For much of his career, Vance has also been one of the field's most private writers, an author who preferred to let his work speak for him. Now, at last, to coincide with the release of the tribute anthology *Songs of the Dying Earth*, Jack gives us this intimate and fascinating glimpse into his rich and eventful life, and a valuable insight into how he went about practicing his craft. For fans of the Grand Master's work, these memoirs are something to be treasured.
