Cancer and Young Adult Literature Stephen M. Zimmerly,2024-12-20 This collection specifically and solely focuses on Young Adult literature texts where cancer plays a prominent role, including widely-read texts like John Green's The Fault in Our Stars, Nicholas Sparks' A Walk to Remember, and Jesse Andrews' Me and Earl and the Dying Girl. The chapters present a variety of arguments, each developing a novel investigation into how these stories explore the effects cancer has on a person, a family, or on a relationship. As scientific studies continue to develop new understandings of the biology behind cancer, and new sociological studies continue to uncover how a cancer diagnosis impacts the fabric of our culture(s), these collected essays continue to investigate how authors have woven cancer into the stories we write for young people. A number of distinct avenues are taken here, arguing for new approaches in crafting narrative, deeper appreciation for family support networks (or their absence), and what literary criticism can uncover when applied to cancer narratives.

The Fault in Our Stars John Green,2012-01-10 The beloved, #1 global bestseller by John Green, author of The Anthropocene Reviewed and Turtles All the Way Down "John Green is one of the best writers alive." -E. Lockhart, #1 bestselling author of We Were Liars "The greatest romance story of this decade." -Entertainment Weekly #1 New York Times Bestseller • #1 Wall Street Journal Bestseller • #1 USA Today Bestseller • #1 International Bestseller Despite the tumor-

shrinking medical miracle that has bought her a few years, Hazel has never been anything but terminal, her final chapter inscribed upon diagnosis. But when a gorgeous plot twist named Augustus Waters suddenly appears at Cancer Kid Support Group, Hazel's story is about to be completely rewritten. From John Green, #1 bestselling author of *The Anthropocene Reviewed* and *Turtles All the Way Down*, *The Fault in Our Stars* is insightful, bold, irreverent, and raw. It brilliantly explores the funny, thrilling, and tragic business of being alive and in love.

Tender Intimacies Piyush Thorat, 2021-11-08 Peter, who has return to his parent's house in the times of the covid-19 pandemic, one day receives the notification over his phone that his old friend, Veronica is on Telegram. There it all starts with a chance of unburdening the old guilt he carried secretly for years. Something that he had hidden from Veronica, that had caused them to fall apart and now he is seeking redemption by telling her the truth behind his lies. The chance of telling the hidden truth to Veronica leads him on a journey of his past. The memories of Veronica and that unveils the past life of Peter in a very unique, non-linear storytelling style. The story focuses on the fragility of the relations. Some would survive but most would cease.

Flourishing Neil Messer, 2013-12-20 We use such words as health, disease, and illness all the time without stopping to consider exactly what we understand by them. Yet their meanings are far from straightforward, and disagreements over them have important practical consequences in health care and bioethics. In this book Neil Messer develops a distinctive and innovative theological account of these concepts. He engages in earnest with debates in the philosophy of medicine and disability studies and draws on a wide array of theological resources including Barth, Bonhoeffer, Aquinas, and recent disability theologies. By enabling us to understand health in the wider perspective of the flourishing and ultimate destiny of human beings, Messer's *Flourishing* sheds new light on a range of practical bioethical issues and dilemmas.

Young People Reading Evelyn Arizpe, Gabrielle Cliff Hodges, 2018-03-19 The value of small-scale qualitative research projects into young people's reading is often underestimated. Yet these finely tuned studies, with a precise focus and highly specialised approach, can provide us with profound insights into the richness and variety of young people's reading practices. Bringing together contributors from six continents, this fascinating volume explores researchers' experiences of investigating the reading habits, preferences and practices of young people aged 12-21. Detailing a variety of empirical methodologies and research methods, its chapters also consider reading in an array of contexts, in various languages and using diverse media. Key issues addressed in the book include: the complexity of sociocultural similarities and differences in young people's reading in international contexts multilingual, bilingual and monolingual readers' experiences of reading how young readers use a range of different print and digital media how our understanding of the range of texts available to young readers and the different contexts of and purposes for reading can be enhanced through small-scale qualitative research. Providing in-depth discussion of contributors' research and findings, and touching on many different contexts, text types and media, this

volume will support and inspire current and future researchers, lecturers and teachers interested in young people's reading.

