Ecclesial Identification beyond Late Modern Individualism? Karl Inge Tangen, 2012-03-06 Why do some late modern churches grow, counter to the trend in Western Europe? Why do people identify with such churches – and does identification lead to morally transforming commitments beyond late modern consumerism? This case study investigates these questions based on ‘real life’ or empirical research, which include both the level of individual life strategies and organisational practice in two growing European churches. This innovative and interdisciplinary study draws on recent findings in theology, moral philosophy, sociology and organisational psychology. Its findings may prove useful not only for scholars in these disciplines, it may also enrich the reflection of practitioners who seek to perform the difficult art of transformational leadership in a late modern context.

The Misunderstood Ekpo Bassey, 2022-04-06 From the Garden of Eden, where blaming games originated and through that, our God has been misunderstood. This is the main theme of this book, that we see how God is viewed as the originator of our problems. In reality, He is there to protect and save us from all unrighteousness. The problem we have is that we do not exercise the patience to wait on God’s timing on whatever circumstances that we are challenged with. Therefore, we then apply human reasoning to our circumstances instead of viewing things in God’s perspective. To borrow my spiritual father Charles Stanley’s saying, we should obey God and leave all consequences to Him. If we learn to trust God and obey Him, even if it doesn’t seem favorable to our human reasoning, we are positioned to be successful. I have a strong confidence in the Lord that this book will open the eyes of people to see that God is a loving Father to all.

Meaning-Making in the Contemporary Congregational Song Genre Daniel Thornton, 2020-10-06 This book analyses the most sung contemporary congregational songs (CCS) as a global music genre. Utilising a three-part music semiology, this research engages with producers, musical texts, and audiences/congregations to better understand contemporary worship for the modern church and individual Christians. Christian Copyright Licensing International data plays a key role in identifying the most sung CCS, while YouTube mediations of these songs and their associated data provide the primary texts for analysis. Producers and the production milieu are explored through interviews with some of the highest profile worship leaders/songwriters including Ben Fielding, Darlene Zschech, Matt Redman, and Tim Hughes, as well as other music industry veterans. Finally, National Church Life Survey data and a specialized survey provide insight into individual Christians’

engagement with CCS. Daniel Thornton shows how these perspectives taken together provide unique insight into the current global CCS genre, and into its possible futures.

Worshipping Trinity Robin A Parry,2013-06-27 If worship is God centered, and God is the Trinity, then worship should be Trinity centered. 'Worshipping Trinity' explores the meaning and implications of that simple claim. Written for church leaders, worship leaders, and songwriters, as well as for those interested in theology, this volume explains why the Trinity matters so much and explores practical ways our worship can be made more Trinitarian. This second edition is fully updated and expanded.

Worshipping Trinity, Second Edition Robin A. Parry,2012-11-07 If worship is God centered, and God is the Trinity, then worship should be Trinity centered. Worshipping Trinity explores the meaning and implications of that simple claim. Written for church leaders, worship leaders, and songwriters, as well as for those interested in theology, this volume explains why the Trinity matters so much and explores practical ways our worship can be made more Trinitarian. This second edition is fully updated and expanded.

With God on Our Side Steven Félix-Jäger,2017-01-11 Rock and roll is more than just music. Rock is a culture and an ideology, which carries its own ethos. It is forcefully countercultural and exists as a bane in the sight of dominant Western culture. As rock engages and critiques culture, it invariably encounters issues of meaning that are existential and theological. A transformational theology of rock begins with those existential and theological issues raised by and within rock music. With God On Our Side attempts to respond to these queries in a way that is faithful to the work of the kingdom of God on earth by mining our long theological tradition and seeing what cohesive responses can be made to the issues raised by rock music. At its best, rock acknowledges there is something wrong with the world, raises awareness of marginalized voices, and offers an alternative mode of existence within our present reality. By teasing out the theological issues found in rock music, this book synthesizes the findings to create a distinctive cultural theology that is sensitive to the plight of the marginalized in the West. In this way, the book offers a way forward towards a transformational theology of rock and roll.

