

Biff Christs Childhood Pal

Christopher Moore

Lamb Christopher Moore,2002-03-01 A bold, hilarious, speculative novel fills in the lost years of Jesus life, told from the perspective of Biff, Christ's childhood best buddy. By the author of *The Lust Lizard of Melancholy Cove*.

Lamb Christopher Moore,2009-10-13 Everyone knows about the immaculate conception and the crucifixion. But what happened to Jesus between the manger and the Sermon on the Mount? In this hilarious and bold novel, the acclaimed Christopher Moore shares the greatest story never told: the life of Christ as seen by his boyhood pal, Biff. Just what was Jesus doing during the many years that have gone unrecorded in the Bible? Biff was there at his side, and now after two thousand years, he shares those good, bad, ugly, and miraculous times. Screamingly funny, audaciously fresh, *Lamb* rivals the best of Tom Robbins and Carl Hiaasen, and is sure to please this gifted writer's fans and win him legions more.

Lamb Christopher Moore,2002

Lamb Christopher Moore,2003-11-01 A humorous, speculative novel fills in the lost years of Jesus' life, told from the perspective of Biff, his childhood best friend.

[The Blackwell Companion to Jesus](#) Delbert Burkett,2013-11-11 *The Blackwell Companion to Jesus* features a comprehensive collection of essays that explore the diverse ways in which Jesus has been imagined or portrayed from the beginnings of Christianity to the present day. Considers portrayals of Jesus in the New Testament and beyond, Jesus in non-Christian religions, philosophical and historic perspectives, modern manifestations, and representations in Christian art, novels, and film Comprehensive scope of coverage distinguishes this work from similar offerings Examines both Christian and non-Christian perspectives on Jesus, including those from ethnic and sexual groups, as well as from other faiths Offers rich and rewarding insights which will shape our understanding of this influential figure and his enduring legacy

[The Magi](#) Eric Vanden Eykel,2022 *The Magi* examines the Magi story, its enrichments and expansions in apocryphal writing and early Christian preaching, its artistic expressions, and its modern legacy in writing and music. The book explores the fascination the Magi story elicits in both ancient and modern readers and what the legacy tells us about its storytellers--and ourselves.

The Anachronistic Turn Stephanie Russo,2023-12-01 *The Anachronistic Turn: Historical Fiction, Drama, Film and Television* is the first study to investigate the ways in which the creative use of anachronism in historical fictions can allow us

to rethink the relationship between past and present. Through an examination of literary, cinematic, and popular texts and practices, this book investigates how twenty-first-century historical fictions use creative anachronisms as a way of understanding modern issues and anxieties. Drawing together a wide range of texts across all forms of historical fiction – novels, dramas, musicals, films and television – this book re-frames anachronism not as an error but as a deliberate strategy that emphasises the fictionalising tendencies of all forms of historical writing. The book achieves this by exploring three core themes: the developing trends in the twenty-first century for creators of historical fiction to include deliberate anachronisms, such as contemporary references, music and language; the ways in which the deliberate use of anachronism in historical fiction can allow us to rethink the relationship between past and present; and the way that contemporary historical fiction uses anachronism to better understand modern issues and anxieties. This book will appeal to students and scholars of historical fiction, contemporary historical film and television studies, and historical theatre studies.

The Actual Jesus Tina Pippin, 2025-07-29 This book moves away from the traditional historical and theological studies of Jesus to incorporate a variety of theoretical and material approaches, across centuries and diverse, global cultures. Through fiction and film, the connections are made with contemporary issues—such as borders, asylum seekers, farmworker activism, colonialism, violence, misogyny, civil war, and nuclear proliferation—with a focus on the appearances of the “actual Jesus” in these worlds. The Jesus in this study is explored in particular connections with the stories of baptism, wilderness experience, ascension, and apocalypse. What is found is often confusing, challenging, surprising, and disturbing, like the Jesus of the gospels.

Me, Myself & I Thomas McCavour, 2016-11-23 What does an 86 year old author do when he looks back on his life? He writes a memoir. *Me, Myself & I* is a collection of memories about the events in the life of Thomas McCavour, the people that he met and a description of the times, over a period of eight decades, beginning in the 1930s. The front cover of the book contains a portrait collage of the family members that form his branch of the family tree....

