Dying to Teach Jeffrey Berman, 2012-02-01 In *Dying to Teach*, Jeffrey Berman confronts the most wrenching loss imaginable: the death of his beloved wife, Barbara. Through four interrelated narratives—how Barbara wrote about her illness in a cancer diary, how he cared for her throughout her illness, how his students reacted to his disclosure that she was dying, and how he responded to her death—Berman explores his efforts to hold on to Barbara precisely as she was letting go of life. Intensely personal, *Dying to Teach* affirms the power of writing to memorialize loss and work through grief, and demonstrates the importance of death education: teachers and students writing and talking about a subject that, until now, has often been deemed too personal for the classroom.

Strength for the Broken Places James A. Harnish, 2010-10-01 James A. Harnish, from the Introduction: “I’m broken. So are you. We’re all broken people who live in a broken world. The critical question is, how do we find strength to put broken things back together again? This book is an invitation to touch the scars that mark the broken places in our lives, in the same way the risen Christ invited a doubting disciple to touch the nail scars in his hands. It is a challenge to explore some of the dark places in our human experience, to uncover the sinister power of sin, and to experience the way the grace of God meets us in our broken places to bring new life.”

Stronger in the End Lynda Beth Unkeless, 2024-05-23 This engaging memoir shows women how to live—and how to age—with grace and gusto. Lynda Beth Unkeless has explored five continents and thrived on the kindness of strangers. Life, she says, is meant to be an adventure. In *Stronger in the End: My 70 Year Swim from Chaos to Calm* she recounts her risks in various countries with good humor, encouraging her readers to live without guilt and shame. Lynda Beth has much to say about resilience. At 62, she was diagnosed with two brain tumors. Unbowed and undaunted, she healed and continued to work as an advocate for people diagnosed with mental illness. She has written and performed four one-woman shows at The Marsh Theatre in San Francisco. *Burning Man Breakup/Breakthrough* (2007) was followed by *Rosey*, the story of a beloved San Francisco panhandler (2021). *Are You Somebody?* was based on her 2021 trip to Ireland during the pandemic and *Not Far from the Throat* told the story of her mother's suicide (2022.) *Stronger in the End* is about finding joy, getting through hard times, and learning to trust yourself. This brief memoir will make you laugh and cry and leave you feeling that you can

conquer any obstacle. A must read for any woman looking for sisterhood and encouragement to follow her own star, no matter how late in life. It's never too late, Lynda Beth advises, to feel loved, and to do what you truly love.

Hemingway's Sun Valley: Local Stories behind his Code, Characters and Crisis Phil Huss, 2020-07-20 It was a cold, windless, blue sky day in the fall of 1939 near Silver Creek--a blue-ribbon trout stream south of Sun Valley. Ernest Hemingway flushed three mallards and got each duck with three pulls. He spent the morning working on his novel *For Whom the Bell Tolls*. Local hunting guide Bud Purdy attested, You could have given him a million dollars and he wouldn't have been any happier. Educator Phil Huss delves into previously unpublished stories about Hemingway's adventures in Idaho, with each chapter focusing on one principle of the author's Heroic Code. Huss interweaves how both local stories and passages from the luminary's works embody each principle. Readers will appreciate Hemingway's affinity for Idaho and his passion for principles that all would do well to follow.

Hemingway's Notebook Bill Granger, 2024-09-24 Forced into a deadly mission, an elite agent must obtain government secrets to save the woman he loves in this espionage thriller. Everyone is looking for it on St. Michel in the Caribbean. Here the president is a raving lunatic, the Black Police have the run of the capital, guerilla forces mass in the hills, an organized crime syndicate plans its own takeover, and U.S. agents brutally battle for a document filled with hot political secrets, the lost notebook of Ernest Hemingway. And here one of America's toughest spies, the man they call November, will need all his courage and cunning if the coveted prize is to be his. Granger writes like a shooting star . . . A single page will grip the reader with an impact that other writers would use a chapter to pull off. — Chicago Tribune Granger . . . has been compared to le Carre, Ludlum and Fleming. But this lean, suspenseful tale, peopled with compelling characters, has a drive and signature all its own. — Publishers Weekly

Pastoral Care in Practice Michael Hopkins, 2023-09-20 All disciples of Jesus Christ are called to care for one another whether they have a formal role or not, and exercise pastoral care by listening, encouraging, comforting, offering practical help, praying. In times of crisis and in everyday life, good pastoral care people feel known and loved by God, and valued in the church. This short, yet comprehensive guide lays a biblical foundation for good pastoral care, offers a theological approach to understanding people, considers the particular needs of the sick, children and families, and those in difficult circumstances, and outlines the boundaries within which all can be safe. Throughout, examples and questions for reflection will deepen understanding and enrich practice.

What You Need to Know about Healing Harold J. Sala, 2013 Careful spiritual healing bring to light the wisdom in trusting God to bring hope and purpose into whatever situation a person may face.

