## Kelsie Rae

**Don't Let Me Fall** Kelsie Rae,2022-07-05 I want a girl I can't have. She's my tutor. My best friend's girlfriend. And my kryptonite. She also looks really good in my T-shirt. But she wants the golden boy, and I'm more of the villain type. Or at least I was.... Until I saw her smile for the first time. But the good guy she wants wouldn't lust after his friend's girlfriend. And the good guy she's with sure as hell shouldn't be sneaking around behind her back. So where the hell does that leave me?

**Don't Let Me Down** Kelsie Rae,2023-08-29 My abusive ex just connected me to some VERY inappropriate photos online. Normally, I wouldn't let it bother me, but he's ruining my future and everything I've worked for. And what's worse? The infamous Henry Buchanan--who happens to be the new owner of the NHL Lions--is offering to bail me out. I hate handouts almost as much as I hate Henry. Still, I do need this job. And creating social media content for a bunch of hot hockey players is a walk in the park. Until my billionaire boss starts acting jealous. But what's worse? My response. Frenemies with benefits, anyone? Yeah. Because I have a history of making great decisions.

**Don't Let Me Break** Kelsie Rae,2023-02-07 He's a sexy paramedic. I'm just a sick girl trying to survive college. Pretty sure my friend is trying to set me up with her boyfriend's older brother. There's just one problem. Macklin's the paramedic who drove me to the hospital after a particularly ugly seizure. And I have no desire to see him ever again. Sure, he's attractive, and sweet, no matter how grumpy I am to him. But he's also stubborn and is convinced we should be friends. Which is fine...If I don't strangle him first...Or jump his bones when we find ourselves sharing a bed during a snowstorm. Yeah. I'm in trouble.

**Don't Let Me Go** Kelsie Rae,2022-09-20 Welp. It's official. The entire hockey team knows I'm a virgin. And who do I have to thank for telling them about my v-card? Theodore Taylor, aka my brother's best friend and the pain in my butt since third grade. Then again, I'm kind of sick of this thing. My virgin status, that is. It's probably time I get rid of it. Which would be a heck of a lot easier if Theo hadn't made it his mission to be my own personal chastity belt for the foreseeable future. Which leaves me screwed. In every way except the literal sense. Lovely.

Let Me Love You Kelsie Rae, Sometimes I wonder what my hockey career is worth. Blood, sweat, and tears, sure. But losing Ash? I can't. I shouldn't ask this of her. To ignore the rumors. To let go of the scandal. To accept the spotlight. To give up her dreams so I can chase mine. Balancing it all, though? Well, that's a different sort of torture. I have no idea how long I

can hold on without my past catching up to us. And when it does? Well, Ash deserves better than a screw up like me. \*This is the sequel to Don't Let Me Fall, Don't Let Me Go, and Don't Let Me Break. It is to be enjoyed after reading the previous titles.

**Taking the Job** Kelsie Rae, 2024-07-15 A zero fraternization policy. An attractive new boss. And a girl who isn't afraid to break the rules. To be fair, I probably shouldn't have lied about my identity when I first ran into Derrick. But it's not like I thought I'd ever see him again. Now he's my new boss who's made it clear he doesn't date employees. Which would normally be fine if our chemistry wasn't off the charts. And I'm not the only one who sees it. Even his best friend can tell we belong together, which is why he offered to fake date me in hopes of pushing Derrick over the edge. And the crazy part? I think it might actually work. If you love sassy heroines, broody heroes, and laugh-out-loud romcoms, you'll love Kelsie Rae's Taking the Job. One-Click today!

**A Little Jaded** Kelsie Rae, 2024-07-31 Moving in with the infamous Everett Taylor was not on my bingo card. But, after my ex hit me then left me on the side of the road, I had no one else to call. Everett is bossy and moody and controlling. He's also my ex's hockey rival, my new very fake boyfriend. The plan is to keep me safe until my ex gets bored and leaves me alone. But when a game of spin the bottle in front of my ex turns into a full blown make out session with my new roommate? Well, let's just say I can see why the guy can have any girl he wants. They'd be lucky too. To claim Everett. But I'm too jaded for that... Aren't I?