Music, Branding and Consumer Culture in Church Tom Wagner, 2019-10-16 Starting as a single congregation in Australia, Hillsong Church now has campuses worldwide, releases worship music that sells millions of albums and its ministers regularly appear in mainstream media. So, how has a single church gained such international prominence? This book offers an ethnographic exploration of the ways in which music and marketing have been utilised in the pursuit and production of spiritual experience for members of Hillsong Church. An experience that has proven to be incredibly popular. The main theme of this book is that marketing, specifically branding, is not just a way to sell religion, but rather an integral part of spiritual experience in consumer society. Focussing on the London Hillsong church as a case study, the use of its own music in tandem with strong branding is shown to be a co- and re-productive method of organizing, patterning, and communicating information. The church provides the branded material and cultural context in which participants' sacred experience of self unfolds. However, this requires participants to do the work to properly understand, and ultimately embody, the values associated with the brand. This book raises important questions about the role of branding and music in forming modern sacred identities. As such, it will be of great interest to scholars of Religious Studies, Ethnomusicology and Media Studies.

Counterfeit Kingdom Holly Pivec, R. Douglas Geivett, 2022-11-15 Is there a new reformation happening in the church? It depends on who you ask. The New Apostolic Reformation (NAR) is a popular and fast-growing new movement of Christians

who emphasize signs and wonders, and teach that God is giving new revelation through new apostles and prophets. But is this biblical Christianity? In *Counterfeit Kingdom*, apologists and NAR experts Holly Pivec and Douglas Geivett show how the NAR's key tenets distort the gospel, twist the Scriptures, are influenced by New Age practices, and lead faithful Christians to shipwreck their faith. They also offer practical suggestions for readers who are already influenced by the NAR, curious about it, or concerned about loved ones who have been swept up in the movement. What used to be on the fringes of the church is now mainstream, and many are being influenced by it unaware. This book is a wake-up call.

The Hillsong Movement Examined Tanya Riches, Tom Wagner, 2017-11-02 This interdisciplinary volume brings together leading writers and thinkers to provide a critique of a broad range of topics related to Hillsong Church. Hillsong is one of the most influential, visible, and (in some circles) controversial religious organizations/movements of the past thirty years. Although it has received significant attention from both the academy and the popular press, the vast majority of the scholarship lacks the scope and nuance necessary to understand the complexity of the movement, or its implications for the social, cultural, political, spiritual, and religious milieus it inhabits. This volume begins to redress this by filling important gaps in knowledge as well as introducing different audiences to new perspectives. In doing so, it enriches our understanding of one of the most influential Christian organizations of the late 20th and early 21st centuries.

Streams of Light from a Heart Broken Julie Grant, 2022-03-27 After Julie Grant's husband, John, died abruptly, she found herself in that allegorical valley and discovered her faith was the only source of light that could pierce the darkness. In *Streams of Light from a Heart Broken*, she narrates the story of her journey. Throughout this devotional, Grant acknowledges that grief is hard. There is absolutely no part of grieving that is remotely pleasant. It is not a systematic, box-ticking list of emotions you proceed through to completion. Grieving, like living, is a process determined by the choices you make on the journey, and there are always choices. *Streams of Light from a Heart Broken* addresses the questions: Where do you turn when the darkness overwhelms? Who do you turn to? How do you extend grace when words meant for comfort leave you deeply wounded? Is forward momentum even possible? Through her experiences, Grant hopes her words encourage others as they seek the brightest light in their darkest night.

40 Days with Jesus Leith Anderson, Daniel Collison, 2006 The Igniting Worship Series consists of resources designed to assist pastors and worship leaders in building effective worship experiences. This volume contains seven unique and complete acts of worship appropriate for use during the Lenten season. The Spirit and the Song Steven Félix-Jäger, Chris E. W. Green, 2024-09-16 *The Spirit and the Song: Pneumatological Reflections on Popular Music* explores pertinent pneumatological issues that arise in music. It offers three distinct contributions: first, it asks what, if anything, music tells listeners about God's Spiritedness. Can the experience of music speak to human spiritedness, the world's transcendentality, or a person's own self-transcendence in ways nothing else does or can? Second, this book explores how the Spirit functions within, and even determines, culture through music. Because music is a profound human expression, it can find itself in a rich dialogue with the Spirit. Third and finally, this book explores the contested status of music in Christian spiritual traditions. It deals with music as inspired by the Spirit, music as participation in Spiritedness, and music as temptation of "the flesh." As such, this book also engages music's placement in Christian spiritual traditions. The contributors of this book ask how Christian convictions about and experiences of the Spirit might shape the way one thinks about music.

