Chosen Nations Christina L. Littlefield,2013-09-01 At the heart of the biblical myth of chosenness is the idea that God has blessed a people to be a blessing to others. It is a mission of solemn responsibility. The six British and American thinkers examined in this study embraced the myth of chosenness for their countries, believed that the liberties they enjoyed were inherently tied to their Protestant faith, and that it was their mission to protect and spread that faith, and its democratic fruit, at home and abroad.

Christmas Belle Mary Balogh, 2019-12-03 Jack Frazer is resigned to spending Christmas in the country with his family, even knowing that his grandmother has invited a young lady and her family with the specific intention of matchmaking for him. His grandmother has also invited the newly widowed Isabella, Comtesse de Vacheron, an acclaimed actress, and her two children. The whole family is delighted to have the comtesse among them to enliven their traditional family theatricals. All except Jack, that is. He once lived with Isabella for a whole year and has been unable to forget her in the nine years since.

The Incurable Matchmaker Mary Balogh, 2019-09-03 The Marquess of Kenwood, a notorious libertine, finds himself accepting a rash wager one night at his club when he is drunk. For five hundred guineas he agrees to woo and bed any woman his adversaries care to name—within a month. They choose Diana Ingram, a beautiful widow of unassailable virtue. As luck would have it, he has been invited to the same house party as she and will have ample opportunity to win his bet. Diana is ready to marry again. But she is certainly not going to encourage the advances of Jack, Marquess of Kenwood, especially when her first unfortunate encounter with him on the road to her mother- and father-in-law's party tells her all she needs to know about the sort of man he is. Unfortunately for Diana, and perhaps for Jack too, her mother-in-law is an incurable matchmaker and has decided that the two of them would be perfect for each other.

The First Snowdrop Mary Balogh, 2019-12-03 Alexander Stewart, Viscount Merrick, is honor-bound to marry Anne Parrish after a snowstorm strands them alone together overnight. But nothing is going to force him into living with her when he believes she deliberately ensnared him. He settles her on his country estate and does not see her again until his grandmother, determined to bring them back together, invites Anne to join the whole family at a house party in honor of her Golden Wedding anniversary. Alexander finds Anne much changed, and he discovers that his feelings toward her are

changing too. But will his angry, newly confident wife allow herself to be wooed?

The Obedient Bride Mary Balogh, 2020-06-02 Geoffrey, the new Viscount Astor, needs a wife. Since he sets no great store by love and romance, he decides it would be eminently sensible to offer marriage to one of the three daughters of his predecessor. He has never met any of them and has no preference. He leaves the choice to them and their mother. Arabella, the middle daughter, volunteers to make the sacrifice and marry the earl since her older, far more lovely, sister is already in love with someone else. She prays that he will be an older man of few attractions, for she sees herself as plain and uninteresting. She is dismayed to discover that Geoffrey is, in fact, young, handsome, and fashionable. She vows to be a dutiful, obedient wife and to devote her life to making him comfortable. Arabella's plan seems to be working nicely for both Geoffrey and herself—until, that is, she discovers something about him that shocks her to the core. It is an offense she considers quite unforgivable. And when Arabella makes up her mind about something, she is not easily persuaded to change it. Geoffrey is finally shaken out of his complacency to the discovery that his wife means far more to him than he had realized. But how is he to win her back when she flatly refuses to be wheedled out of her outrage?

A Gift of Daisies Mary Balogh, 2021-04-06 Lady Rachel Palmer, young, beautiful, vivacious, and wealthy, is a huge success with London society. She hides from everyone an inner restlessness, a nagging suspicion that something is missing from her life. Some sense of purpose. Some substance to counter the frivolity of her days. David Gower, tall, dark, handsome, but an impoverished second son, was once unsettled and rebellious as he searched for something to give his life focus. Now, as a young clergyman with a new parish to serve, he has found what he was looking for and, with it, contentment and real happiness... ..until, that is, he meets and falls in love with Rachel. Marriage to her is impossible, however. She is too far above him socially and too attached to her life of gaiety and wealth and privilege. David has nothing of value to offer her except a life committed to service and poverty. His love cannot possibly be enough. But Rachel, as deeply in love with David as he is with her, has other ideas. Perhaps life as a vicar's wife is exactly what will suit her. How dare he presume to tell her otherwise? How can he know what will make her happy? How can he, a clergyman, possibly suggest that in some circumstances love may not be enough? And if he cannot afford to woo her with expensive bouquets of flowers, then let him pick her a bunch of daisies.

The Last Waltz Mary Balogh, 2020-11-24 Gerard Percy, the new Earl of Wanstead, dreads returning home to Thornwood, where the widow of his predecessor lives with her two children. He has unhappy memories of Christina, the widowed countess. But it is Christmas, and he decides to take a houseful of guests with him to make his return easier. For her part, Christina feels an equal dread of seeing Gerard again, ten years after she renounced him in order to marry his strict, puritanical—but seemingly safe—cousin. She is horrified when she learns about the guests and the fact that Christmas this year is to be a bright and merry occasion, for her late husband would allow no frivolity of any kind in their life. And so they

meet again, these two former lovers who have bitterly resented each other for ten years—but never forgotten each other.

Secrets of the Heart Mary Balogh,2021-02-02 George, Duke of Cranwell, and his duchess's separation led to a bitter divorce and social ostracism for Sarah, who, unable to divulge to him the secrets of her heart, told instead the lies he expected to hear. Now, four years later, the duke and Sarah Fifield meet again in Bath and are thrown together by the unfortunate fact that the lady with whom Sarah is living as companion is a close friend of the grandmother of George's new fiancée. Against all the odds and wisdom itself, Sarah and George seem fated to fall in love all over again. Yet the old secrets remain and come back to haunt Sarah in the form of the man who destroyed her innocence years ago and now threatens that of George's sister and even of his fiancée. Sarah, it seems, may have to sacrifice her own chance of happiness once more in order to protect that of the man she has never stopped loving. Unless, that is, he can uncover the truth and protect her.
