**Services Chiefs of India** S. Sartaj Alam Abidi,Satinder Sharma,2007 The present book is the story of gallant sons of Indian soil. They staked their lives in the service of the country. It was their bravery and dare-devilry that earned the name and reputation for Indian forces. Without their courage and leadership Indian Forces could never achieve the prominence. All the countries of the world know that Indian Soldiers, Sailors and Air-men can die for the country but can never betray it. The First World War and Second World War are the witness of their bravery and courage. They fought in the extreme climatic conditions with minimum resources - in the desert, oceans and in the air. It is the duty of every one of us to pay our homage

to these fearless persons working under the leadership of the Chiefs of Army, Navy and Air Forces. This book is the succinct and lucid portrayal of the service elites who are the embodiment of gallantry, undaunted courage and devotion to duty. This book is a humble tribute to their bravery and patriotism. This book will be very useful to service officers, youths and research scholars. It will save their precious time by providing all the essential information about the Services Chiefs of India. Salient Features 1. 11 Portrait Photos of the supreme commanders of Armed Forces. 2. 16 coloured and 4 black & white photographs on art paper make the book colourful. 3. 22 Generals, 18 Admirals, 20 Air Marshal & Air Chief Marshal portrait photographs make it a rare collection. 4. It's a vivid glimpse of the Martial History of India from independence to-date.

Mechanical Engineering Practices in Industry Dhruba J Syam, 2023-06-02 The four year undergraduate course in Engineering is loaded with theoretical contents and the students hardly find enough time and opportunity to adequately grasp the physical and practical aspects of application of various engineering theories that are being taught. Therefore, certain practice-oriented knowledge inputs in these years may help them acquire and enhance proficiency in the industrial working systems and processes. This book attempts to provide certain practice-oriented knowledge inputs which may help young mechanical engineers who aspire to make a successful career in engineering goods manufacturing enterprises. The book seeks to provide a combination of Engineering and Production/Manufacturing Management aspects to enable young mechanical engineers to make a confident start at the workplace and eventually ascend to leading positions in the organization. **Capturing the Essence of India** Vipin Chopal, 2017-05-20 What makes India ... Indiaaaaaahhhh? It certainly is not the only country that has got beautiful snow-laden mountains and whitewashed valleys. Similarly, there are deserts all across the

globe that are more majestic and enigmatic. There are waterfalls and lakes and rivers; after all, the entire world is a kaleidoscope of nature's immense beauty. But still, there is something very special about India and its exotic locations. What actually is that oomph factor? We let you discover your own answer through this book. Capturing the Essence of India pens down India's incredulous aspects in a humble manner. Each reader will find his or her own meanings reading this travel book, and ultimately, many of you might want to pen down your travelogues after reading this book. Indeed, this is what makes India an 'Aha' destination. Go ahead. Enjoy.

*The Aeroplane and the Making of Modern India* Aashique Ahmed Iqbal, 2023 Tracing the Indian state's engagement with aviation, both civil and military, from the Second World War to the nationalisation of airlines in 1953, this book argues that aviation played a critical role in state formation in modern South Asia.
