Bhagavad Gita (in English) Hari Chetan, 2021-08-15 If there is one book that can claim to provide the solution to all problems of humanity, it is the holy Bhagavad Gita. Simply reading this book and comprehending the life-changing, ageless, and profound wisdom contained in its 701 magnificent verses is enough to change the path of one's life and bring it to the peak of perfection. That is why, after hearing this transcendental discourse of Lord Krishna, Arjuna exclaims to Him, "O Achyuta (The Changeless One), my delusion is destroyed, and my memory (about one's true identity) has been regained by me through Your grace. I am firmly situated; my doubts are gone. I will now act according to Your word." [Bhagavad Gita 18.73] The Bhagavad Gita is not a religious book and is not intended to be read and acted upon by the adherents of a particular religion. It's a guidebook for life; a how-to manual. It is a medicine for the infected souls of the Kali-Yuga, the dark age. And there is no religion in medicine. The Bhagavad Gita is the most sacred conversation ever between Lord Krishna and his friend Prince Arjuna just before the beginning of the great war of Mahabharata, on the holy battlefield of Kurukshetra, where the Lord enlightens a bewildered Arjuna about the biggest truths of the universe. This dialogue is considered to contain the nectar of all Vedic scriptures, the most ancient scriptures of the world. By reading the Bhagavad Gita, you will discover answers to the most important questions in life, such as: - Who are you? - What is your purpose in life and how to fulfill that purpose? - Is there a God? If yes, who is God, and how to know and reach Him? - Is God one or many? - What is your relationship with God? - What is death and why you do not need to fear death? - What happens after death? - Do heaven and hell exist? - Is reincarnation real? - What is Yoga? What are the different types of Yoga? How to be a Yogi? - How does the Law of Karma work? - Why are we all living life the wrong way? And how you can live your life the right way? - How to see yourself and your life from the right perspective? - How to master your mind and get rid of negative emotions like worry, fear, anger, jealousy, and sadness for good? - How to be always happy? - What is the most perfect method of meditation? Hari Chetan's translation of the Bhagavad Gita is the outcome of his two decades of experience in the field of Vedic philosophy. The following are some of the distinguishing aspects of this English translation: - All the verses of the Bhagavad Gita are accurately translated from the original Sanskrit texts. - The translations are presented in their authentic form, free from any sectarian bias. - The translations are kept simple without sacrificing accuracy, essence, and spirit. - The gaps arising while translating verses from Sanskrit to English have been taken care of to preserve the intended meaning of each verse. -

Context has been given due importance while establishing the meaning of each word with the aim of providing correct interpretation. - To facilitate self-explanatory translations, additional explanations are given in parentheses in the verses. - Additional explanations are provided in the form of notes at appropriate places. - The historical background of Mahabharata is included for perfect understanding. - To help you test your understanding, a printable workbook is included. All of this adds up to a complete translation of the holy Bhagavad Gita in English. Read This Book to Uncover The Secret Wisdom of the Bhagavad Gita and Change Your Life Forever!

The Bhagavadgita in the Nationalist Discourse Nagappa Gowda K.,2011-05-30 The Bhagavadgita has lent itself to several

readings to defend or contest various views on life, morality, and metaphysics. This book explores the role of the Bhagavadgita in the formation of nationalist discourse. It examines the ways in which the Gita became the central terrain of nationalist contestation, and the diverse ethico-moral mappings of the Indian nation. Focusing on Bankimchandra Chatterjee, Balgangadhar Tilak, Swami Vivekananda, Aurobindo Ghose, Mahatma Gandhi, Vinoba Bhave, and B.R. Ambedkar as the representatives of different strands of nationalist discourse, this volume probes their reflections on the Gita. The author also discusses with issues such as the relation between the nation and the masses, renunciation and engagement with the world, the ideas of equality, freedom, and common good, in the context of a nationalist discourse. He argues that the commentaries on this 'timeless' text opened up several possible understandings without necessarily eliminating one another.

