Alexandra Heilbron

Everyday Extraordinary Penny Armstrong Sparks, 2023-06-01 *Everyday Extraordinary* is a follow up to *My Saturday Morning Posts*, the compilation of a weekly journal posted on social media that followed Penny Sparks' first year of grief after the unexpected loss of her husband. Through this format, her healing process developed into a continued walk through the "more" that everyday life can bring. So often we can see God clearly in crisis, turning points or big decisions, but what about the routines in our average days? He promises we will see and do more if we engage Him in the middle-of-the-road moments. This collection of thoughts is divided into four seasons in recognition of how we can feel differently and more deeply at different times of the year. Penny uses her everyday moments to share extraordinary lessons about the goodness of God. These stories will inspire you to see God in the seemingly insignificant stuff and show you how He doesn't just work in the earthquakes of life, but in the gentle whispers as well.

The Next Instalment Wendy Roy, 2019-11-28 What happens next? That was the question asked of early-twentieth-century authors Nellie L. McClung, L. M. Montgomery, and Mazo de la Roche, whose stories and novels appeared serially and kept readers and publishers in a state of anticipation. Each author answered through the writing and dissemination of further instalments. McClung's *Pearlie Watson* trilogy (1908-1921), Montgomery's *Anne of Green Gables* books (1908-1939), and de la Roche's *Jalna* novels (1927-1960) were read avidly not just as sequels but as serials in popular and literary newspapers and magazines. A number of the books were also adapted to stage, film, and television. *The Next Instalment* argues that these three Canadian women writers, all born in the same decade of the late nineteenth century, were influenced by early-twentieth-century publication, marketing, and reading practices to become heavily invested in the cultural phenomenon of the continuing story. A close look at their serials, sequels, and adaptations reveals that, rather than existing as separate cultural productions, each is part of a cultural and material continuum that encourages repeated consumption through development and extension of the originary story. This work considers the effects that each mode of dissemination of a narrative has on the other.

Remembering Lucy Maud Montgomery Alexandra Heilbron, 2001-10-01 Lucy Maud Montgomery, Canada's most beloved author, not only gave the world the classic novel *Anne of Green Gables*, but she was also a devoted minister's wife, mother, neighbour, and friend to many, who in turn were honoured to have known this great lady. In *Remembering Lucy Maud*

Montgomery, the writer is remembered through first-hand reminiscences of the people who knew her. Her Sunday school students, neighbours, maids, family, and friends paint a portrait of Montgomery as she has never before been seen. Not only does this book uncover fascinating sides of the author and provide fresh anecdotes, but it includes many photographs that are published for the first time. Even Montgomery's most devoted fans will find stories to surprise, delight, and at times even shock them.

Diary of a Young Naturalist Dara McNulty, 2021-06-08 This “stunning” memoir from a sixteen year old globally renowned youth climate activist is a “galvanizing love letter to nature” (Publishers Weekly). *Diary of a Young Naturalist* chronicles the turning of a year in award-winning nature writer Dara McNulty’s Northern Ireland home patch. Beginning in spring—when “the sparrows dig the moss from the guttering and the air is as puffed out as the robin’s chest—these diary entries about his connection to wildlife and the way he sees the world are vivid, evocative, and moving. As well as Dara’s intense connection to the natural world, *Diary of a Young Naturalist* captures his perspective as a teenager juggling exams, friendships, and a life of environmental campaigning. We see his close-knit family, the disruptions of moving and changing schools, and the complexities of living with autism. “In writing this book,” writes Dara, “I have experienced challenges but also felt incredible joy, wonder, curiosity and excitement. In sharing this journey my hope is that people of all generations will not only understand autism a little more but also appreciate a child’s eye view on our delicate and changing biosphere.” Winner of the Wainwright Prize for UK nature writing, *Diary of a Young Naturalist* is a triumphant debut from an important new voice. “The most moving memoir I have read in years.” —Minneapolis Star Tribune “Empower[s] us to appreciate and protect our planet.” —Scientific American “Heartfelt, uplifting, hopeful.” —Kirkus Reviews, starred review “This book will change your life if you let it” —Aimee Nezhukumatathil, author of *World of Wonders* “Infused with joy . . . a title to linger over.” —Booklist “Simple, gorgeous sentences unfurl, one after another.” —The Guardian
