Six Seasons and a Movie Chris Barsanti, Jeff Massey, Brian Cogan, 2023-10-01 Audacious, weird, and icily ironic, Community was a kind of geek alt-comedy portal, packed with science fiction references, in-jokes that quickly metastasized into their own alternate universe, dark conspiracy-tinged humor, and a sharp yet loving deconstructions of the sitcom genre. At the same time, it also turned into a thoughtful and heartfelt rumination on loneliness, identity, and purpose. The story of Community is the story of the evolution of American comedy. Its creator, Dan Harmon, was an improv comic with a hyperbolically rapid-fire and angrily geeky style. After getting his shot with Community, Harmon poured everything he had into a visionary series about a group of mismatched friends finding solace in their community-college study group. Six Seasons and a Movie: How Community Broke Television is an episode-by-episode deep-dive that excavates a central cultural artifact: a six-season show that rewrote the rules for TV sitcoms and presaged the self-aware, metafictional sensibility so common now in the streaming universe. Pop culture experts Chris Barsanti, Jeff Massey, and Brian Cogan explore its influences and the long tail left by its creators and stars, including Donald Glover's experiments in music (as rapper Childish Gambino) and TV drama (Atlanta); producers-directors Anthony and Joseph Russo's emergence as pillars of the Marvel universe (Captain America: Civil War and Avengers: Infinity War); and Harmon's subsequent success with the anarchic sci-fi cartoon Rick and Morty. Covering everything from the corporate politics that Harmon and his team endured at NBC to the Easter eggs they embedded in countless episodes, Community: The Show that Broke Television is a rich and heartfelt look at a series that broke the mold of TV sitcoms.

What starts out as a routine peek-the-sheets adultery

investigation escalates into a series of bizarre murders. As the bodies pile up Luke knows that to crack this case, he'll have to toss the legal playbook into the crapper and play by LUKE RULES. WARNING: Luke has a bit of an attitude problem!

Triksta Nik Cohn,2009-03-12 Acclaimed music writer Nik Cohn's love of hip-hop goes back to its beginnings, and his love of New Orleans even further, to when he passed through the Big Easy on tour with The Who and discovered a place with a magic that never failed to seize him. On the surface he's the least likely candidate for a rap impresario. But with his signature charm and passion, he plunges headfirst into the wards, clubs, and projects of New Orleans, opening up a world closed to most outsiders: a journey into the heart of the hip-hop dream, and into larger question of racial identity in America. Written before Hurricane Katrina struck (and published here with an afterword that chronicles how Katrina altered the lives of those he met) Triksta now stands as an elegy to a city, its music, and its people.