Tantalizing Tidbits for Teens 2 Ruth Cox E. Clark, 2007-08-15 Volume II has more engaging, motivating, and meaningful titles and activities to share with your students. Impact literacy in your school by inspiring even the most reluctant students to pick up books and read. This popular book includes curriculum-related activities for educators to pick up and use right away to meet national standards and raise students' test scores. Find age-appropriate titles on the American Library Association (ALA) and International Reading Association (IRA) recommended reading lists for your students.

(Profanity)?! How I Went from an Atheist to Quantum Wizard in Less Than a Decade! Joshua Ramay, 2016-02-26 This is a story of awakening to the realities of Spirit and what might happen while racing down the rabbit hole of weirdness called modern metaphysics (physics of love). How could a person become an energy-healing evangelist after being a left-brained, sophistry-drenched atheist? It happened to me, my friend. The awakening arrived in an unexpected instant, but what

also surprised me were the many bizarre events, grace-filled miracles, and education that followed for almost a decade. So heres what happened This book is fantastic! I thoroughly enjoyed reading it and feel that it will help many people. Although our individual journeys in life are completely unique and in fact Self-Designed, there are many helpful signposts that you can encounter on the way if you simply ask for them! This book can be one of those for you. A captivating and amusing rollicking read! Highly recommended! Thanks for the very generous and loving portrayal of the Matrix Energetics experience! --
Richard Bartlett DC, ND

Those Outside George Aichele, Richard G. Walsh, 2005-11-08 Uses film and literature to engage the biblical texts and demonstrates the ways that the boundaries of canons are artificial and unhelpful. >

Best Books for Young Adults Holly Koelling, 2007-08-13 Rev. ed. of: Best books for young adults / Betty Carter, with Sally Estes and Linda Waddle. 2nd ed. c2000.

Beyond Cadfael Lucy C. Barnhouse, Winston Black, 2023-06-01 Medievalism and medieval medicine are vibrant subfields of medieval studies, enjoying sustained scholarly attention and popularity among undergraduates. Popular perceptions of medieval medicine, however, remain understudied. This book aims to fill that lacuna by providing a multifaceted study of medical medievalism, defined as modern representations of medieval medicine intended for popular audiences. The volume takes as its starting point the fictional medieval detective Brother Cadfael, whose observations on bodies, herbs, and death have shaped many popular conceptions of medieval medicine in the Anglophone world. The ten contributing authors move beyond Cadfael by exploring global medical medievalisms in a range of genres and cultural contexts. Beyond Cadfael is organized into three sections, the first of which engages with how disease, injury, and the sick are imagined in fictitious medieval worlds. The second, on doctors at work, looks at medieval medical practice in novels, films and television, and public commemorative practice. These essays examine how practitioners are represented and imagined in medieval and pseudo-medieval worlds. The third section discusses medicine designed for and practiced by women in the Middle Ages and today, with a focus on East Asian medical traditions. These essays are guided by the recognition that medieval medical practices are often in dialogue with contemporary medical practices that fall outside the norms of Western biomedicine.

Healing the Ravaged Soul Sue Magrath, 2017-01-26 Why does God hate me? How can I believe in a God who has allowed my suffering? These are just two of the difficult spiritual questions that survivors of child sexual abuse struggle with. In addition, survivors often have mixed feelings about the church because of perceived judgment and indifference, their own shame, or their discomfort with certain aspects of worship. Of the many after-effects of sexual abuse, spiritual wounds are the least talked about, yet they are central to adult survivors who seek to heal and find faith and meaning in their lives. With grace and gentleness, this book seeks to answer survivors' spiritual questions and address some of the common misconceptions that often develop when young victims attempt to understand what has happened to them. Healing the

Ravaged Soul explores the origins of their spiritual issues with clear psychological insights and guides survivors on a spiritual journey toward healing, wholeness, and a deeper relationship with God.