SONG OF SCIENCE - SHRIMAD BHAGWAT GITA DR. B.G. MATAPURKAR,2020-12-19 Indians have a boasting habit that everything discovered in modern time has already been known to their ancestors. It can further be added that not only did scientific knowledge exist, but scientists of past civilization were much more advanced than the modern scientist. The truth gets unfolded when new modern discovery is explored such as embryonic Stem Cell discovery is scientifically scripted in the AADI PARV of MAHABHARAT. Growing babies outside the uterus and outside the human body. This is still to be discovered by modern science. Only patiently one must discover what is scripted in Vedic literature, understand and analyze it and correlate with modern science. It is surprising to see the seeds of all sciences and technology in ancient Vedic literature. Modern science is searching for God Particle after confirming "particle physics". In "Vaisheshik Darshan", Maharishi Kanada (7000 BC) has stated about particle Physics. Rishi Kanada included Soul as having particles. Is it indicating as God particle? Read this book to find out!

Yajurveda dr rajbali pandey,2008-12 Veda literally means knowledge in Sanskrit. It can't be said in the written form because it is certain that in that hoary past period writing had not been invented. Nevertheless, the four Vedas, viz. Rigveda, Saamveda, Yajurveda and Atharvaveda, are known to contain the pristine gems of Indian wisdom. They appear universally important because they constitute one of the first records of the human awakened experiences. They can be said to be the very fount of Indian wisdom. It is their status, apart from the contents, that made them universally popular.

Kalki Purana B.K. Chaturvedi,2024-05-28 Puranas are almost like an encyclopaedia listing the human achievements in this part of the world till the time they were edited or compiled. In every cycle of time the master editor called Vedavyas emerges to edit, vet and compile these records. Their significance is enormous even in the present, as they give a peep into the distant past of Hindus when the world was evolving and the psyche of the race was being formed. These puranas record the arguments that make us to decide as to what is holy and what is vile; what is good and what is bad. By going through them we can compare our present day jurisprudence vis-à-vis the ancient norms. Apart from that, they are a huge store-house of information conceiving every subject under the sun. It is with the view of unearthing these gems that the present series of the puranas has been planned.

Discovery of Prehistory Ancient India Dr. Jagat K. Motwani,2018-02-22 Nationalist and Revolutionary While a high school student, I actively participated in the Mahatma Gandhis 1942 movement Quit India. I felt disappointed because only a few prominent leaders like Gandhi and Nehru were imprisoned. On Sept. 9, 1945, under the patronage of the Dadu District British Collector, the town dignitaries including my grand father and Mr. Tuljaram Nagrani, the principal of the town High school, along with the matriculate students had assembled at the Hindu temple to celebrate the victory of the Allies at the WW II. Sweets were distributed. I threw the sweets on the floor. The reason I did this was not because I sided with the Axis powers. But because Indian soldiers were fighting for Britain, as India was not a free country. Next morning, the Principal got me in his office and whipped me several times on my palms and ordered me to leave the school and come back with my parent. The principal told my father that Jagat to pay a fine of Rs. 5 and threatened that in case of denial I will be rusticketed (expelled from school as a bad character student) and no school would admit me. I am proud of my father that he said that only Jagat to decide. I said that paying fine means admission of the guilt. In my opinion it was not a guilt. I, with recommendation of my class teacher Mr. Chandnani, got admission in the P. H. High School, Dadu, only about 50 miles away from my home town. In 1947 on the eve of partition, there was an accidentally bomb explosion in Karachi, suspected of an RSS activity. Several RSS leaders were arrested. A Khalsa police officer secretly alerted my grand father to hide me to avoid arrest. I, along with a few RSS pracharaks, secretly reached Karachi to take a ship for Okha, Gujarat, then train to Baroda. In 1948, Mahatma Gandhi was assassinated by Nathuram Godse. Because Godse was an RSS member, the whole RSS all over India was banned. I participated in the collective protest against the injustice of punishing the whole RSS organization because of the crime by its only one RSS member. Whole family can not be punished because of the crime of its one member. I was imprisoned in Baroda jail for four months. Thousands of RSS members all over India were imprisoned. Dr. Jagat K.
