**Nehemiah ROGERS**

**The Mercy of Gods** James S. A. Corey, 2024-08-06 From the New York Times bestselling author of the Expanse comes a spectacular new space opera that sees humanity fighting for its survival in a war as old as the universe itself. □ “Masterful . . . This is space opera at its best.” – Publishers Weekly (starred review) The start of something truly epic. — Fonda Lee, author of Jade City How humanity came to the planet called Anjiin is lost in the fog of history, but that history is about to end. The Carryx – part empire, part hive – have waged wars of conquest for centuries, destroying or enslaving species across the galaxy. Now, they are facing a great and deathless enemy. The key to their survival may rest with the humans of Anjiin. Caught up in academic intrigue and affairs of the heart, Dafyd Alkhor is pleased just to be an assistant to a brilliant scientist and his celebrated research team. Then the Carryx ships descend, decimating the human population and taking the best and brightest of Anjiin society away to serve on the Carryx homeworld, and Dafyd is swept along with them. They are dropped in the middle of a struggle they barely understand, set in a competition against the other captive species with extinction as the price of failure. Only Dafyd and a handful of his companions see past the Darwinian contest to the deeper game that they must play to survive: learning to understand – and manipulate – the Carryx themselves. With a noble but suicidal human rebellion on one hand and strange and murderous enemies on the other, the team pays a terrible price to become the trusted servants of their new rulers. Dafyd Alkhor is a simple man swept up in events that are beyond his control and more vast than his imagination. He will become the champion of humanity and its betrayer, the most hated man in history and the guardian of his people. This is where his story begins. Corey is always one of the most engaging voices in the genre. — Adrian Tchaikovsky, author of Children of Time A bang up read. I want more. — Paolo Bacigalupi, author of The Water Knife A powerful, provocative masterpiece that I will be thinking about for a very long time. — Ryka Aoki, author of Light from Uncommon Stars

It shows practical demonstration of God's mercy to sinners, the oppressed, the poor, those in dangerous (13)situations, the sick, among others, who look up to Him for mercy; all to bring man into a perpetual covenant relationship with God. The book also points out mercy facilitators. That is, those things you can do to attract God's mercy with its numerous benefits. These include, being merciful yourself as God your heavenly Father is; living holy life, fearing, loving and serving God; taking good care of servants of God; having a right disposition to life; and making request for God's mercy in humility.The book urges those that are still outside the fold of Christ to first invite Jesus Christ into their life as Lord and Saviour. In its last chapter the book states what can make you become a man with bowels of mercy, living in the miraculous.
