**Bloom Where You're Planted** Mary Rodman, 2016-10-26 This daily devotional is about looking for God in our everyday lives. God gives us lessons in life to grow a stronger faith, but we need to watch for the blessings along our path. From the struggles of farm life, to the splendors of vacations. From the heartache of losing a loved one, to the joys of grand-parenting. From every day cleaning, to the blessings of unexpected precious moments. God is present in all that we do, if we simply slow down and look for the abundant life He offers. These devotions teach us that every lesson in life is from God as He molds us, shapes us, and helps us grow. All He asks in return is that you Bloom Where You're Planted and serve Him.

**THE MASTERFUL WAY** Daniel Wingate, 2019-10-15 The Masterful Way is intentional, deliberate and powerful. It is a life of joy and happiness which is what we all seek. This book is about Mastering this kind of life. You will find this book to be different. It is not another book on the Law of Attraction. Nor is it a treatise on the next generation of New Thought. This is a book about Mastery; the Tool-Set, the Skill-Set and the Mind-Set. It is an in-depth perspective on Universal truths and the Laws governing all energy. This is the journey of living your highest Self and taking full charge of your Co-Creative power. An unfolding of truths will help you understand the suite of Universal Laws that define all that Is. You will find perspectives on what is actually real and what is not. You will be given tools to help you work with the Universal Laws, and therefore how to get out of your own way. Most importantly you will define your desires and put yourself on the road of Mastery. You will get help on being clear about your intention, on removing obstacles, mostly of your own making, and on defining that which is your Being. Your journey of Mastery must be expressed in absolute truth and belief. It is what you have to say. This is why we are all here. Take this journey, and the Universe will be privileged to experience your voice.

**Bloom Where You're Planted, Volume II** Anne Milam, 2014-04-14 Bloom Where You're Planted, Volume II is more like a bunch of girlfriends at a sleepover sharing their stories of what Christ has done in and through their decisions to plant a church. It is testimony after testimony that God can and does still work through broken, scared, self conscious, yet willing people. It's meant to encourage and remind you: You are not alone. All across the country, women just like you are making the decision to lay it down for Christ each and every day while balancing family, marriage, work and church. Here you will find a call to arms of sorts, a reminder of the Great Commission of Jesus, challenged in each of our hearts. These are the

stories of women currently in the trenches of church planting, who not so long ago, stood at the precipice of faith and dared to let go of everything they held dear and secure to free fall in faith.

**A Fresh Wind in Your Sails** Donald D. McCall, 2018-03-28 This book is about the joys of aging. All too much has been written and published about the fears and perils of aging with the focus of most volumes being about the perils of falling; of not having enough money; or of having arthritis, osteoporosis, cancer, heart attacks, vision and hearing loss, loneliness, dementia, memory loss . . . just to name a few. I have yet to read a book about the joys and pleasures of aging. Well, I have been glorifying God for over sixty years, and now I feel it is time to simply enjoy him forever. And that is the first gift of aging—the pleasure of enjoying God forever, of not needing to strive with him, and of no longer needing to fulfill the demands of glorifying him or pleasing him. It all comes at about the same time in life when your children no longer sense the need to please you or to make you proud of them. It comes at a time in life when you want to be in each other's presence simply to enjoy one another, which truly is the chief end of man.

From Lo-Debar to the King's Table: A journey from an orphan spirit to Sonship Daniel Joseph Petrucci, 2024-08-15 From Lo-Debar to the King's Table is a truly inspiring and uplifting account of Daniel's life and journey from having an orphan heart to Sonship. The book takes you through Daniel's heart-wrenching childhood experiences of feeling unloved, abandoned, lonely, alienated, and isolated. However, his resilience and determination to overcome the obstacles that life has dealt him show his unwavering faith and trust in God. Daniel's story teaches us that even in the face of adversity, we can find strength and hope through our faith in Father God and ultimately that our true identity is only found in Him. Do you know who you are? Where does your identity lie? This book will show you how to find your identity in Christ by seeking His face, ending up in His embrace, as you become an eternal son or daughter of King Jesus! --Lisa Clayton, founder of Get Them to Jesus Ministries and author of A Map from the Womb to Eternity Do you know who you are? Where does your identity lie? This book will show you how to find your identity in Christ by seeking His face, ending up in His embrace, as you become an eternal son or daughter of King Jesus! --Lisa Clayton, founder of Get Them to Jesus Ministries and author of A Map from the Womb to Eternity

Your Best Life Now (Special 10th Anniversary Edition) Joel Osteen, 2014-08-05 Live boldly and act on your most powerful beliefs with this life-changing guide to faith, positive thinking, and spiritual fulfillment from #1 New York Times bestselling author Joel Osteen. Pastor Joel Osteen asks everyone to examine what he or she really believes. Why is this important? Because we will become what we believe. Our beliefs will prove either a barrier or vehicle as we strive to go higher, rise above our obstacles, and to live in health, abundance, and victory. In Your Best Life Now, Osteen says, I am what I am today because of what I believed about myself yesterday. And I will be tomorrow what I'm believing about myself right now. God sees us as more than conquerors, able to fulfill our destiny. We need to see ourselves through the eyes of our Creator. He

says that our self-image should mirror exactly what God says about us, not what we feel or think. And he encourages readers to be people of faith, for if you can see the invisible, God will do the impossible.

It is a recollection of how God has used Pam's faith as a conduit of His love and power. It is her prayer that you will be encouraged and challenged to reach out so that He can work through you in even greater ways. She desires that you too will feel free to bloom wherever you are planted!
