Five Things Violet Paine, 2023-06-05 Promise me a lifetime ... After two years of living in the shadows, I force myself to leave my protective bubble and move to college. When I get there though, and come face to face with the casualty of the greatest mistake of my life, I have to wonder whether I've made the right decision. But then, as time moves on, I learn how to breathe again and that's not something I'm willing to give up on. Maverick may be determined to push me away-something I deserve-but all I want is to hold on to my freedom, and him, tighter. Will we find happiness with each other again, or are we destined to a lifetime of hurting one another? Five Things is a stand-alone, college, contemporary romance which contains heavier themes and situations that some readers may find triggering.

How to Analyze People on Sight The Five Human Types Elsie Lincoln Benedict, Ralph Paine Benedict, 2016-09-01 The most essential thing in the world to any individual is to understand himself. The next is to understand the other fellow. For life is largely a problem of running your own car as it was built to be run, plus getting along with the other drivers on the highway. From this book you are going to learn which type of car you are and the main reasons why you have not been getting the maximum of service out of yourself. Also you are going to learn the makes of other human cars, and how to get the maximum of co-operation out of them. This co-operation is vital to happiness and success. We come in contact with our fellowman in all the activities of our lives and what we get out of life depends, to an astounding degree, on our relations with him.