**Taking the Chance** Kelsie Rae, 2024-07-15 A new widow. A positive pregnancy test. And an old friend who offers her a place to stay. I never imagined my life would end up this way. I thought I had everything figured out until I got the call my husband's been killed in a car accident and realized my period is late. With no one else to turn to, I run to a familiar face at my husband's funeral. Luke. My husband's ex-best friend and my once-upon-a-time confidante. As the truth of my predicament tumbles out of me, he offers me a place to stay. And because I'm desperate and vulnerable...I accept. After all, what other choice do I have? If you love second chances, swoon-worthy heroes, and sweet romance with all the feels, you'll love Kelsie Rae's Taking the Chance. One-Click today!

**A Little Secret** Kelsie Rae, Riding shotgun to face my boyfriend wasn't exactly on my bingo card... Especially when the man behind the wheel is the one my boyfriend demanded I cut ties with. Griffin Thorne is LAU's hockey captain, my brother's best friend, and my roommate. He's also the only person I can rely on at the moment, even though he hates me after I followed through my boyfriend's...suggestion. To be fair, I get it. Why he hates me. In a way, I hate me too. But as long as this impromptu road trip stays our little secret, everything will be fine. Maybe. Hopefully. Okay, let's be honest. If my boyfriend doesn't kill me for sharing a room with Griffin Thorne, my brother will. Tropes: Forced Proximity Brother's Best Friend Forbidden Romance He Falls First One Bed Hockey Romance

**A Little Crush** Kelsie Rae, Seems the little girl who had a crush on me is all grown up. She ran away from our hometown

a solid decade ago. Now she's back for her brother's wedding. For my friend's wedding. Not gonna lie, I had no intention of crossing the line with her. Not back then. And not now. Until I catch her swimming in her parent's backyard. Nope. Not even then. I'm determined to keep all thoughts of what she might look like naked at bay. Besides, I have more important things to worry about than how grown up Rory Buchanan is. Like, who's going to watch my baby girl while I'm coaching the NHL Lions. Yeah, I have more than enough on my plate... But damn, is she making it difficult.

**A Little Tempting** Kelsie Rae, 2024-02-25 My friend's little sister moved in next door. Dylan Thorne. The one and only. She's cute, in a nerdy wallflower kind of way. She's also off-limits. Or at least that's what my other friend says. Everett's been friends with Dylan's older brother for as long as she's lived. Call it a hunch, but I think he has a thing for Dylan, too, which is why he's warned me to keep my distance. But hey, I've never been one to turn down a challenge. And Dylan? Well, the girl wants nothing to do with me, or at least that's what she tells people. I, however, think we'd make a pretty cute couple, and I plan to prove it. But first, I need to figure out a few things. 1- a way to not piss off Dylan's older brother, who's the hockey captain for LAU's hockey team 2- a way to not be murdered in my sleep by Everett 3- a way to convince Dylan I'm not the player everyone's labeled me as All right, that's a lie. I am a player. But for Dylan? I'll be whoever she needs me to be, even if I have to burn a few bridges along the way.

*A Little Broken* Kelsie Rae, I should've known Tatum Taylor was nothing but a pretty little liar when I caught her trying to sneak into my concert. After I let her into the arena, then saw her in the crowd, I couldn't help but invite her onto the stage and take a birthday shot with her. We spent one night together before I asked for her number and she warned me to keep my distance. She's engaged, after all. Or so I thought, until we run into each other again. Now she's my pretty little maid, and the pain in my backside until my band goes back on tour. Then again, I guess there are worse ways to spend my time than by burrowing under Tatum's skin the same way she burrowed under mine before leaving me high and dry. Pretty little liar, are you ready to play by my rules now?

*A Little Complicated* Kelsie Rae, 2023-11-16 I grew up with the Buchanan twins. Wreaking havoc. Playing hockey. Causing chaos. Almost all of my memories involve Archer and Maverick. Then I started dating one of them. Archer Buchanan is perfect. He's sweet. Attentive. Passionate. He's everything a girl could ask for in a boyfriend. And I love him so much. The problem is...I love his twin brother even more.

*Broken Instrument* Kelsie Rae, 2022-04-07 I thought I'd finally made it. Me and my band, Broken Vows. Then everything fell apart. And now? I'm back in my old room, and I've never felt more alone. As for the music, it calls to me. But so does she. If I go after her, am I exchanging one addiction for another? Will I spiral like before? Or will she be the one who can finally save me? Then again, it doesn't matter. If my dealer--and half brother--finds out about her, he'll sink his claws so deep, she'll never get out of his grasp. I can't let that happen.

