Getting the Love You Want Workbook Harville Hendrix, Helen LaKelly Hunt, 2007-11-01 This newly revised and updated companion study guide to the 2019 edition of the New York Times bestseller Getting the Love You Want. In 1988, Harville Hendrix, in partnership with his wife, Helen LaKelly Hunt, published a terrifically successful relationship guide called Getting the Love You Want. The book introduced thousands to their Imago Relationship Therapy, a unique healing process for couples, prospective couples, and parents, and developed into an overnight sensation. For their part, Doctors Hendrix and Hunt managed to aid scores of couples in their plight for more loving, supportive, and deeply satisfying relationships. Now, more than a decade later, this companion book picks up where its predecessor left off, delving further into relationship therapy to help transform relationships into lasting sources of love and companionship. The Getting the Love You Want Workbook is designed for the hundreds of thousands of couples who have attended Imago workshops since Getting the Love You Want hit bookstands, as well as new and curious ones seeking a practical route back to intimacy and passionate friendship. The workbook contains a unique twelve-week course (The New Couples' Study Guide) designed to help work through the exercises published in Part III of Getting the Love You Want. For those of us struggling to maintain our most precious relationships, the Getting the Love You Want Workbook helps us grow aware of our individual, unconscious agenda while steering us towards a more harmonious link with our loved ones that will satisfy our deepest needs.

Getting the Love You Want: A Guide for Couples: Second Edition Harville Hendrix, Ph.D., 2007-12-26 REVISED AND WITH A NEW FOREWORD ARE YOU GETTING THE LOVE YOU WANT? Originally published in 1988, Getting the Love You Want has helped millions of couples attain more loving, supportive, and deeply satisfying relationships. The 20th anniversary edition contains extensive revisions to this groundbreaking book, with a new chapter, new exercises, and a foreword detailing Dr. Hendrix's updated philosophy for eliminating all negativity from couples' daily interactions, allowing readers of the 2008 edition to benefit from his ongoing discoveries during his last two decades of work. Harville Hendrix, Ph.D., in partnership with his wife, Helen LaKelly Hunt, PhD., originated Imago Relationship Therapy, a unique healing process for couples, prospective couples, and parents. Together they have more than thirty years' experience as educators and therapists and their work has been translated into more than 50 languages, with Imago practiced by two thousand therapists worldwide. Harville and Helen have six children and live in New York and New Mexico.

Goodfinding William G. DeFoore Ph.D.,2022-11-03 What you pay attention to grows, and finding the good helps the good find you. You're born with a brilliant mind, but it doesn't come with a user's guide or an on-off switch. Left to its own devices, it can feel like your worst enemy when its survival-based default program keeps you focused on what is wrong with you and your world. This book is the user's guide that puts you in charge of how your mind works. With positive psychology and emotional intelligence working for you, you will become the conscious creator you were born to be. Goodfinding activates your brilliant mind with gratitude, appreciation, and optimism for your past, present, and future, deriving value and opportunity from all of your life experiences. William G. DeFoore, Ph.D., a mental health counselor for more than fifty years, shares this roadmap to help you achieve your desired outcomes. The premise of the book is that you have a good heart, and when you use your brilliant mind effectively, it will be in direct service to that inner goodness. Goodfinding will become your manual, guide, and companion as you expand into the best version of the person you choose to be. What you pay attention to grows, and finding the good helps the good find you.

Raising Gifted Children Catherine Zakoian,2025-06-17 Raise a happier, healthier gifted child—practical tools and advice for parents Gifted children can be identified as perplexing or troublesome long before they're identified as gifted. Many of the traits that characterize challenging gifted behaviors—such as intensity, sensitivity, and perfectionism—are simply shadows cast by a bright light within. Raising Gifted Children is filled with insights, guidance, up-to-date research, and practical advice to help parents better understand the inner world of their gifted child so they can help them flourish at home, school, and beyond. You'll start by learning the fundamentals of giftedness, from its characteristics to its strengths and challenges. Then, discover how to put your child's social-emotional and mental wellbeing at the center of resolving issues with conflict, procrastination, and motivation. You'll find information on how to navigate schooling to help find the best fit for your child, as well as advice for encouraging them to develop meaningful friendships. Raising Gifted Children includes: Understanding giftedness—Learn what defines giftedness, how it's expressed, and helpful info about twice- and multi-exceptionality. Parenting tools—Develop strategies for addressing your gifted child's emotional intensity, communicating effectively, and reflecting to find calm. Schooling strategies—Explore advice for school choice for your child, including homeschool, as well as tips for successful teacher meetings and creating educational plans. Be a strong, supportive parent to your gifted child with the essential guidance in this book.

