Nick Roark,Robert Cline

Nine Marks of a Healthy Church (4th Edition) Mark Dever,2021-11-10 What Makes for a Healthy Church? You may have read books on this topic before but not like this one. Instead of an instruction manual for church growth, this classic text points to basic biblical principles for assessing and strengthening the health of your church. Whether you're a pastor, a leader, or an involved member of your congregation, studying the nine marks of a healthy church will help you cultivate new life and well-being within your own church for God's glory. This revised edition includes two new chapters; updated material on prayer, missions, evangelism, and the gospel; and a foreword by H. B. Charles Jr.

What Is a Healthy Church? Mark Dever,2024-09-26 Key Traits of a Healthy Church to Develop within the Local Body What is an ideal church, and how can you tell? How does it look different from other churches? More importantly, how does it act differently, especially in society? Many of us aren't sure how to answer those questions, even though we probably have some preconceived ideas. This book answers those questions and many more. Author Mark Dever seeks to help believers recognize the key characteristics of a healthy church: expositional preaching, biblical theology, and a right understanding of the gospel. Dever then calls us to develop those characteristics in our own churches. By following the example of New Testament authors and addressing all members of the church, pastors and laity alike, Dever challenges all believers to do their part in maintaining the local church. Part of the 9Marks Building Healthy Churches series, What Is a Healthy Church? offers timeless truths and practical principles to help each of us fulfill our God-given roles in the body of Christ. Offers an Ideal Church Model: Encourages pastors and members to implement healthy church qualities within their local body Written by Mark Dever: Pastor, bestselling author, and president of 9Marks From 9Marks: Other titles in the Building Healthy Churches series include Church Discipline; Deacons; and Church Membership Replaces ISBN 978-1-58134-937-5

What Is a Healthy Church Member? Thabiti M. Anyabwile,2008 God intends for all of us to contribute to the mission of the local church and experience profound spiritual growth as a result. This book shows church members, pastors, and leaders what a healthy church member looks like.

Foundations for Fruitful Church Planting Ken L. Davis,2023-07-28 Church planting is one of the most challenging yet rewarding adventures you can embark on. Often zealous planters and their teams launch their new church prematurely, without taking time to lay a firm foundation for long-term fruitful ministry. Failure to do so often results in a weakened new

church, or even the new church closing after a few years. Rather than focusing on methodology, the how to's of church planting, this book gives attention to six foundational concerns wise planters will need to nail down before they ever plant: •Biblical foundations, •Theological foundations, • Ecclesiological foundations, • Missiological foundations, •Spiritual foundations, •Practical foundations. Although helpful for a wide range of planting leaders, this book is particularly written for four specific groups: •those who feel called to plant and are making preparations; •their planting teammates and launch leaders; •those exploring church planting; •those who coach and train church planters. Foundations for Fruitful Church Planting serves as a comprehensive resource that will guide you to think strategically, plan carefully, and prepare thoroughly to birth a healthy, growing, and reproducing congregation. Each chapter includes recommended resources, discussion questions, and follow-through exercises.

Rebuilding the Walls James Kelly, 2020-06-22 There are few situations in the life of a church that are more disruptive or destructive than the presence of sin in the life of its membership, especially the leadership. Too often we see the presence of sin as a fatal situation. Yet sin, properly dealt with, rather than destroying the church or those involved, may become a catalyst for growth—both for the church body and those involved in whatever sin is present. Christ and the apostle Paul laid out instructions for taking the presence of sin, challenging those involved and restoring their walk with Christ. Therefore, we must, if we consider ourselves as a spiritual people, resolve to restore those impacted by sin and see them resume their walk with Christ (Gal 6:1).

The Craft of Church Planting Christian Selvaratnam, 2022-06-30 Drawing on insights from the training practices of the English medieval craft guilds, a global survey of 500 church planters, interviews with artists and church planting trainers and the authors 30 years of ministry experience, 'The Craft of Church Planting' offers a distinctive and imaginative perspective on the methods used to train future practitioners in the art of church planting. Demonstrating how training for the next generation of church planting leaders might be informed by the historic master-apprentice model, guild learning communities, creativity and an artisan approach to ministry, this book is a vital resource to inform the methods of training for the next generation of church planters.

