Simple Ryan Martyr, 2017-01-24 My book, Simple, speaks about how simple it is to be happy. This book is a reminder that life isn't meant to be so hard and tough. It is meant to be a journey full of ups and downs, which we need to enjoy just like we enjoy a roller-coaster ride. Yes, easier said than done, but it is possible. Life is actually so simple according to me that I didn't need to write a big book. It's possible for each one of us to enjoy this life if we understand what is happening at the root level and how to make the necessary changes. I have also written the book in a conversational manner. This way, I feel I can connect more to my reader and vice versa. The book is actually all about the conversations I had with myself and so I have tried my best not to lose the honesty and simplicity of the conversation. This book can be used as a tool book whenever the reader feels the need to simplify or understand what is happening around them.
