"Be Not Faithless But Believing." Jesus (John 20: 27, 28, 29) Cheryl Alvarado, 2018-11-19 There are Four very, very important TRUTHS that have been kept from you! FIRST TRUTH YOU CAN UNDERSTAND The Mystery of God, The Godhead and The Trinity And those that keep it from you are without excuse. (Rom. 1:18, 19,20) It is very important to understand the numerous things that have been changed in God's Word. One of the extremely important things that has been changed is God's name. God's name, YHWH, was replaced with the word LORD. Exodus 3:15 states, And God said . . . The LORD [YHWH] . . . This is my name forever, And this is my memorial unto all generations. And Jesus [Yeshua] answered him, The first of all the commandments is, Hear, O Israel; The Lord [YHWH] our God is one Lord [YHWH]: And thou shalt love the Lord [YHWH] thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment (Mark 12:29, 30). Our Saviour's name was changed too! To the Greek, Iesous, which became Jesus. But His Birth name was Yeshua. Yeshua = Yehoshua = YHWH-Salvation = YHWH As for our redeemer, the LORD [YHWH] of hosts is his name, the Holy One of Israel (Isa. 47:4). JESUS [Yeshua] SAID . . . IF YE BELIEVE NOT THAT I AM [HE], YE SHALL DIE IN YOUR SINS (John 8:24). When Thomas called Jesus [Yeshua], My Lord and My God, Jesus [Yeshua] said to him, Thomas, because thou hast seen me, thou hast believed: Blessed are they that have not seen and yet have believed. Please continue with me in God's Word in this compilation of scriptures, in this revealing study; and you will understand The Mystery of God, The Godhead, The Trinity and discover three other very, very important TRUTHS that have been kept from you! Author and Compiler, Cheryl Alvarado

Your Devil Is Too Big Jeremy Burge, 2021-10-26 How do you allow someone or something to become larger than life without knowing it? You consciously or unconsciously give it a title that is more grandiose than it deserves. As a society, this is what we have done with the devil. Your Devil Is Too Big takes aim at some of the areas of life in which we have unknowingly allowed the enemy to blind us from truth, construct lives that shy away from asking deeper questions, and ultimately keep us under his control. To understand the battle, you must understand the enemy. Your devil is too big, until you remember that God is bigger.

Be Bold. Believe. Bob Bonnell, 2018-08-06 What is CommunionFire? For those who believe communion is who Jesus says it is, it becomes a personal, intimate, one-on-one communication with him in his glory. We encounter his life and love where we are, as we are, for who we are at that moment and 'as often as you do this' Be Bold. Believe. Otherwise, communion is reduced to nothing more than a static religious memorial or a leftover piece of bread and a sip of juice; and yet, he loves, never leaves or gives up to personally share the eternal warmth of his grace. - Why is Communion becoming the most determining factor of Christian faith in these last days? - Why did the Good Shepherd invite us to His Table to Do this? - Why does Jesus say to pray, Give us this day our daily bread? and, I am the bread of life. - Why did the Apostle Paul write, I share with you what the Lord shared with me, 'Do this to remember me.'? - Why did the Angel in Revelation tell John about hidden

manna reserved for overcomers? - Why has the eastern and western Catholic Church preserved and protected the celebration of the Eucharist as the source and summit of Christian faith since the days of the early church? - Why did deacon Ephraim, who attended the Council of Nicaea, say, 'The Holy Qurbana is the bread of medicine and the wine of fire!' as part of the Syrian Orthodox Church near Mosul around 350 A.D.? - Why did John Wesley, co-founder of Methodism preach the Lord's command to constant communion in his famous, Sermon 101? - Why did Smith Wigglesworth have communion at 4am every morning at the turn of the 20th century and then go about his plumbing appointments, healing the sick and raising the dead? - Why does international television pastor Joseph Prince, apostle of the Grace Revolution, preach and write so much about the need for regular, personal Holy Communion? - Why did Buzz Aldrin have communion as the 1st thing he did when he and Neil Armstrong landed on the moon for the 1st time in human history? - Why do two believers in a sleepy beach town in South Carolina encounter miraculous insight and intimacy each morning during daily Holy Communion with Jesus, in their living room? Why? Jesus says, If you do this believing: you are partakers of my life, you have my promise of eternal life, you will be raised up on the last day to be with me forever and your life will be hidden with me in God as I can be in you, as your constant hope for eternal glory? If you don't, Jesus says, Truly, truly I say to you, unless you do this, you have no life within you.

Pentecostal Ecclesiology Simon K.H. Chan, 2019-05-21 This book argues that if the Pentecostal movement is to overcome its excessive individualism and structural instability the way forward is not more institutionalization but a coherent and robust ecclesiology based on the Pentecost event, which is the coming of the Holy Spirit in his own person into the church. A Pentecostal ecclesiology is essentially the working-out of the ramifications of that key event. The book takes a more ontological understanding of the relationship between the Spirit and the church than would Protestant and evangelical ecclesiologies. In this respect, it has more in common with Orthodoxy. It is further argued that this realignment away from Protestantism and evangelicalism towards Orthodoxy, far from removing Pentecostals from their roots, actually brings them much closer to the heart of Pentecostal spirituality.

