nouns - Can you use a plural of Life as Life's when using as "Life's ... @Mike, you can say "His life's work", but there life isn't plural. It's singular, and it's attributing the possession of the work to his life. It is the work of his life. By contrast, you cannot ascribe the possession of the boat to his life; that doesn't make any sense. *Why is the plural form of "life" "lives", while the plural form of ...* From Wikipedia: A still life (plural still lifes) is a work of art depicting mostly inanimate subject matter, typically commonplace objects which may be either natural (food, flowers, plants, rocks, or shells) or man-made (drinking glasses, books, vases, jewelry, coins, pipes, and so on). **in their everyday life or lives? - WordReference Forums** Nov 1, 2005 · It would be: in their everyday lives It is their lives we are talking about, more than one life. In singular, it would be: in his/her/your everyday life (or my everyday life) Here we are talking about only one life. **Using Life or Lives - English Language & Usage Stack Exchange** I searched on Google for "Personal and Professional Life" versus "Personal and Professional Lives" and the result for each is around 500,000 results. I want to know if the following sentence is cor... lives/lives - WordReference Forums Jan 31, 2007 · Is it that clear? I agree that "still lifes" is the correct form, but I can't help but think it still gives one pause before actually deciding on which one is correct (like the mouse-mice quandry). The half-life of an isotope gives me less pause: I go to "half-lives of isotopes" pretty easily without thinking much about it. **human life, human's life, people's lives - WordReference Forums** Nov 28, 2021 · "Human life" or "human lives" is fine grammatically, but we tend to use "people's" when we're referring to people as social individuals. People like to be treated well by others. Human beings like to be treated well by others. Which one is correct-"life" or "lives"? - English Language & Usage ... I am not sure about what is correct use of words in the following line: They lost their lives saving our lives. or They lost their life saving our lives. **meaning - What does "life's a beach" mean? - English Language ...** It's a riff on the phrase "life's a bitch" (meaning life can be difficult and unpleasant) which turns it around into a positive. "Life's a beach" means that, at that moment at least, life was nothing but wonderful for David Beckham and Sofia Vergara. Think about beaches: sun, sand, water, beautiful people in bathing suits ... you get the idea. *When to use "lives" as a plural of life?* Aug 5, 2012 · I am confused when talking about a general idea using "our life" when sometimes I feel like using "our lives". Please tell me the correct answer with appropriate explanation. **What is the origin of the phrase "Life's a (bitch|beach)"?** Sep 20, 2022 · The other day I saw a throw pillow with the phrase "Life's a peach," which of course is a play on " Life's a beach,"

which is (as far as I know) a play on "Life's a bitch." (It would be interesting if one discovered that the former came first!) So then I wondered, how long has the oldest of these been around? Some previous digging here: In the Dictionary of Modern ...
