Brendan G. Carr

The Bedtrick Wendy Doniger, 2022-08-22 Somehow I woke up one day and found myself in bed with a stranger. Meant literally or figuratively, this statement describes one of the best-known plots in world mythology and popular storytelling. In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova, the erudite and irrepressible Wendy Doniger shows us the variety, danger, and allure of the bedtrick, or what it means to wake up with a stranger. The Bedtrick brings together hundreds of stories from all over the world, from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News, to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of. Here you will find wives who accidentally commit adultery with their own husbands. You will read Lincoln's truly terrible poem about a bedtrick. You will learn that in Hong Kong the film The Crying Game was retitled Oh No! My Girlfriend Has a Penis. And that President Clinton was not the first man to be identified by an idiosyncratic organ. At the bottom of these wonderful stories, ancient myths, and historical anecdotes lie the dynamics of sex and gender, power and identity. Why can't people tell the difference in the dark? Can love always tell the difference between one lover and another? And what kind of truth does sex tell? Funny, sexy, and engaging, The Bedtrick is a masterful work of energetic storytelling and dazzling scholarship. Give it to your spouse and your lover.

Hot Daddy Package Angel Devlin, Tracy Lorraine, 2020-02-06 Authors Angel Devlin and Tracy Lorraine complete the hot single dad series with the ultimate enemies to lovers romance where a secret baby brings the fine line between love and hate to a steamy conclusion. I love to hate him. He hates me right back. Suki Scott Sullivan is the epitome of a turn off with his bad boy attitude and player ways. But his games won't work with me. I'd have run a mile already if we didn't have to work together. But everything changes when a surprise package arrives for him and he's forced to alter his lifestyle in the blink of an eye. I soon discover that his man-whore ways are just a cover because underneath the mask is a beautifully broken man craving a connection. Now I find myself helping him with his unexpected arrival, but am I falling for the man I've always loathed. They say there's a fine line... Am I about to cross it? Scott I thought she was a bitch. But now she's showing me a side of her I've never seen before. Helpful. Caring. And despite the fact there is no love lost between us, right now, when my world just imploded, I need her. Suddenly I'm a father, and I don't know what the hell to do. So when Suki steps in to help show me the way, I let her. The trouble is as I get used to the new baby girl in my life, I also get used to having Suki around.

Now am I falling for the woman I've always detested?

Look at Something Beautiful Every Day Jennifer Celeste Person,2013-08-22 This book had a 3 A.M. start. I woke up at 3 in the morning three years ago and the entire idea for this book was completely formed from start to finish in my mind (as all

great writing ideas do). The book underwent many transformations since its inception first starting out as a book about The Metropolitan Museum of Art where I had worked for many years, next evolving into a textbook for use by college students to be used in literature and art classes, and finally coming to rest in the form you are now holding in your hands. The book pairs poetry and art together and is an eclectic collection of both. I hope this book is a source of happiness for you and serves as a reminder to Look At Something Beautiful Every Day. Enjoy! J.C.P.

By Its Cover Ned Drew, Paul Sternberger, 2005-08-11 We all know we're not supposed to judge books by their covers, but the truth is that we do just that nearly every time we walk into a bookstore or pull a book off a tightly packed shelf. It's really not something we should be ashamed about, for it reinforces something we sincerely believe: design matters. At its best, book cover design is an art that transcends the publisher's commercial imperative to reflect both an author's ideas and contemporary cultural values in a vital, intelligent, and beautiful way. In this groundbreaking and lavishly illustrated history, authors Ned Drew and Paul Sternberger establish American book cover design as a tradition of sophisticated, visual excellence that has put shape to our literary landscape. *By Its Cover* traces the story of the American book cover from its inception as a means of utilitarian protection for the book to its current status as an elaborately produced form of communication art. It is, at once, the intertwined story of American graphic design and American literature, and features the work of such legendary figures as Rockwell Kent, E. McKnight Kauffer, Paul Rand, Alvin Lustig, Rudy deHarak, and Roy Kuhlman along with more recent and contemporary innovators including Push Pin Studios, Chermayeff & Geismar, Karen Goldberg, Chip Kidd, and John Gall.

Ride Angel Devlin, Tracy Lorraine, 2020-06-10 Writers Angel Devlin and Tracy Lorraine return with another nailbiting CEO boss-hole contemporary romance where the steam rises in the office and between the sheets. Mine to rule. Mine to ravish. Mine to ride. I thrive on weakness. Everyone has one, and I play on it until I get what I want. And I ALWAYS get what I want. I keep my private life private while my business reputation precedes me. That includes testing out each and every one of my assistants to ensure they're capable of dealing with the likes of me. None are. Until her. Anna Hawley. A rare breed: an intern who actually wants to do the job not her employer. She keeps rejecting my advances and it only makes me want her more. But Anna has secrets of her own and when her lies start to unravel, I won't stop until she fully understands the repercussions of trying to manipulate me. Will she hate me, or is there something between us she can't deny? Welcome to B.A.D. Inc. Where the CEO's play dirty in the boardroom and the bedroom. *RIDE* is the second book in this completed five book series. KEYWORDS: alpha male, friends to lovers, enemies to lovers, dark secrets, blackmail, revenge, happy ever after, completed romance series, first in series free, billionaires, boss, CEO, manipulation, corruption, sexy, steamy, spicy.

Saints, Sinners, Saviors T. Harris, 2016-04-30 Saints, Sinners, Saviors: Strong Black Women in African American Literature posits strength as a frequently contradictory and damaging trait for black women characters in several literary works of the twentieth century. Authors of these works draw upon popular images of African American women in producing what they believe to be safe literary representations. Instead, strength becomes a problematic trait, at times a disease, in many characters in which it appears. It has a detrimental impact on the relatives and neighbors of such women as well as on the women themselves. The pattern of portraying women characters as strong in African American literature has become so pronounced that it has stifled the literature.