Overcoming Passive-Aggression, Revised Edition Tim Murphy,Loriann Oberlin,2016-10-25 In Overcoming Passive-Aggression, Dr. Tim Murphy and Loriann Hoff Oberlin provide an in-depth look at a topic we've all faced but haven't always recognized: Hidden anger. When people don't express their views and feel compelled to conceal their true beliefs and

emotions, behaving in ways that don't match what they honestly think, there can be serious physical and psychological results for everyone involved. For the first time, Murphy and Oberlin offer a clear definition of passive-aggression and show readers not only how to end the behavior, but also how to avoid falling victim to other people's hidden anger. In clear, compassionate language, they cover everything from the childhood origins of the condition to the devastating effect it has on work and personal relationships to the latest research on the subject, and offer practical, proven strategies for the angry person as well as the individual who finds himself the target of someone else's passive-aggression.

The Social Work of Museums Lois H. Silverman, 2009-12-04 Museums may not seem at first glance to be engaged in social work. Yet, Lois H. Silverman brings together here relevant visitor studies, trends in international practice, and compelling examples that demonstrate how museums everywhere are using their unique resources to benefit human relationships and, ultimately, to repair the world. In this groundbreaking book, Silverman forges a framework of key social work perspectives to show how museums are evolving a needs-based approach to provide what promises to be universal social service. In partnership with social workers, social agencies, and clients, museums are helping people cope and even thrive in circumstances ranging from personal challenges to social injustices. *The Social Work of Museums* provides the first integrative survey of this emerging interdisciplinary practice and an essential foundation on which to build for the future. *The Social Work of Museums* is not only a vital and visionary resource for museum training and practice in the 21st century, but also an invaluable tool for social workers, creative arts therapists, and students seeking to broaden their horizons. It will inspire and empower policymakers, directors, clinicians, and evaluators alike to work together toward museums for the next age.

Love You to Death - Season 3 Crissy Calhoun, 2012-09-20 Essential guide to the cult TV hit *The Vampire Diaries*.

Living the Namaste Principle Doug Bill, 2018-10-11 Doug Bill traveled in the early 1970s to India and Nepal, where deeply moving experiences in overcrowded villages, along with later advanced studies in psychology and spirituality, awakened him to the oneness of all life. Those experiences planted the seeds for *Living the Namaste Principle*. It outlines his quest to awaken, access, and embody the awareness of the divinity within, both personally and professionally. Using personal, illustrative stories from his life and work, he details the Namaste Principle, which is simply defined—we are reflections of one another, eternally connected. Bill tells how this begins with the understanding that we are all linked, and the first step to loving others is to love oneself. Offering a simple and elegant primer on bringing a profound, spiritual truth into a hectic world, *Living the Namaste Principle* is an inspiring guide giving a profound approach to living with integrity, spirit, and love.

Summary of Harville Hendrix's Getting the Love You Want Everest Media,2022-03-23T22:59:00Z Please note: This

is a companion version & not the original book. Sample Book Insights: #1 When couples come to me for relationship therapy, I ask them how they met. Some people fall in love with such intensity, while others ease into a love relationship with a levelheaded friendship. #2 The exchange theory of mate selection says that we select mates who are more or less our equals. We size each other up as coolly as business executives contemplating a merger, noting each other's physical appeal, financial status, and social rank. #3 The three theories of romantic attraction explain why we have such different experiences with love, and why we tend to only be attracted to a few people. They suggest that we select a mate who will enhance our self-esteem, and that we should be attracted to people who are similar to us. #4 We all have a tendency to seek a partner with a specific set of positive and negative personality traits. We are compulsively searching for a mate with those traits, and if we don't find them, we will seek them in someone new.

Excel 2007 Matthew MacDonald, 2006-12-27 Microsoft Excel continues to grow in power, sophistication, and capability, but one thing that has changed very little since the early '90s is its user interface. The once-simple toolbar has been packed with so many features over the years that few users know where to find them all. Microsoft has addressed this problem in Excel 2007 by radically redesigning the user interface with a tabbed toolbar that makes every feature easy to locate and use. Unfortunately, Microsoft's documentation is as scant as ever, so even if users can find advanced features, they probably won't know what to do with them. *Excel 2007: The Missing Manual* covers the entire gamut of how to build spreadsheets, add and format information, print reports, create charts and graphics, and use basic formulas and functions. Like its siblings in the Missing Manual series, this book crackles with a fine sense of humor and refreshing objectivity about its subject, guiding readers through the new Excel with clear explanations, step-by-step instructions, lots of illustrations, and friendly, time-saving advice. It's a perfect primer for small businesses with no techie to turn to, as well as those who want to organize household and office information.
