Babysitter Miriam Forman-Brunell, 2009 In *Babysitter*, Miriam Forman-Brunell brings critical attention to the ubiquitous, yet long-overlooked babysitter in the popular imagination and American history. --from publisher description.

**The Kardashians** Jerry Oppenheimer, 2017-09-19 From the New York Times bestselling author of *Crazy Rich* comes a blockbuster unauthorized biography of one of the most famous and ubiquitous family dynasties in contemporary culture: The Kardashians. Secrets and scandals of the Kardashians, so closely held that not even hard core fans have heard about them, are finally exposed in New York Times bestselling author Jerry Oppenheimer's forensic dissection of the infamous reality TV clan. From the curious life of patriarch Robert Kardashian, whose family meatpacking business was tainted by scandal, to "momager" Kris Jenner's top-secret plan for the future, *The Kardashians* reveals the untold, definitive story based on two years of investigative reporting and scores of candid, on-the-record interviews, ranging from childhood friends to powerful business associates, who break their silence for the first time. In the decade since the Kardashians first appeared on the scene, millions of speculative words have been written about their drama-filled lives. But most has been tabloid hype and gossip column fantasy. Until now. Oppenheimer has written revelatory books on such international icons as the Clintons, the Kennedys, the Hiltons and more, and now comes *The Kardashians*, the true story that will make headlines and shock even the most loyal fans.

**Encyclopedia of American Short Films, 1926-1959** Graham Webb, 2020-07-27 Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a cartoon, a newsreel, possibly a serial and a short before launching into the feature film. Shorts could tackle

any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature or popular vaudeville acts. With the advent of sound-on-film in the mid-to-late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War, and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s.

**Encyclopedia of Television Shows** Vincent Terrace, 2018-01-14 This is a supplement to the author's Encyclopedia of Television Shows, 1925-2010. It covers 1,612 series broadcast between January 1, 2011, and December 31, 2016. Major networks--ABC, CBS, the CW, Fox and NBC--are covered along with many cable channels, such as AMC, Disney, Nickelodeon, Bravo, Lifetime, Discovery, TNT, Comedy Central and History Channel. Alphabetical entries provide storylines, casts, networks and running dates. A performer index is included.

**The Encyclopedia of Hollywood Film Actors** Barry Monush, 2003-04-01 For decades, Screen World has been the film professional's, as well as the film buff's, favorite and indispensable annual screen resource, full of all the necessary statistics and facts. Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes, this book chronicles the careers of every significant film actor, from the earliest silent screen stars - Chaplin, Pickford, Fairbanks - to the mid-1960s, when the old studio and star systems came crashing down. Each listing includes: a brief biography, photos from the famed Screen World archives, with many rare shots; vital statistics; a comprehensive filmography; and an informed, entertaining assessment of each actor's contributions - good or bad! In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity and glory that was the lifeblood of its subjects. Contains over 1 000 photos!

Screen World 1996 John Willis, Barry Monush, 1997-01-01 Covers American and foreign films released in the United States each year, with listings of credits and profiles of screen personalities and award winners

*Experimental Television, Test Films, Pilots and Trial Series, 1925 through 1995* Vincent Terrace, 2024-10-16 Test films, pilots, trial series, limited runs, summer tryouts--by whatever name, television networks have produced thousands of experimental shows that never made it into the regular line-up. Some were actually shown, but failed to gain an audience; many others never even made it on the air. This work includes more than 3,000 experimental television programs, both aired and unaired, that almost became a series. Entries include length, network, air date (if appropriate), a fact-filled plot synopsis, cast, guest stars, producer, director, writer, and music coordinator. Fully indexed.

*Encyclopedia of Television Pilots* Vincent Terrace, 2020-01-17 On November 27, 1937, NBC presented TV's first pilot film,

Sherlock Holmes (then called an experiment). Thousands of pilot films (both unaired and televised) have been produced since. This updated and restyled book contains 2,470 alphabetically arranged pilot films broadcast from 1937 to 2019. Entries contain the concept, cast and character information, credits (producer, writer, director), dates, genre and network or cable affiliation. In addition to a complete performer's index, two appendices have been included: one detailing the pilot films that led to a series and a second that lists the programs that were spun off from one series into another. Never telecast pilot films can be found in the companion volume, *The Encyclopedia of Unaired Television Pilots, 1945-2018*. Both volumes are the most complete and detailed sources for such information, a great deal of which is based on viewing the actual programs.

