**Until Heaven Parts Us** Alyssa Patterson, 2022-08-25 After just three weeks of marriage, I lost my precious husband, Chandler, in a tragic accident and became a widow at twenty-three years old. In those few, but beautiful, days of being a new bride, it felt as though my life was truly just beginning, and as swiftly as that blessing came, it ended as the two who had become one were parted by the thin veil of heaven. Our dreams of many years together came crashing all around me, and I was left with the shattered pieces of my broken heart. But, in my suffering, I found the sweetness of Jesus and his healing powers that carried me through my darkest days. In the journey of losing my husband shortly after becoming his wife, I learned that the Lord is ever present in our pain, and that heaven is made tangible in the sweetest ways when we look for it. I found that joy and sorrow can be held with grace at the same time, and as unheard of as it may seem, I found that I was not alone in experiencing the trials of grief. In this telling story of my happiest and most tragic days that fall far too close together, you will find that heaven is never too far, and that Jesus is with you in every moment.

**Insights on Luke** Charles R. Swindoll, 2012-02-29 The Engaging the New Testament Series by Dr. Charles R. Swindoll is the 'major legacy project' of Swindoll's life as a pastor and Bible teacher for the past forty-five years. The ebook series will be comprised of fifteen volumes focusing on all the books of the New Testament---the Four Gospels, the Acts of the Apostles, the twenty-two letters, and the book of Revelation. Rather than a technical, exegetical commentary mining the details of the Greek text, this will have a narrative flavor with a strong emphasis on effective communication taking the truths of the New Testament and providing insight that enables people to live out the truth in all aspects of contemporary daily life.

**Until the Sun Breaks Down: A Künstlerroman in Three Parts** Joseph Nicolello, 2021-02-26 Written when the author was in his early and mid-twenties, *Until the Sun Breaks Down* is a contemporary American Künstlerroman modeled on Dante's *Divine Comedy*. In three parts and one hundred chapters that mirror Dante's classic poem, Nicolello takes the reader through present-day American towns and cities: infernal, purgatorial, and paradisaal aspects with nothing left off the table. In the third and final volume, structurally modeled on Dante's *Paradiso*, the national themes of interior and exterior decline reach a head before anything like peace is found for anyone. For that matter, the text takes on an Augustinian turn: the City

of Man vs. the City of God, with William Fellows coming to the end of the line of temporal pleasures and escapes, and even disillusionment with San Francisco, or the furthest end of western civilization. It is here that the character Octavia begins to take on the role of Beatrice, guiding William to safe passage--but not before hallucinatory episodes in both the city and the town, or San Francisco and Jerusalem.

**Got Questions?** S. Michael Houdmann, 2014-04-24 Everyone has questions. Young children ask “why?” Teenagers ask “why not?” Adults sometimes lament “what if?” The God who created us and who loves us has given us the answers to life’s most pressing questions in His Word. Yet many people have no idea that God has the answers and has made them available in the Bible. Whether it is a question about where we will spend eternity or how to deal with the pain of a broken relationship, you can be sure it has been asked and answered already on [www.GotQuestions.org](http://www.GotQuestions.org), the source for this book. Sadly, many individuals and ministries who offer advice are not biblically and theologically solid. That’s why Got Questions? is crucially needed—a resource that answers questions explicitly from a biblical perspective, with solid evangelical theology. Written in an easy-to-understand format and organized in easy-to-follow sections, Got Questions? will help readers find the answers to the most frequently asked questions regarding spiritual matters. The questions were asked by real people struggling through real-life issues who received solid, practical answers from the Bible. The articles in this volume are compiled from the more than 3,800 frequently-asked questions on our website, which are read over 7 million times each month. Some of the articles have been translated into 150 languages. Many books present teaching in a question-and-answer format, but few have delved into the questions that people are actually asking. Having received and answered more than 380,000 questions, Got Questions Ministries has a unique understanding of what questions are truly on people’s minds.

**The Two Gospels - Paul & Jesus** Donald Werner, 2017-08-22 While the modern day Christian Church follows the Gospel of Paul, it wasn't always so. The early church followed the Gospel of Jesus. There are two Gospels! I doubt that many people realize that there are two Gospels and they are polar opposites. The church jumps through hoops and does all it can to synchronize Paul's teachings with Jesus' teachings, but it failed. When you read in this book the comparison of the two Gospels, you will see why they are incompatible. They are so incompatible that they can't both exist in the church so the church has rejected Jesus' Gospel in favor of the Paul's Gospel of 'lawlessness'. The second half of the book deals with Paul.

Many love Paul and his teachings, and embrace them in place of Jesus' teachings. Other see Paul as an anti-christ figure, teaching a Gospel that is the opposite of the Gospel Jesus taught. I lay out the facts, and you will have to decide for yourself.

**Summa Theologica (All Complete & Unabridged 3 Parts + Supplement & Appendix + interactive links and annotations)** Thomas Aquinas, 2023-12-05 In his magnum opus, Summa Theologica, Thomas Aquinas endeavors to systematize the entirety of Christian theology, presenting complex theological doctrines in a structured and accessible manner. The work is divided into three parts, addressing questions of God, ethics, and the sacraments, enriched with annotations and interactive links that enhance reader engagement. Aquinas employs a dialectical style, utilizing the Scholastic method of questioning and answering, which fosters a profound understanding of faith and reason's relationship, a hallmark of medieval scholasticism. His synthesis of Aristotelian philosophy with Christian doctrine marks a pivotal contribution to Western thought, addressing fundamental issues that resonate through subsequent theological discourse. Thomas Aquinas, a thirteenth-century philosopher and theologian, is often heralded as one of the foremost figures in Western philosophy. His formative experiences in the intellectual and spiritual milieu of the Dominican order, coupled with his engagement with the works of Aristotle, significantly influenced his theological perspectives. The Summa Theologica reflects Aquinas's commitment to exploring the depths of divine truth while accommodating human reason, seeking a harmonious integration of faith and intellect, earning him acclaim as a Doctor of the Church. I highly recommend Summa Theologica for scholars and laypersons alike, as it serves not only as a theological treatise but as an enduring guide to moral reasoning and spiritual inquiry. The interactive elements in this edition enrich the reading experience, allowing for deeper engagement with Aquinas's insights into ethics, divine law, and the nature of God. This work remains essential for anyone seeking to understand the foundations of Christian theology and its implications for contemporary faith and reason.

**Only the Brave** Sim Dendy, Krish Kandiah, Catherine Madavan, Lisa Holmes, 2018-03-23 Using the book of James as a road map, this multi-authored work will lead you on an adventure along the narrow road of discipleship. Only the Brave brings both challenge and excitement, while offering plenty of practical tips along the way! The five authors - Lisa Holmes, Krish Kandiah, Sim Dendy, Cathy Madavan, and Cris Rogers - each explore a chapter of James using these key themes: Face it; Live it; Tame it; Lose it; Finish it. They consider how we can use our heads, hearts, and hands to answer the challenge James, and ultimately Jesus himself, laid down. It takes courage to go beyond simply believing in Jesus: to live him, love him, and share him. Only the Brave urges us not to play it safe, but to live a life of abundance based on the example Jesus lived out on earth. Only the brave will change the world, and this book will inspire anyone who reads it to do just that.