Spirituality in Young Adult Literature Patty Campbell,2015-06-24 In a time when almost any gritty topic can be featured in a young adult novel, there is one subject that is avoided by writers and publishers. Faith and belief in God seldom appear in traditional form in novels for teens. The lack of such ideas in mainstream adolescent literature can be interpreted by teens to mean that these matters are not important. Yet a significant part of growing up is struggling with issues of spirituality. The underlying problem, of course, is that there are so few writers who are willing to talk to teenagers about God, even indirectly, or who themselves have the religious literacy for the task. *Spirituality in Young Adult Literature: The Last Taboo* tackles a subject rarely portrayed in fiction aimed at teens. In this volume, Patty Campbell examines not only realistic fiction, but young adult literature that deals with mysticism, apocalyptic end times, and even YA novels that depict the Divine Encounter. Campbell maintains that fantasy works are inherently spiritual, because the plots nearly always progress toward a showdown between good and evil. As such, the author surmises that the popularity of fantasy among teens may represent their interest in the mystical dimensions of faith and the otherworldly. In this study, Campbell examines works of fiction that express perspectives from Christianity, Judaism, Islam, Buddhism, Hinduism, and Sikhism. Distinguished YA novelist Chris Crowe provides a chapter on Mormon values and Mormon YA authors and how their novels integrate those values into their books. By looking at how spirituality is represented in novels aimed at teens, this book asks what progress, if any, has been made in slaying the taboo. Although most of the books discussed in this study are recent, an appendix lists YA books from 1967 to the present that have dealt with issues of faith. A timely look at an important subject, *Spirituality in Young Adult Literature* will be of interest to young adult librarians, junior and senior high school teachers, and students and instructors of college courses in adolescent literature, as well as to parents of teens.

Christianity and the Triumph of Humor Bernard Schweizer,2019-07-17 This book traces the development of religious comedy and leverages that history to justify today's uses of religious humor in all of its manifestations, including irreverent jokes. It argues that regulating humor is futile and counterproductive, illustrating this point with a host of comedic examples. Humor is a powerful rhetorical tool for those who advocate and for those who satirize religious ideals. The book presents a compelling argument about the centrality of humor to the story of Western Christianity's cultural and artistic development since the Middle Ages, taking a multi-disciplinary approach that combines literary criticism, religious studies, philosophy, theology, and social science. After laying out the conceptual framework in Part 1, Part 2 analyzes key works of religious comedy across the ages from Dante to the present, and it samples the breadth of contemporary religious humor from Brad Stine to Robin Williams, and from Monty Python to South Park. Using critical, historical, and conceptual lenses, the book exposes and overturns past attempts by church authorities, scholars, and commentators to limit and control laughter based

on religious, ideological, or moral criteria. This is a unique look into the role of humor and comedy around religion. It will, therefore, appeal to readers interested in multiple fields of inquiry, including religious studies, humor studies, the history of ideas, and comparative literature.

The Breakout Novelist Donald Maass,2015-01-01 The must-have reference for novel writers! If you're serious about transforming your writing into vibrant, engaging, and marketable fiction, you've found the right book. The Breakout Novelist gives you the craft and business know-how you need to make your stories stand out. Veteran literary agent Donald Maass brings together the best innovative and practical information from his previous books and workshops to help you set your novel apart from the competition. Maass shares examples from successful and contemporary writers across all genres to equip you with strategies for crafting compelling fiction--from core elements like character, setting, description, and plot, to more advanced techniques including theme, tension, and suspense. Plus, you'll find over 70 practical exercises to help you evaluate your writing to the breakout level. You'll also learn from Maass's experiences from more than three decades in the publishing industry. Get straight talk from an insider about agents, contracts, industry changes, and how to be the kind of author who builds a successful career book after book. If your goal is to craft powerful stories that capture your audience's attention from the first page to the last, then The Breakout Novelist is an indispensable reference.

Connecting Boys with Books 2 Michael Sullivan,2009-01-01 Drawing on more than 20 years of experience, Sullivan shows how to reinvigorate the sense of excitement that boys felt when they first heard a picture book being read aloud.

The Bloomsbury Handbook to Studying Christians George D. Chryssides,Stephen E. Gregg,2019-11-14 Drawing on a range of methodologies, editors George D. Chryssides and Stephen E. Gregg shift attention from normative textual and doctrinal matters to issues of materiality and everyday life in Christianity. This handbook is structured in four parts, which include coverage of the following aspects of Christianity: sacred space and objects, cyber-Christianity, food, prayer, education, family life, fundamentalism and sexuality. In addition, issues of gender, race and ethnicity are treated throughout. The international team of contributors provide in-depth analysis that highlight the current state of academic study in the field and explores areas in which future research might develop. Clearly organised to help users quickly locate key information and analysis, the book includes an A to Z of key terms, extensive guides to further resources, a comprehensive bibliography and a chronology of landmark events, making it a unique resource to upper-level students and researchers.
