book of Proverbs. *Solomon Was a Businessman* examines the wisdom of those proverbs from a business perspective and presents devotionals that enlighten and encourage. Written by business professionals and based on real-life experiences, this book can be read over and over to reveal new treasures of godly wisdom as your life experiences and spiritual needs change.

An Apple a Day Parth Sawhney, 2020-08-18 Based on the principle that your daily disciplines and your little, everyday nourishing choices have the power to bring you the life and success you desire. *An Apple a Day* offers 366 days of ideas and insights rooted in personal development, philosophy, and timeless wisdom. Each day of the year is dedicated to learning a new insight, idea or invaluable teaching. Like an apple a day that helps you become healthier and vital, each meditation has been designed to offer you positive information and inspiration to nudge you a little towards your better, wiser and more well-rounded self every single day. You'll come across key lessons and exercises with regard to mindfulness, spirituality, lifestyle and self-development featuring insights based on minimalism, Stoicism and ancient scriptures both from the East and the West. As you follow and implement these learnings over the course of a year, each day will become an opportunity for you to become better, and you'll cultivate the virtues of inner strength, grit, resilience and tranquility to live an exceptional life.

The Measure of Faith Randy Osenbach,2013-06 How do you measure your faith? Is it by your standards, the world's standards, or by God's standards? God has written His words to us in Scripture that we can know His thoughts and know His ways and thus live by His standards alone. All too often, mankind makes God after their own image and concludes that He thinks and acts just as they do. But it is not a sign of wisdom to try to second-guess God! What is the true meaning of faith? Learn how to improve your relationship with God. Wake up to a vibrant Christian life that reveals how close and real God truly is. Invite God to come into your life and to be a true blessing that carries you through the best and worst of times. God's love for us is as close as our consent to love Him in return. Allow Him to be an intrinsic part of who you are. Allow this miracle to come true in your life.

Top Inspiring Thoughts of Plato M.D. Sharma,2021-01-01 Top Inspiring Thoughts of Plato: Wisdom from an Ancient Philosopher ***** a remarkable journey into the timeless wisdom of one of history's greatest philosophers. Compiled by ***** Sharma , this book presents an enlightening collection of Plato's most profound ideas, offering readers a gateway to the philosophical treasures of antiquity. From knowledge and ethics to justice and the ideal state, Plato's thoughts continue to shape our understanding of human existence and morality. ***** ideas have stood the test of time, influencing countless thinkers and shaping the foundation of Western philosophy. This book is a carefully curated selection of his most inspiring concepts, providing deep insights into fundamental questions of life, virtue, and governance. Whether you're a philosophy enthusiast or new to the subject, this collection is designed to make Plato's wisdom accessible and relevant to modern readers. ***** presenting Plato's thoughts, this book offers interpretations and explanations that bring clarity to his complex ideas. Through engaging passages, readers will explore how his teachings apply to personal growth, self-discovery, and ethical living. His concept of the ideal republic and philosopher-kings remains a thought-provoking model for leadership and governance, relevant even in today's world. ***** Inspiring Thoughts of Plato: Wisdom from an Ancient Philosopher ***** more than just a collection of philosophical reflections—it is a guide to intellectual and personal enlightenment. Each page invites introspection and encourages readers to reflect on their own beliefs and actions. Whether seeking wisdom for daily life or a deeper understanding of philosophy, this book serves as a valuable resource for all. ***** "A truly inspiring read! M.D. Sharma has done an excellent job curating Plato's wisdom in a way that is both insightful and easy to understand. This book is a treasure for anyone interested in philosophy and self-improvement." ***** "An excellent introduction to Plato's ideas, with well-structured explanations that make his philosophy more accessible. I wish there were a bit more historical

context, but overall, a great read for those looking to explore ancient wisdom.” ***** “A fascinating collection of Plato’s most thought-provoking ideas. The interpretations provided help bridge the gap between ancient and modern philosophy. Some parts felt repetitive, but the insights gained were well worth it.” ***** “A solid book for those new to Plato’s philosophy. The selections are well chosen, but I found the explanations a bit basic at times. Still, it’s a worthwhile read for anyone curious about ancient wisdom.” ***** “This book is a must-have for philosophy lovers! It distills Plato’s most profound thoughts into digestible pieces, making them relevant to today’s world. Highly recommended for anyone seeking intellectual and personal growth.”

Concerning Trump Peter A. Bakke,2020-12-16 Parody can be defined as: "... a literary work in which the style of an author or work is closely imitated for comic effect or in ridicule." - Merriam-Webster Dictionary Political parody may help those of us cope who have a liberal or moderate political disposition. It may also help make bearable these turbulent political times under the growing shadow of Trumpism. This frequently somber, sometimes humorous volume reimagines historical quotes with a keen eye focused on Donald J. Trump, Trumpism, and his Republican party. But beware. This book can only be taken in small doses. Like arsenic. If you read it and start feeling ill, that's a good sign, a sign that you've been paying attention to what's been going on in our country under the Trump regime. Set it aside for a while. But never set aside your vigilance for men like Donald J. Trump.