SHEPHERDS & SERVANTS Maximino Fernandez, 2023-06-13 The Chief Executive Officer (CEO) model of leadership is pervasive within the fundamentalist movement of churches. This model of leadership lacks biblical warrant and creates risk to the flock of God. Consequently, not only is targeted research necessary but also a path to transition a church from the CEO model of leadership to the Shepherds and Servants model. This book offers the redemptive, theological, and practical approach for such a transition. Redemptively, the book shows how the Shepherd and Servants model is part of God's ultimate plan. Theologically, the Shepherds and Servants model is prescribed by scripture. Practically, steps for transition are presented for moving a fundamentalist church from a top-down model to a healthy, biblical model of leadership.

Church Discipline Jonathan Leeman, 2012-04-30 More and more church leaders, pastors, and members are looking for guidance on how to practice church discipline in a biblical way. Here is a contemporary and concise how-to guide that provides a theological framework for understanding and implementing disciplinary measures in the local church, along with several examples of real-life situations. Drawing on both Matthew 18 and 1 Corinthians 5, this brief hardback helps leaders face the endless variety of circumstances and sins for which no exact scriptural case study exists, sins which don't show up on any list and need a healthy framework to be corrected appropriately in love. This volume is part of the 9Marks: Building Healthy Churches series. Look for upcoming, quick-read formats of the following marks of a healthy church: expository preaching, biblical theology, the gospel, conversion, evangelism, church membership, discipleship and growth, and church leadership.

Why Should I Join a Church? Mark Dever, 2020-02-27 Many new believers have questions about what it means to live as a Christian in the context of a local church, and pastors are looking for resources to pass along to their congregations to help them think biblically about the Christian life. 9Marks Church Questions is a new series that seeks to provide ordinary Christians with sound and accessible biblical teaching by answering common questions Christians have about church life. Each volume offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment. This booklet unpacks Scripture's teaching on the importance of church membership and the Bible's beautiful picture of life in a local church.

Church Elders Jeramie Rinne, 2014-04-30 Effective leadership is important. Nowhere is this more true than in the church. Jeramie Rinne offers readers a concise overview of the Bible's teaching on spiritual leadership, setting forth an easy-to-understand job description for elders that is focused on enabling pastors and church leaders to effectively shepherd their congregations. Giving practical guidance to new elders and helping church members better understand and support their spiritual leaders, this conversational book emphasizes purposeful ministry rather than project management. It will also bolster leaders' confidence by encouraging them to embrace their pastoral calling with grace, wisdom, and a clarity of vision.

The Gospel Ray Ortlund, 2014-04-30 How does the church portray the beauty of Christ? The gospel is the greatest message of all time addressing the greatest need of all people. However, the good news about Jesus does more than just promise eternal life to all who believe. In the latest addition to the 9Marks: Building Healthy Churches series, pastor Ray Ortlund explains the gospel's power to transform individuals from the inside out and create beautiful human relationships. This short book helps readers experience the power of God as they are encouraged to trust in Christ and allow him to transform their beliefs, perspectives, and practices. For everyone who wants to be true to the Bible and honest with themselves, this book offers a practical guide to the fundamental teachings of the gospel and how they affect our relationships with others.

Biblical Theology in the Life of the Church (Foreword by Thomas R. Schreiner) Michael Lawrence, 2010-04-01
Capitol Hill Baptist Church associate pastor Michael Lawrence contributes to the IXMarks series as he centers on the practical importance of biblical theology to ministry. He begins with an examination of a pastor's tools of the trade: exegesis and biblical and systematic theology. The book distinguishes between the power of narrative in biblical theology and the power of application in systematic theology, but also emphasizes the importance of their collaboration in ministry. Having laid the foundation for pastoral ministry, Lawrence uses the three tools to build a biblical theology, telling the entire story of the Bible from five different angles. He puts biblical theology to work in four areas: counseling, missions, caring for the poor, and church/state relations. Rich in application and practical insight, this book will equip pastors and church leaders to think, preach, and do ministry through the framework of biblical theology.

