I Can't Believe It's Not Buddha! Bodhipaksa, 2018-11-06 Quotes from the Buddha are everywhere: on Facebook, Instagram, coffee mugs, posters. There's only one problem: the Buddha didn't actually say most of them. This humorous and informative book takes these fake Buddha quotes as a launching point for a discussion on what the Buddha really did say, and is a great entry point for those interested in learning more about Buddhism--what it is, and what it isn't. Bodhipaksa, a well-known Buddhist teacher and the founder of fakebuddhaquotes.com, takes a look at some of the quotes that are erroneously attributed to the Buddha, explains the ways in which these disagree (or sometimes agree) with Buddhist teachings, and offers some genuine examples of the Buddha's words. The perfect gift for the Buddhist in your life and an essential addition to any Buddhist library, *I Can't Believe It's Not Buddha!* is at once humorous and scholarly, and a timely antidote to the fake news that can surround some of the Buddha's teachings.

Could You Write a Book Comparable to the Book of Mormon? Cory Baker,2018-12-20 Writing a 588-page book of your own creation would be a hard task to complete in 85 days, especially one as complex, consistent, original, historical, accurate, and profound as the Book of Mormon. When you read *Could You Write a Book Comparable to the Book of Mormon?*, your mind will be opened to the many challenges that Joseph Smith would have faced in writing this intricate book, if he was indeed the author. It is my hope that you will be left with no other conclusion than the Book of Mormon was translated by divine intervention, that no man could have invented such a book under those conditions, and that Joseph Smith truly was chosen by God to translate this ancient book of scripture.