How to Keep Believing When You're Suffering Shannon Cramer, 2024-01-10 When a chronic illness shatters your future, how do you pick up the pieces? Three health conditions upended Shannon Cramer's life in her early twenties. Two years later, unanswered prayers for healing broke her heart. One truth she knew for sure . . . if she was going to face a lifetime of suffering, she needed to keep believing in God's love for her. Could Jesus restore her confidence in his goodness and teach her to survive this new normal? Twelve years into disability, Jesus has done so much more . . . This is a book for warriors. It is a battle plan for Christians fighting chronic illnesses--written from the heart of a fellow soldier. There is hope

in the midst of suffering. When Shannon didn't know how to pick up the pieces of her shattered dreams to live with disability, Jesus became her way maker. One step at a time, he led her out of grief and helped her rediscover his light. Are you ready to reclaim your joy and rebuild your life? May God's comfort empower you to move forward.

The Routledge Handbook of Religion, Medicine, and Health Dorothea Lüddeckens, Philipp Hetmanczyk, Pamela E. Klassen, Justin B. Stein, 2021-11-24 The relationships between religion, spirituality, health, biomedical institutions, complementary, and alternative healing systems are widely discussed today. While many of these debates revolve around the biomedical legitimacy of religious modes of healing, the market for them continues to grow. The Routledge Handbook of Religion, Medicine, and Health is an outstanding reference source to the key topics, problems, and debates in this exciting subject and is the first collection of its kind. Comprising over thirty-five chapters by a team of international contributors, the Handbook is divided into five parts: Healing practices with religious roots and frames Religious actors in and around the medical field Organizing infrastructures of religion and medicine: pluralism and competition Boundary-making between religion and medicine Religion and epidemics Within these sections, central issues, debates and problems are examined, including health and healing, religiosity, spirituality, biomedicine, medicalization, complementary medicine, medical therapy, efficacy, agency, and the nexus of body, mind, and spirit. The Routledge Handbook of Religion, Medicine, and Health is essential reading for students and researchers in religious studies. The Handbook will also be very useful for those in related fields, such as sociology, anthropology, and medicine.

The Great Tradition - A Great Labor Philip Harrold, D H Williams, 2012-05-31 At a recent conference entitled Ancient Wisdom-Anglican Futures, theologians from across the denominational spectrum considered the question, What does it mean to inhabit the 'Great Tradition' authentically? As an expression of what C. S. Lewis called Deep Church, Anglicanism offers a test case of Tradition with a capital T in late modernity. Of particular interest is the highly dynamic transmission that has preserved a recognizable Anglican Way over the centuries. The process has been enlivened through constant negotiation and exchange with surprising convergences that have brought new life and direction. The contributors to this volume show how profitable and commodious (as Richard Hooker has said) the Great Tradition can be innurturing the worship, communal life, and mission of the Church. But it often demonstrates how hard it is to uphold the varied integrities of historic faith in the contemporary marketplace of religion and, especially, among evangelicals who continue to follow the Canterbury Trail.

The Mountain, Called Church Doctrine VICTOR UDOIDIONG, 2020-12-29 This book, *The Mountain Called Church Doctrine* speaks about the power in the Word of God which has existed from the beginning and has glowed over the years from generation to generation. It also points out that the Word of God has not diminished in value rather the potency keeps on growing every blessed day. The value in the Word is the ability to understand and obey it to the letter irrespective of who is involved. The church is subject to the Word, so also is obedience demanded as a mark of acceptance and submission. Every Word comes out with a mission to accomplish, reward, and to render account to the Creator. Hence, the Word is not subject to modernisation that the changes will affect its originality and potency but rather modernisation is subject to the Word which must conform to it. Therefore, the Church which is the body of Christ must adopt and adapt the Bible doctrines and ordinances given as a mark of submission.

The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview, and analyses the movement through N. T. Wright's model for worldview-analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith. The reader receives insights into the movement's narrative, semiotic, practical and propositional dimensions, which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

Exploring the Old Testament in Asia Jerry Hwang,Angukali Rotokha,2022-11-07 Exploring the Old Testament in Asia is the first evangelical Old Testament textbook written both from and for an Asian cultural context. Rooted in the theological conviction that God still speaks through the Old Testament in all its fullness, the twelve essays in this book address key theological issues pertinent to the diverse cultures and contexts of Asia. Touching on topics from polytheism and kinship bonds to Scripture translation and the biblical conception of wisdom, the writers position themselves in conversation with Asia’s rich spiritual, cultural, and literary heritage. The result is a theological contribution that is both contextually relevant and biblically faithful.