Growing One Another Bobby Jamieson, 2012-04-30 Discipleship was one of the central themes of Jesus' teaching, yet it is not a major emphasis today for many churches. This short study guide explores the Bible's teaching on discipleship, and covers such topics as the need for discipleship, the demands of discipleship, and the enemy of discipleship. With discussion questions at the end of each chapter, groups will work through guided discussions together as they learn about the centrality of discipleship in the Christian life. A series of ten 6-7 week studies covering the nine distinctives of a healthy church as originally laid out in *Nine Marks of a Healthy Church* by Mark Dever. This series explores the biblical foundations of key aspects of the church, helping Christians to live out those realities as members of a local body. Conveniently packaged and accessibly written, the format of this series is guided, inductive discussion of Scripture passages and is ideal for use in Sunday school, church-wide studies, or small group contexts.

The Whole Truth about God Bobby Jamieson, 2012-04-30 Part of the 9Marks Healthy Church Study Guide series, this study defines sound doctrine and examines the pastoral Epistles' teaching on why it is so important to the church.

Leading One Another Bobby Jamieson, 2012-04-30 Because it can be abused, leadership is a risky business for those in it and those under it. But God has good plans for leadership within the church. This study explores God's plans for authority by focusing on God's revelation of himself as shepherd, and how God calls leaders to image him. The rest of the study looks at the special responsibilities and roles within the church, fulfilled by elders, deacons, and church members themselves. A series of ten 6-7 week studies covering the nine distinctives of a healthy church as originally laid out in *Nine Marks of a Healthy Church* by Mark Dever. This series explores the biblical foundations of key aspects of the church, helping Christians to live out those realities as members of a local body. Conveniently packaged and accessibly written, the format of this series is guided, inductive discussion of Scripture passages and is ideal for use in Sunday school, church-wide studies, or small group contexts.

God's Good News Bobby Jamieson, 2012-04-30 A healthy church is a church in which every member, young and old,

mature and immature, unites around the wonderful good news of salvation through Jesus Christ, thus this study pays close attention to the gospel as defined in Romans 1–4. In this gospel-rich study, participants will learn the Bible's teaching on God, man, Christ, and our response and see how these things apply to the practice of the local church. A series of ten 6–7 week studies covering the nine distinctives of a healthy church as originally laid out in *Nine Marks of a Healthy Church* by Mark Dever. Guarding One Another Bobby Jamieson, 2012-04-30 While church discipline is never easy, it is sometimes a necessary, albeit painful, part of the Christian life. This helpful study guide tackles the difficult topic in six chapters designed to focus discussion on the interpretation and application of biblical texts. Groups will work through questions as they discover the role of church discipline, seeing and practicing it in a gracious and loving way. A series of ten 6–7 week studies covering the nine distinctives of a healthy church as originally laid out in *Nine Marks of a Healthy Church* by Mark Dever. Conveniently packaged and accessibly written, the format of this series is guided, inductive discussion of Scripture passages and is ideal for use in Sunday school, church-wide studies, or small group contexts.

Reaching the Lost Bobby Jamieson, 2012-04-30 The Bible calls all Christians to share the good news about Jesus's death and resurrection with those who don't believe in Christ, yet this task can often seem daunting. This study helps participants have the right perspectives on evangelism and shows them how to go about sharing the good news with others. A series of ten 6–7 week studies covering the nine distinctives of a healthy church as originally laid out in *Nine Marks of a Healthy Church* by Mark Dever. Shepherding the Pastor Phil A. Newton, Rich C. Shadden, 2023-02-13 *Shepherding the Pastor* helps new and upcoming pastors understand the common challenges and pitfalls that arise in the early years of ministry and to face difficulties with faith, wisdom, and patience.

Biblical Theology Nick Roark, Robert Cline, 2018-03-15 Throughout the history of the church, Christians have always had to contend with the influence of unbiblical teachings related to God, humanity, and salvation. One of the most important safeguards against all forms of heresy is a robust appreciation for biblical theology—reading the Bible in a way that takes

into account the whole storyline of redemptive history. Exhorting pastors and other church leaders to prioritize biblical theology in their own congregations, this book explains basic principles for reading the Bible that help pastors teach the big story of the Bible from every text. Understanding the Bible in Christ-centered terms shapes the church's teaching and mission, and protects the truth of the gospel around the world.