*Forbidden Lyrics* Kelsie Rae, 2021-06-30 What happens when you meet your soulmate before realizing you dated her older sister first? I didn't know who Dove's sister was when we first met. I didn't know that I'd been fooling around with her for a few months before Dove walked into my life. I didn't know that--if I've done the math correctly--I could be the father to her sister's child. But I do know this. Dove has the voice of an angel, and the heart of one too. I might not deserve her, but I refuse to let her go. She doesn't know that I was with her sister before we met. She doesn't know that her niece or nephew could be my freaking kid. And even though it kills me, I can't let her find out.

*Messy Strokes* Kelsie Rae, 2021-09-30 He thinks he's the father. But honestly? I have no idea... I should've told Milo. That I loved him. That I was pregnant. That I didn't want anyone else, except him. But I didn't. Instead, I left. I ran. Now he's here, in the hospital after I delivered a baby girl he's convinced belongs to him. But the truth is, I have no idea. I've sacrificed so much to keep my past hidden. To keep my baby safe from her other potential father. It's a secret I'll take to my grave. Or at least, I planned to until Milo forced me to move in with him, causing me and my daughter to pop up on a certain someone's radar whom I never wanted to see again. People might say life gets messy sometimes... But they have no idea just how much chaos will ensue if the truth comes out after I've done so much to keep it in the past.

*Stand Off* Kelsie Rae, A one-night stand that ended in tears. A destination wedding for my best friend. And an unexpected surprise that knocks me off my feet. I never wanted to see Nathan again. Ever. One highly educational night with him in bed was all it took to hand over my v-card. Apparently, that was all it took to get him to move across the country without a backwards glance, too. Now, our best friends are getting married and I've been asked to play nice on a tropical island surrounded by love birds, but I can't promise Nathan will make it through the weekend in one piece. Not after the way he left. The only problem is that I'm not sure my heart will survive, either. If you love enemies-to-lovers, off-the-charts chemistry, and a strong, sassy heroine, then you'll love Kelsie Rae's novel, *Stand Off*. One-click today!

*Hating You* Kelsie Rae, He's owned my heart for years. And now he's back to claim it. When Owen Daniels skipped town to become a college football star, he shattered my heart--and my dreams. Eventually, despite being used to the numbness, I worked hard and became an elementary teacher. And I was fine. Until a familiar last name popped up on my classroom roster. Owen has returned. But he's not alone, and he's made his intentions clear. He's determined to win me back. And my adorable new student who calls him Daddy? In another world, he would've been mine. But I guess not everyone deserves their happily-ever-after. And no matter how sweet he is, I refuse to let his father hurt me again. If you love single dads, second chances, and nerdy heroines, then you'll love Kelsie Rae's *Saylor*. One-click today!

*Fooling You* Kelsie Rae, Walking down the aisle toward my nemesis wasn't exactly what I was picturing when I planned out my dream wedding as a little kid. But as I take in Liam's chiseled jaw and sexy smirk, I remember why I agreed to this sham of a marriage. It's because I'm a glutton for punishment and love a good underdog story... And the more I get to know

Liam, the more I can see that he's exactly that. The underdog. Albeit a spoiled, rich, jerky one, but still. My enemy needs a temporary wife, and for some absolutely insane reason, I've agreed to help. I just hope I'm not wrong about him. If you love bossy alphas, sizzling chemistry, and a rich plot, then you'll love Kelsie Rae's novel, *Skye*. One-click today!

Risky Business Kelsie Rae, 2022-01-10 Yes, I climbed into Jake Jensen's lap and kissed the crap out of him in a crowded bar to make my ex jealous. Yes, I lied to my family and told them I'm in a relationship with the guy, even though he doesn't know my name or my family's connection to one of the hottest software companies in the US. Yes, I'm now on my way to convince him to be my fake boyfriend for my father's company retreat in exchange for...whatever the heck he wants if it'll get me out of this mess. And no, I'm most definitely not interested in his smoldering eyes or the way his hands feel against my body. Because whatever's burning between us? It isn't real. We're both a means to an end. And there's no convincing me otherwise.