**George Cole - The World Was My Lobster: The Autobiography** George Cole, 2013-10-17 The World was my Lobster tells the story of George Cole's more than 70 years in the acting profession that began with a walk-on part at the age of 14 in the stage musical The White Horse Inn in 1939, and continues today having included such roles as David Bliss in the radio and television versions of A Life of Bliss, Flash Harry in the St. Trinian's films, and Arthur Daley in television's Minder. Adopted when he was only 10 days old, George Cole grew up in south London in the 1920s. On the day he left school he saw a newspaper advertisement seeking a small boy to join the cast of The White Horse Inn and was selected the following day. A year later, he found himself in the West End play Cottage to Let playing a cheeky wartime evacuee. Here he met legendary comic actor Alastair Sim who, with his wife, took him as an evacuee in their country house and coached him in the finer skills of acting. A flurry of films and theatre performances in the late 1940s, after his RAF service, culminated in a memorable role as a young Ebenezer Scrooge in the classic 1951 film Scrooge alongside Sim. Henry V, Cleopatra (with Elizabeth Taylor), Don't Forget to Write, Blott on the Landscape, Henry Root, and Dad are among other titles for which he is well known. But it was in 1979 that he landed the role that would elevate him to international recognition when he was offered the role of Arthur Daley in Thames Television's new series Minder alongside Dennis Waterman. In The World was my Lobster, a title taken from a classic line in a Minder episode, George Cole talks candidly, humorously and sensitively about his adoption, his life, his roles and many of the people he has worked with throughout his long career.

*Bitter Blood* Jerry Bledsoe, 2014-05-18 The "riveting" #1 New York Times bestseller: A true story of three wealthy families and the unbreakable ties of blood (Kirkus Reviews). The first bodies found were those of a feisty millionaire widow and her daughter in their posh Louisville, Kentucky, home. Months later, another wealthy widow and her prominent son and daughter-in-law were found savagely slain in Winston-Salem, North Carolina. Mystified police first suspected a professional in the bizarre gangland-style killings that shattered the quiet tranquility of two well-to-do southern communities. But soon a suspicion grew that turned their focus to family. The Sharps. The Newsoms. The Lynches. The only link between the three families was a beautiful, aristocratic young mother named Susie Sharp Newsom Lynch. Could this former child "princess" and fraternity sweetheart have committed such barbarous crimes? And what about her gun-loving first cousin and lover, Fritz Klenner, son of a nationally renowned doctor? In this tale of three families connected by marriage and murder, of obsessive love and bitter custody battles, Jerry Bledsoe recounts the shocking events that ultimately took nine lives, building to a truly horrifying climax that will leave you stunned. "Recreates . . . one of the most shocking crimes of recent years." —Publishers Weekly "Absorbing suspense." —Chicago Tribune "Astonishing . . . Brilliantly chronicled." —Detroit Free Press "An engrossing southern gothic sure to delight fans of the true-crime genre. Bledsoe maintains the suspense with a sure hand." —The Charlotte Observer

*Just One More Load* Louis Ippolito, 2021-10-08 This is a story about a brief history of marijuana smuggling and the life one lives amassing an exorbitant amount of money and power. It shows what money can do and what it will buy, including women, big cars, and many so-called friends. The stakes are very high, and the rush that is consumed is not like anything a normal person will have received. The family life was not the greatest and, in many ways, was not conducive to a healthy relationship. There were many times that guilt would be in the mind, but it was quickly dissuaded because of the benefits his life would have. Money was flowing so easily that the smuggler had lost reality. He bought homes and businesses that really meant nothing to him. In the end, the only friends he had were his family. His associates had turned the tables on him and sent him to prison. He realized all of this a little too late. The only visitors he had were his family, who stuck by him through the entire ordeal of not only one court trial but four. Although he was offered many deals by the government, his life had been cultivated by his father who was a large figure in the Mafia.
