Six Months and Fifty Years Mark Todd,2023-04-26 About the Book Six Months and Fifty Years retells the true account of the author's life from early childhood in rural North America, to present day as a fifty-year-old man looking back at life, and looking for companionship through dating apps. While contemplating the loneliness inside his apartment, the old man is surprised by a foreign sound from his phone indicating he has a notification from a dating app he rarely uses. The man is pleased to discover a young man named Edward has taken an interest in his profile and wants to chat. It is through these messages the old man rediscovers his own desires for human touch and companionship. But is this infatuation real or just something existing over the Internet? The reader may discover a special relationship with the main character as he speaks directly to you in the book. The thoughts and feelings presented will hopefully encourage every human being the freedom of self-expression in their lives. Our voice is all we have sometimes, and if we do not use it, our ending could become dismal. About the Author Mark Todd is a writer and artist. The cover art is his own work. This is his first book.

Bring Each Other Home Angelina Fast-Vlaar,2019-05-15 "Walk with him" was the heavenly command the author received after her beloved mate was diagnosed with dementia. Through Our Eyes William A. Hunter,2010-04-12 In *Through Our Eyes*, William Hunter and some of the children he fostered share their experiences within these unique social welfare phenomena. The author took in children who suffered horrific abuse from their birth parents as well as during their journey through foster care. Hunter describes his personal struggle to salvage what humanity was left to these children and advocate against the immense bureaucracy of the state welfare and mental health systems. After a dozen years, it all came crashing down around him. The stress caught up with him and took a toll on his emotional and physical health. The cases of these children touch the human heart and invoke anger against the worst segment of our society. Few people know the suffering these children endure after the sensationalism of their abuse fades to the back page. Their struggle to survive in the system remains heart wrenching.

Not My Father's Footsteps Bryan Dean,2005 There are several thousand, if not millions of married men who are in the closet today. For the majority of these men, dating, marriage, family and careers have kept them there. Fears of separation from family, loss of friends, and loss of job are those things which cause them to hide behind the mask of heterosexual male. These men had little if no opportunity to explore this after adolescence. Many lived in small towns across the country. They have lived with fear, anxiety and guilt. Many successfully hid it from their wives. Some did not. The evolution of the Internet opened many doors for these men. Statistics prove that coming out usually ends in divorce. Not My Father's Footsteps takes a look at one such journey...an odyssey that in less than a year took him from inside the closet to a new life outside. It is a journey of love and torment, and finding love again. It is the story of seedy spas and confinement in the psychiatric ward for a brief time. By going back to his roots, he has been able to come out of his darkness and into the light of being a gay man.

These Five Words Are Mine Jennifer Lynne Croneberger,2012-12 These Five Words are Mine is a journey to awareness through the stories of every day life. It embraces the everyday conversations we have with ourselves. It captures the connections we see and those we live with others. It's an ordinary perspective with perhaps different eyes. It's a walk down that familiar road with all the lights on instead of the one we so often take surrounded by darkness. It's a jolt of fresh air when you can't breathe. It's days with a notebook, but not writing so you miss out on what you can't see when your head is down. The words are already so much a part of us, they don't even need to be written. Just felt. Have you ever felt a really deep connection to someone else? To a feeling? To words? Author Jen Croneberger brings awareness into our every day life by connecting us to all of it. Through every day stories, she takes us on a journey. One you will likely relate to as well. It's time to take that walk with eyes wide open. Let's begin... Review: Far from an ordinary book. It is a friend. If read with an open heart, not only do we realize we are not alone, but we will never look at ourselves and those around us the same.-- Daniel Matos, Spoken Word Artist.

Hello Again T R Harry,2021-10-25 A touching tale of the possible though highly improbable taking place in life—the “what if?” Inspired by actual events, Hello Again demonstrates the significance of motivation in whatever you attempt: success versus failure often hinges on desire versus resolve. The long and short of it is he had in his youth found her, loved her dearly and yet lost her. Now, years later, did he have any justification for trying to find her again? He thought he just might. And so began his search for his “special memory.”

Roots and Rhythm Charlie Peacock,2025-02-04 A beautifully crafted memoir unveiling the ancestral, musical, and spiritual roots of Grammy Award-winning music producer Charlie Peacock. In this artful memoir, Grammy Award-winning music producer Charlie Peacock flexes his literary chops and gives readers the gritty backstage stories they crave: biographical anecdotes, geeky trivia, and how the hits were written and recorded (from jazz to rock and pop). Threaded throughout is Peacock's unique ancestral and spiritual story—the roots. Like Coltrane, Dylan, and Bono before him, Peacock

reveals a Christ-affection while refusing genres too small for his music. Peacock, the great-grandson of a Louisiana fiddler, is an American musical polymath. He's been the young jazz musician sitting at the feet of trumpeter Eddie Henderson and pianist Herbie Hancock; the singer-songwriter plucked from the Northern California punk/pop underground by legendary impresarios Bill Graham and Chris Blackwell; a pioneering, innovative contributor to the nascent rise of gospel rock in the 1980s; and the genre-busting producer behind such diverse artists as Al Green, Ladysmith Black Mambazo, Chris Cornell, Audio Adrenaline, The Civil Wars, Switchfoot, Turtle Island Quartet, and John Patitucci. *Roots and Rhythm* includes Peacock's seminal NorCal days, the story of indie labels Exit and re:think, his first decade as a Nashville producer (1989-1999), and his essential role in the 21st-century folk/Americana boom (The Civil Wars, Holly Williams, The Lone Bellow). While his exploits and achievements grace the book (including the story of Amy Grant's "Every Heartbeat" and the evergreen "In the Light"), Peacock is hardly the only character. Instead, he writes as a Joan Didion-style essayist, weaving together a quintessential American story. Beat poet Gary Snyder, evangelist Billy Graham, producer T Bone Burnett, saxophonist Wayne Shorter, and writers Wendell Berry and Isabel Wilkerson all appear in this sweeping tale where ancestry, migration, teenage love, Jesus, and Miles Davis collide. The book is an invitation to all, including aspiring musicians: embrace the roots and rhythm of our own lives, letting the music and God's insistent love lead us to gratitude and wonder.

Chicago in the World Series, 1903-2005 Bruce A. Rubenstein, 2006-06-07 When the White Sox met the Astros in the 2005 World Series, it marked only the second time Chicago team had appeared in a televised World Series. (The first was in 1959 when the White Sox lost to the Dodgers.) Of the other 12 Series involving the Cubs or White Sox, seven occurred before the radio broadcasting of baseball. Five others were broadcast, but because the games were played during the workday, fans continued to get their coverage from newspapers. There they found accounts penned by some of the greatest journalists of the 20th century, including Ring Lardner, Grantland Rice, Arthur Bugs Baer and Westbrook Pegler, as well as legendary Chicago scribes Charles Dryden, James Crustinberry, Hugh Fullerton, I.E. Sanborn, and Irving Vaughan. With a chapter on each World Series involving a Chicago team, this book covers 100 years of championship diamond contests in the Windy City, from the intra-city classic of 1906 to the end of the White Sox's 88-year championship drought in 2005. Contemporary accounts from newspapers and sports publications complement the author's informed commentary, providing two views of the Series: one shared by those who were there, and one informed by the decades since.
