No Period. Now What? Nicola J. Rinaldi, Stephanie G. Buckler, Lisa Sanfilippo Waddell, 2016-04-14 You're not alone. People tend to think that loss of menstrual cycles only happens to Olympic-level athletes or people with eating disorders. But it turns out you can have seemingly healthy eating and exercise habits and still be faced with a missing monthly cycle. In fact, your lifestyle may be the culprit. No matter how long you've been without a period, our Recovery Plan will guide you on the path to regaining your cycle and improving your long-term health and fertility.

The Clinical Guide to Fertility, Motherhood, and Eating Disorders Kate B. Daigle, 2019-07-04 This book is a comprehensive guide to addressing, working with, and healing from emotional struggles related to fertility and eating disorders. Covering the emotional, psychological and physical impact of anorexia nervosa, bulimia and binge eating disorder, this book explores the lived experience of numerous women and men who have lived with eating disorders, fertility, and parenthood. It delves into research on medical complications that can affect fertility, attachment, the experience of shame, adjustment to the postpartum period, and offers clinical tools for therapists to use to support clients from a weight and body neutral perspective. Those who read this book will come away with a renewed sense of hope for recovery and healing from serious mental illnesses, and the notion that the value of having a family may be stronger than the eating disorder itself. The only book of its kind, *The Clinical Guide to Fertility, Motherhood and Eating Disorders* will be useful to practitioners, therapists, and scholars alike.

You Can Have a Better Period Le'Nise Brothers, 2022-03-08 A practical guide to understanding your cycle and balancing your hormones with nutrition and yoga, for a calm and pain-free period. Written by Le'Nise Brothers, a nutritional therapist, yoga teacher and popular women's health, hormone and wellbeing coach. *You Can Have A Better Period* is a straight-talking resource to help women understand their menstrual cycles and finally get answers to questions such as: "why am I so moody right before my period?", "are periods supposed to be so painful?", "why is my period so heavy?", "is it normal to get headaches right before my period?" Le'Nise Brothers takes us through each phase of our cycle, including a clear programme of nutrition and lifestyle changes. The book explains which supplements work and the key stress management habits we can implement, to bring long-lasting and sustainable changes to our hormonal balance and menstrual health. In Western society, we have accepted a cultural narrative that periods are supposed to be painful, emotional and messy. This

book will be a practical guide that helps women change the way they look at their period, and finally harness the power of the fifth vital sign.

No Period Harry Turtledove,2020-11-30 A man sets out to tell a story of his ex, which in turns becomes a story of the world. If only he could change that story—find the moment where it all began and alter the past. But what if he can't find the beginning—or even the end? Holiness Joseph Bachota Jr.,2009-06 Christians are often labeled hypocrites. So what, then, prevents Christians from living in holiness and crafting an authentic Christian life? Joseph Bachota has the intriguing answer. Intricately researched and down-to-earth, *Holiness: Can the Church Do This or Not?* shares how Christians can begin to examine their lives and find their true path to holiness through faith in Jesus Christ. Bachota calls for the church's return to spiritual maturity and urges

Christians to hold themselves to a higher standard as God called us to do. Using Bible verses and personal experiences to support his view, Bachota offers insight into the struggles Christians face in their day-to-day lives. He delves into such topics as how to get into the mind of Christ, being transformed by the word of God, and the deeper aspects of holiness. He also includes probing questions at the end of each section to help you apply the text to your daily life. With a lively, conversational style, *Holiness: Can the Church Do This or Not?* will open your mind to a deeper understanding of truly living in Christ. Throw off the shackles of hypocrisy and embrace your holiness!