Conflict, Negotiation and Perspective Taking Sandra Pineda de Forsberg, Roland Reichenbach, 2021-09-02 In a world where conflicts are commonplace and almost unavoidable, negotiation is recommended as the preferred approach for productively handling the outcomes of disputes. In addition, negotiation is recognized as an enabler of a constructive, grounded attitude toward conflict. This book advocates that perspective-taking is a superior competency to effectively understand the points of view of others, as well as a means to create a beneficial outcome to a conflict, attain sustainable business and solutions, and develop healthier relationships. The three central themes presented in this book: conflict, negotiation, and interpersonal perspective-taking, provide different important insights into the handling of disputes and the practice of negotiation. In-depth understanding of these themes enables the negotiator to forge a “three-dimensional” instrument for effective conflict management. The concept of conflict is first introduced, followed by an examination of the negotiation process, including negotiation strategies, negotiation phases, negotiation competencies, and styles. Considerable attention is then paid to interpersonal perspective-taking and its critical role in successful interpersonal negotiation strategies, before a theoretical discussion on negotiation research models concludes the book. The intent throughout this book is to empower the reader to make the best of every conflict situation and contribute to harmonious and respectful working environments. Every individual, employee, and leader is encouraged to become a proficient negotiator who seeks mutually productive and successful results. The mutual wins require careful consideration of the other’s perspective and interests. Although this work primarily addresses professional contexts, the principles and their applications are also highly useful for everyday situations.

Logical Quotes and Spiritual Sayings Dr. James J. Krieger D.D., 2015-04-27 To gain knowledge and reference you must study. The first guidebook provides logical quotes and spiritual sayings. The second guidebook covers angelology and Christology, while the third book addresses the age-old question: who is this Jesus?

The Right Not to Use the Internet Dariusz Kloza, Elżbieta Kuźlewska, Eva Lievens, Valerie Verdoodt, 2025-04-24 This pioneering collection addresses the prospective fundamental/human right not to use the Internet and the challenges that the non- use of the Internet poses for democracy. As the Internet has increasingly ceased to be a mere option and rather turned into a de facto obligation for anyone who exercises their rights or fulfils duties, these developments bring about profound ramifications for the very existence and the functioning of democracy, and therefore merit a critical reflection. With contributors from academia and legal practice from all over Europe, this edited volume offers timely critical analysis of the right not to use of the Internet, at times supplemented with policy advice and postulates for law reform. This book is of key interest to scholars and students of – predominantly – law, political science and philosophy as well as to policymakers, judges and nongovernmental organisations at national, supranational and international levels. Boardroom Strategies for Financial Institutions Catherine A. Ghiglieri, Jewell D. Hoover, 2019-05-30 Boardroom Strategies for Financial Institutions is written by two former bank regulators, Catherine Ghiglieri and Jewell Hoover, who have also served on several financial institution boards. In this book, they provide practical guidance and applications for most governance situations in the boardroom. Many directors come to the boardroom without prior governance experience and navigating the many challenges can seem daunting. The strategies discussed in this book range from how to artfully frame questions so that you get the best response from management to how to wedge your place setting at an already crowded boardroom table. It is a must have for new and experienced financial institution board members.

The Rigged Race of Life Mark Romel, 2018-03-07 It takes a fool to participate in a race which he is guaranteed to lose. The race of life is designed to ensure you fail ... unless you belong to the privileged elite. This is a race in which it is not the fastest runners who win, but those who, thanks to inheritance, are brazenly placed right in front of the finishing line. They could fall over and still win. It takes a fool to support this mad game, and that's exactly what the system produces: fools in their legions. They are the foot soldiers of the Dumbocracy, the Idiocracy, the Moronarchy. They are all slavish followers of Freedumb. The 1% have done an astounding job of controlling the 99% and making the masses serve them at all times. The 99% dream of being the 1%. That's the American Dream. Those who dream of being part of the rich elite will never revolt against the rich elite, even when that's the only way to free themselves. Herbert Marcuse wrote, At the highest stage of capitalism, the most necessary revolution appears as the most unlikely one.

THE POWER OF POSITIVITY: Throw your heart over the bar and your body will follow Jude D'Silva, "Throw your heart over the bar and your body will follow." Our thoughts of today will decide where we will be in life tomorrow. Where we are in life today is the result of our thoughts and actions that we have taken in the past. The power of thinking positively is remarkable. Our mind has the potential to make or break us. Thoughts are bundles of energy that makes impact on our happiness. Our thoughts are converted into actions which makes our destiny. Our mind released the hormone "endorphins" whenever we think about anything that makes us happy which builds up a positive attitude within us. Positive thinking has multiple benefits. It significantly affects our personal and mental health. It elevates our self-esteem and make us more productive and optimistic. It is a mindset that helps to live a happy and healthy life. It can help us live a stress-free life. The power of positive thinking is remarkable. Positive thoughts helps us to overcome difficulties that we face in our life. People with a positive approach are always confident and have the ability to overcome the obstacles and difficulties they face in life. This self-help book of Jude D'Silva will help you to cultivate the habit of positive attitude in whatever you do. "Change your thoughts and you will change your world" - Norman Vincent Peale.