Teaching and Reading New Adult Literature in High School and College Sharon Kane, 2022-11-10 An introduction to the rapidly growing category of New Adult (NA) literature, this text provides a roadmap to understanding and introducing NA books to young people in high school, college, libraries, and other settings. As a window into the experiences and unique challenges that young and new adults encounter, New Adult literature intersects with but is distinct from Young Adult literature. This rich resource provides a framework, methods, and plentiful reading recommendations by genre, theme, and discipline on New Adult literature. Starting with a definition of New Adult literature, Kane demonstrates how the inclusion of NA literature helps support and encourage a love of reading. Chapters address important topics that are relevant to young people, including post-high school life, early careers, relationships, activism, and social change. Each chapter features text sets, instructional strategies, writing prompts, and activities to invite and encourage young people to be reflective and engaged in responding to thought-provoking texts. A welcome text for professors of literacy and literature instruction, first-year college instructors, researchers, librarians, and educators, this book provides new ways to assist students as they embark upon the next stage of their lives and is essential reading for courses on teaching literature.

Surviving the Storm Cheryl Krauter, 2017 A workbook for cancer survivors that addresses the emotional needs of patients, partners, family members, and friends by offering them a format to tell the story of how they've been touched by cancer. It offers a perspective that focuses on the whole person, their potential, and their natural drive toward authenticity.

Every Reader a Close Reader Samantha Cleaver, 2015-07-17 Close reading, the purposeful, focused reading and rereading of text, is more than an education buzzword. Every Reader, a Close Reader defines and unpacks the components of close reading and explores how to apply it within the context of the Common Core State Standards so that every student will be able to implement close reading strategies in class and independently. Drawing expertise and ideas from research, as well as teachers from across the country, Every Reader, a Close Reader serves as both an instructional guide and professional development tool for classroom teachers and instructional leaders to use when starting or strengthening close reading at the classroom level. In addition, this book includes chapters that focus on developing the close reading skills of students who are struggling readers, English language learners, or gifted learners.

Media Today Joseph Turow, 2016-10-04 Media Today uses convergence as a lens that puts students at the center of the profound changes in the 21st century media world. Through the convergence lens they learn to think critically about the role of media today and what these changes mean for their lives presently and in the future. The book's media systems approach helps students to look carefully at how media content is created, distributed, and exhibited in the new world that the digital revolution has created. From newspapers to video games and social networking to mobile platforms, Media Today prepares

students to live in the digital world of media.

Humanizing Grief in Higher Education Nicole Sieben, Stephanie Anne Shelton, 2021-03-30 By showcasing asset-based approaches inspired by individual reflection, research, and experience, this volume offers a fresh and timely perspective on grief and trauma within higher education and illustrates how these approaches can serve as opportunities for hope and allyship. Featuring a broad range of contributions from scholars and professionals involved in educational research and academia, *Humanizing Grief in Higher Education* explores the varied ways in which students, scholars, and educators experience and navigate grief and trauma. Set into four distinct parts, chapters deploy personal narratives situated within interdisciplinary and transdisciplinary research frameworks to illustrate how issues such as race, gender, socio-economic class, and politics intersect with experiences of personal and professional grief in the academy. A variety of intersectional fields of study – from positive psychology, counselling, feminist and queer theories, to trauma theory and disability studies – inform an interdisciplinary framework for processing traumatic experiences and finding ways to hope. These narrative explorations are positioned as key to developing a sense of hope amongst the grieving and those supporting them. This text will benefit researchers, doctoral students, and academics in the fields of Higher Education, teacher education, trauma studies, and mental health education. Those interested in positive and educational psychology, as well as grief counselling in adults, will also enjoy this volume. Finally, this collection serves as a companion for those who find themselves grappling with losses, broadly defined.

Four Shades of Gray Simon Peter Rowberry, 2022-04-05 This first book-length analysis of Amazon's Kindle explores the platform's technological, bibliographical, and social impact on publishing. *Four Shades of Gray* offers the first book-length analysis of Amazon's Kindle and its impact on publishing. Simon Peter Rowberry recounts how Amazon built the infrastructure for a new generation of digital publications, then considers the consequences of having a single company control the direction of the publishing industry. Exploring the platform from the perspectives of technology, texts, and uses, he shows how the Kindle challenges traditional notions of platforms as discrete entities. He argues that Amazon's influence extends beyond "disruptive technology" to embed itself in all aspects of the publishing trade; yet despite industry pushback, he says, the Kindle has had a positive influence on publishing. Rowberry documents the first decade of the Kindle with case studies of Kindle Popular Highlights, an account of the digitization of books published after 1922, and a discussion of how Amazon's patent filings reflect a shift in priorities. Rowberry argues that while it was initially convenient for the book trade to outsource ebook development to Amazon, doing so has had adverse consequences for publishers in the mid- and long term, limiting opportunities for developing an inclusive and forward-thinking digital platform. While it has forced publishers to embrace digital forms, the Kindle has also empowered some previously marginalized readerships. Although it is still too early to judge the long-term impact of ebooks compared with that of the older technologies of clay tablets, the printing press, and

offset printing, the shockwaves of the Kindle continue to shape publishing.
