Pandora's Poetry Keerti Gupta,2019-10-04 Pandora was told that the box was dangerous, menacing, and evil. But here's what she wasn't told—it isn't the box that is dangerous; it's the idea of locking up its insides that is. Taboo and stigma have conquered the narrative of womanhood to such an extent that women often feel devoid of their own qualities. Pandora's Poetry is a collection of poems that aims to unleash the truths of womanhood in an unapologetically authentic manner. Embedded with Indian context, and constantly borrowing elements from other cultures, this collection of poetry explores menstruation, patriarchy, abuse, body image, toxic masculinity, and resilience with beacons of hope and unyielding power. Open the box and be amazed by the liberation you'll find sedentarily sleeping within its interiors.

About the Innermost Samuel Widmer Nicolet,2016-09-10 Man vergisst es manchmal fast vor lauter Auseinandersetzung mit den Konflikten, die zwischen den Menschen zu lösen sind, vor allen Wundern aber auch, die sich erschliessen, wenn man der Entfaltung des Gesunden im Strang des Gemeinsamen folgt: Es gibt noch das Allertiefste, das Allerhöchste, das Allerinnerste, das, was man nur im Alleinsein, in der tiefen meditativen Erschliessung seines Innern findet, nämlich die Möglichkeit, dass sich unser Wesen ausdehnt, ausdehnt über alle Grenzen hinaus, dass wir erwachen für das Ganze, dass nicht nur unser Herz, sondern auch unser Kopf sich öffnet und alles, alles umfasst im einen grossen Mitgefühl, dass sich unser Bewusstsein ausfaltet und den ganzen Kosmos umspannt, das All, das Eine, und Liebe und Stille ist, jenseits oder inseits von allem.

Freedom Jaycee Dugard,2016-07-12 In the follow-up to her #1 bestselling memoir, A Stolen Life, Jaycee Dugard tells the story of her first experiences after years in captivity: the joys that accompanied her newfound freedom and the challenges of adjusting to life on her own. When Jaycee Dugard was eleven years old, she was abducted from a school bus stop within sight of her home in South Lake Tahoe, California. She was missing for more than eighteen years, held captive by Philip and Nancy Garrido, and gave birth to two daughters during her imprisonment. In A Stolen Life Jaycee told the story of her life from her abduction in 1991 through her reappearance in 2009. Freedom: My Book of Firsts is about everything that happened next. "How do you rebuild a life?" Jaycee asks. In these pages, she describes the life she never thought she would live to see: from her first sight of her mother to her first time meeting her grownup sister, her first trip to the dentist to her daughters' first day of school, her first taste of champagne to her first hangover, her first time behind the wheel to her first speeding ticket, and her first dance at a friend's wedding to her first thoughts about the possibility of a future relationship. This raw and inspiring book will remind you that there is, as Jaycee writes, "life after something tragic happens...Somehow, I still believe that we each hold the key to our own happiness and you have to grab it where you can in whatever form it might take." Freedom is an awe-inspiring memoir about the power we all hold within ourselves.

SEIZE THE OPPORTUNITY, OPEN THE CHAMPAGNE Sujit Sengupta,2021-06-08 Seize the Opportunity, Open the Champagne is a collection of short anecdotes during the author's work life, from the early 1970s till 2021, covering a wide variety of workplaces. Each story offers an insight of a management theory noted at the end that can be related to, making it useful in a different way. From Front-end to Leadership, there are many lessons that an aspiring individual can learn, with one common theme running from the beginning to end, that everybody and anybody can win. Even the stories from outside contributors that find place in this book share the same worth. The inspiring quality never fails to impress even a casual reader who will find these 200 pages interesting, like a spread of Chinese, Mughlai and Indian regional delicacies in one platter, to be savored slowly, over a period of time, or all at one go. It's their choice.

Inspiration Point Too Judy Hunt,2022-02-09 This follow-up book from my first publication, Inspiration Point, is my continuing writing of poems, prayers, and reflections that have taken me through a time period of loss of elderly parents, moving, financial struggle, disasters, and a worldwide pandemic. As I have gotten older, I see the importance more and more of sharing my love of God, family, friends, and our world with others through my writing. The writings are my connection with God and His connection, through me, to others. By sharing my personal experiences through my writing, I am hoping that others will know that they are not alone in their feelings and struggles and that God is always there to get them through anything.

The History of Women's Mosques in Chinese Islam Maria Jaschok,Shui Jingjun Shui,2013-10-11 This is a study of Chinese Hui Muslim women's historic and unrelenting spiritual, educational, political and gendered drive for an institutional presence in Islamic worship and leadership: 'a mosque of one's own' as a unique feature of Chinese Muslim culture. The authors place the historical origin of women's segregated religious institutions in the Chinese Islamic diaspora's fight for survival, and in their crucial contribution to the cause of ethnic/religious minority identity and solidarity. Against the presentation of complex historical developments of women's own site of worship and learning, the authors open out to contemporary problems of sexual politics within the wider society of socialist China and beyond to the history of Islam in all its cultural diversity.

Thought Provoking Essays Ziauddin Ahmed,Tasneem Zia,2006-10 Evolution of thought leads to progress, and a balanced evolution is necessary for a durable effect. Balanced evolution is brought about by incorporating experiences and time tested ideas of the past into the practice of the present. This may eventually bear fruit in the future. A new age perspective is needed for the examination of even the axioms of the past. There is no need to tamper with them as they are for all time; yet their dimensions can be grasped differently and they can be understood in the context of the present situation, giving a new perspective to the existing scenario and a new glow to the future. Readers looking for a different approach to Islam and religion in general will, perhaps, find the essays interesting and cajoling. As learning is a two way street it is hoped that an interaction can be established between various groups of religious thoughts. Gone are the times when one could live in isolated compartments. Globalization has made it imperative to examine and understand others point of view in an atmosphere of accommodation and tolerance. Each one of us has to first see our own ideas in the present light, and then adjust them to match the change accompanying the inevitable evolution of the triad of the Mind, Body and Soul.

Because the Sooner you will reach the top, the faster you can fall on the ground. So let us all be careful and maintain our dignity. I have been hopeful however, I have had many setbacks.