Into His Presence Timothy L. Anderson, 2019-07-30 A theologically grounded treatment of what it means to be close to God Numerous Christian books aim to provide guidance on relationships with God, but few base their conclusions on a biblical theology of intimacy. In this volume, Tim Anderson develops a biblical and holistic portrait of nearness to God, exploring key themes like God's Trinitarian union, the fall, God's fatherhood, marriage imagery, suffering, and our relationship with the Holy Spirit. A concluding chapter examines contemporary Christian songs that address oneness with God and evaluates their theological messages in light of the previous chapters. *Into His Presence* is a helpful guide for

pursuing intimacy with God and distinguishing contemporary cultural understandings of close relationships from those communicated in Scripture.

The Cross Is Not Enough Ross Clifford, Philip Johnson, 2012-01-01 If Christ had not risen from the dead, if God's plan for redemption had ended at the cross, what would our faith look like? Have we become so fixated on the cross that we have lost an understanding of the centrality of the resurrection? And if we ignore the resurrection, what effect does that have on our worldview, our evangelism, and our Christian practice? In *The Cross Is Not Enough*, Ross Clifford and Philip Johnson explore how the resurrection of Christ has been understood in times past and restore this linchpin doctrine to its rightful place as the basis of our hope, our worldview, and the way we live our lives. They compare Christianity's unique understanding of resurrection to other world religions and explore why the resurrection connects so readily with the human psyche. Pastors, teachers, students, and anyone involved in ministry will benefit from this insightful and engaging treatment of Christianity's most important doctrine.

Congregational Music-Making and Community in a Mediated Age Anna E. Nekola, Tom Wagner, 2016-05-23 Congregational music can be an act of praise, a vehicle for theology, an action of embodied community, as well as a means to a divine encounter. This multidisciplinary anthology approaches congregational music as media in the widest sense - as a multivalent communication action with technological, commercial, political, ideological and theological implications, where processes of mediated communication produce shared worlds and beliefs. Bringing together a range of voices, promoting dialogue across a range of disciplines, each author approaches the topic of congregational music from his or her own perspective, facilitating cross-disciplinary connections while also showcasing a diversity of outlooks on the roles that music and media play in Christian experience. The authors break important new ground in understanding the ways that music, media and religious belief and praxis become 'lived theology' in our media age, revealing the rich and diverse ways that people are living, experiencing and negotiating faith and community through music.

For Such a Time as This Kayleigh McEnany, 2021-12-07 Kayleigh McEnany describes her path to the White House podium, bringing the reader behind the scenes in the world's most powerful building and illuminating how faith got her through. If you would have told me that in the year 2020 I would stand at the White House podium and communicate with the American people as COVID-19 ravaged the globe and violent protests beset the nation, I would have told you that you were crazy. But Jesus Christ had this very plan for my life. From White House intern to White House press secretary, from production assistant to national television host, from Catholic all-girls high school to Harvard Law School, God has guided my path through uncharted territory. In *For Such a Time as This*, I will chronicle my journey to the White House and offer never-before-told anecdotes about what really happened within the Trump administration. You will experience some of the most high stakes moments in the West Wing right alongside me as I reveal how faith got me through.

Trust Me, I've Got This Lauren VonCannon,2020-09-29 While growing up I struggled immensely with my sexuality and faith. I grew up in church, went to a Christian university, but desired a homosexual lifestyle; I grew up as a Christian but lived divided in my heart. I walked away from God for years because I wanted what felt good and right to me. I was searching for satisfaction in the desires of my heart and it wasn't until I hit rock bottom that I turned fully to God to fulfill that desire. When God asked me why I wasn't turning to Him as my full source of satisfaction, I told Him, "Trust me, I've got this." It was absurd and arrogant, but a profound insight into the true reality of where my soul stood. I wanted love and acceptance, but the gratification that these things brought was never enough to appease my thirsting soul. While I was running from God, He never stopped pursuing me. He just wanted my heart. He wanted to show me that He was everything I was looking for and more. God doesn't stop caring for us and will always be there when we realize this world isn't enough.