Solzhenitsyn's Traditional Imagination James M. Curtis, 2008 Most critics overlook the literary significance of Alexander Solzhenitsyn's work, focusing instead on biographical, political, and moral interpretations. This examination of Solzhenitsyn's major novels--One Day in the Life of Ivan Denisovitch, The First Circle, Cancer Ward, and August 1914--emphasizes that his writings must be understood within the tradition of Russian literature and the context of Western culture. James M. Curtis provides a detailed analysis of Tolstoy's crucial influence on Solzhenitsyn, and he discusses at length Solzhenitsyn's relationship to Dostoyevsky, Leskov, Chekhov, and Zamyatin. Curtis also demonstrates that a study of Ernest Hemingway (whose books have been enormously popular in Russia) and Virginia Woolf can contribute to our understanding of the Russian novelist. Solzhenitsyn's Traditional Imagination includes a chapter on Dos Passos and Eisenstein whose work constituted Solzhenitsyn's first major artistic interest outside Russian literature. The chapter presents the first comprehensive examination of the importance of film for Solzhenitsyn and shows how he learned the use of film technique in literature from Dos Passos and how he adapted it from Eisenstein's films. This was the first full-length study to use Solzhenitsyn's revised editions of One Day . . . , The First Circle, and Cancer Ward (all published in 1978). Professor Curtis's careful use of the best available texts, together with his wide knowledge of contemporary literary criticism and his insistence upon Solzhenitsyn's purely literary importance, make this a valuable book for all students of Solzhenitsyn's fiction.

Say Yes to Life Sidney Greenberg, 1999-06-01 Say Yes to Life: A Book of Thoughts for Better Living reflects a deep understanding of the human condition with all its pain, perplexities, and possibilities. He is confident that traditional values are still alive and shows how we can reinforce the strength of these values to make life better for ourselves and others. A Capital Place David Laursen, 2002-09-01 A CAPITAL PLACE ...is how the author remembers Minnesota's historic Sandy Lake: important fur-trading hub, promised land to a succession of Native American tribes, 18th-century capital of the Ojibwe Nation, and strategic gateway to the Mississippi River from Lake Superior route followed by nearly all the famous men of Minnesota History. In this Reminiscence spanning more than a half-century, Laursen writes of boyhood days on a primitive Sandy Lake fishing resort, of his long struggle to become a writer, of exciting years with a youthful Medtronic and of the inspiring sequence of events which led him and wife to a Bed & Breakfast Inn on the shores of Leech Lake.

You Can'T Heal a Wound by Saying It'S Not There Dr. Sandra J. Taulbee, 2017-07-07 Today, men and women are running around empty, trying to fill a void with addictions to work, busyness, alcohol, drugs, high debt, pornography, serial dead-end relationships, and sex without commitment. My book speaks about the futility of this empty search and helps you find peace and meaning beyond yourself. You Can't Heal a Wound by Saying It's Not There is about recognizing the wounds we all have from growing up that cripple us until we face them and overcome them. Written in a case study format and interspersed with poignant illustrations and memoirs from the author's life, this book helps people identify what they need to do to grow up and become all that God intended so that they can use their life to help someone else be better. I have learned

much from people who have taught me over the years in private psychotherapy practice. I have also learned much from people I have served in churches and from our church systems that sometimes leave people marginalized. Thus, I have a passion for and am drawn to those who have been alienated for one reason or another from church and institutionalized religion. With that said, I am currently planting a new church with outreach to people who feel disconnected from God. (www.connectionscommunitychurchirvine.net)

The Tragedy Test Richard Agler, 2018-10-25 When tragedy strikes we want to know: Why did this happen? How could it have happened? Where is life's justice and fairness? When tragedy strikes we need to know: What still makes sense. What paths lead to healing. How to deal with the timeless questions. When Rabbi Richard Agler's twenty-six-year-old daughter Talia was struck and killed by a motor vehicle, his understanding of tragedy failed him. This book is an account of a journey, one he had no choice but to take, leading from unimaginable grief to (at least partial) recovery. In clear and compelling language, with references to both ancient and modern sources of wisdom, Rabbi Agler offers insight for everyone who has, or who one day might, experience painful loss. The Tragedy Test may give you enhanced clarity on some of humanity's most profound questions. It may lead you to reimagine the nature of our universe. It may fundamentally challenge your understanding of the God you thought you knew. It will not leave you unmoved or unchanged.

Heart of a Patriot Max Cleland, 2009-10-06 By the time he had reached middle age, Max Cleland thought he had

nothing to live for. Vietnam had left him a triple amputee. He had lost his seat in the U.S. Senate, and in the grip of depression he had lost his fiancée, too. But instead of giving up, Cleland discovered that he has what it takes to survive: the heart of a patriot. Doctors did not give Cleland much hope when he returned from Vietnam, but he overcame his despair through his bonds with other wounded soldiers. Against all odds, he realized his dream of becoming a Senator. But after being smeared as unpatriotic in a reelection campaign, a long-dormant case of Post-Traumatic Stress Disorder sent him back to Walter Reed Hospital. Surrounded by the veterans of Iraq and Afghanistan, Cleland again found the faith and endurance to regain control of his life. In a gut-wrenching memoir that is free of bitterness but frank about the costs of being a soldier, Max Cleland describes with love the ties America's soldiers forge with one another, along with the disillusionment many of them experience when they come home. *Heart of a Patriot* is a story about the joy of serving the country you love, no matter the cost—and how to recover from the deepest wounds of war.
