The Return Rachel Harrison, 2024-07-02 A group of friends reunite after one of them has returned from a mysterious two-year disappearance in this edgy and haunting debut. Julie is missing, and no one believes she will ever return—except Elise. Elise knows Julie better than anyone, and feels it in her bones that her best friend is out there and that one day Julie will come back. She's right. Two years to the day that Julie went missing, she reappears with no memory of where she's been or what happened to her. Along with Molly and Mae, their two close friends from college, the women decide to reunite at a remote inn. But the second Elise sees Julie, she knows something is wrong—she's emaciated, with sallow skin and odd appetites. And as the weekend unfurls, it becomes impossible to deny that the Julie who vanished two years ago is not the same Julie who came back. But then who—or what—is she?

Woo Woo Ella Baxter, 2024-12-03 A thrilling and eccentric novel about what it means to make art as a woman, and about the powerful forces of voyeurism, power, obsession, and online performance Woo Woo follows Sabine, a conceptual artist on the verge of a photo exhibition she hopes will be pivotal, as she plunges deeper into her neuroses and seeks validation in relationships—with her frustratingly rational chef husband, her horde of devoted Gen Z TikTok followers, and even a mysterious, potentially violent stalker. Accompanying her throughout are Sabine's strange alter egos, from hyperrealistic puppets of her as a baby to the ghost of conceptual artist Carolee Schneemann, who shows up with inscrutable yet sage life advice. Ella Baxter approaches the desire to see and be seen that defines both the creative and romantic act with humor, empathy, and a good dose of wildness, driving Sabine to an surreal and compelling climax that forces her—and us—to reconsider what it means to be an artist and a partner.

Check & Mate Ali Hazelwood, 2023-11-07 In this clever and swoonworthy YA debut from the New York Times bestselling author of *The Love Hypothesis*, life's moving pieces bring rival chess players together in a match for the heart. Mallory Greenleaf is done with chess. Every move counts nowadays; after the sport led to the destruction of her family four years earlier, Mallory's focus is on her mom, her sisters, and the dead-end job that keeps the lights on. That is, until she

begrudgingly agrees to play in one last charity tournament and inadvertently wipes the board with notorious “Kingkiller” Nolan Sawyer: current world champion and reigning Bad Boy of chess. Nolan’s loss to an unknown rook-ie shocks everyone. What’s even more confusing? His desire to cross pawns again. What kind of gambit is Nolan playing? The smart move would be to walk away. Resign. Game over. But Mallory’s victory opens the door to sorely needed cash-prizes and despite everything, she can’t help feeling drawn to the enigmatic strategist.... As she rockets up the ranks, Mallory struggles to keep her family safely separated from the game that wrecked it in the first place. And as her love for the sport she so desperately wanted to hate begins to rekindle, Mallory quickly realizes that the games aren’t only on the board, the spotlight is brighter than she imagined, and the competition can be fierce (-ly attractive. And intelligent...and infuriating...)

It Came From the Closet Joe Vallese,2023-06-15 “Horror opened me up to new possibilities for survival ... I saw power in freakery and transgression and wondered if it could be mine.” The relationship between horror films and the LGBTQ+ community? It’s complicated. Haunted houses, forbidden desires and the monstrous can have striking resonance for those who’ve been marginalised. But the genre’s murky history of an alarmingly heterosexual male gaze, queer-coded villains and sometimes blatant homophobia, is impossible to overlook. There is tension here, and there are as many queer readings of horror films as there are queer people. Edited by Joe Vallese, and with contributions by writers including Kirsty Logan and Carmen Maria Machado, the essays in *It Came from the Closet* bring the particulars of the writers’ own experiences, whether in relation to gender, sexuality, or both, to their unique interpretations of horror films from *Jaws* to *Jennifer’s Body*. Exploring a multitude of queer experiences from first kisses and coming out to transition and parenthood, this is a varied and accessible collection that leans into the fun of horror while taking its cultural impact and reciprocal relationship to the LGBTQ+ community seriously.

coffee shop romance is perfect for fans of YA books by Jenny Han and *Better Than the Movies*. Meet River Langston-Lee. In the past 24 hours, he's dumped his girlfriend, walked out of his SATs, and quit his job at his parents' cafe in spectacularly disastrous fashion—even for him. Somehow, he manages to talk his way into a gig at a failing Korean cafe, Bingsu for Two, which is his lucky break until he meets short, grumpy, and goth: Sarang Cho. She's his new no-BS co-worker who's as determined to make River's life hell as she is to save her family's cafe. After River accidentally uploads a video of his chaotic co-workers to his popular fandom account, they strike viral fame. The kicker? Their new fans ship River and Sarang big-time. In order to keep the Internet's attention—and the cafe's new paying customers—River and Sarang must pretend that the tension between them is definitely of the romantic variety, not the considering the best way to kill you and hide your body variety. But when Bingsu for Two's newfound success catches the attention of River's ex and his parents' cafe around the corner, he faces a choice: keep letting others control his life or stand up for the place that's become home. And a green-haired girl who's not as heartless as he originally thought . . . Bingsu for Two delivers a swoon-worthy romance that'll make you crave a Korean cafe adventure of your own. Fans of young adult romance books and books for teen girls will love this addictive debut that dishes up a serving of humor, heart, and hope.

Rules for Ghosting Shelly Jay Shore, 2024-08-20 NATIONAL BESTSELLER • To save his family's failing funeral home—and his own chance at a queer love story—a reluctant clairvoyant must embrace the gift he long ignored in this poignant and tender debut. “The richness of this book left me breathless. . . . It also brims with such delectable drama that I had to pause mid-scene to find the nearest person and dish as though it were real-world gossip.”—Olivia Waite, *The New York Times Book Review* Ezra Friedman sees ghosts, which made growing up in a funeral home complicated. It might have been easier if his grandfather's ghost didn't give him scathing looks of disapproval as he went through a second, HRT-induced puberty, or if he didn't have the pressure of all those relatives—living and dead—judging every choice he makes. It's no wonder that Ezra runs as far away from the family business as humanly possible. But when the floor of his dream job drops out from under him and his mother uses the family Passover seder to tell everyone she's running off with the rabbi's

wife, Ezra finds himself back in the thick of it. With his parents' marriage imploding and the Friedman Family Memorial Chapel on the brink of financial ruin, Ezra agrees to step into his mother's shoes and help out . . . which means long days surrounded by ghosts that no one else can see. And then there's his unfortunate crush on Jonathan, the handsome funeral home volunteer . . . who just happens to live downstairs from Ezra's new apartment . . . and the appearance of the ghost of Jonathan's gone-too-soon husband, Ben, who is breaking every spectral rule that Ezra knows. Because Ben can speak. He can move. And as Ezra tries to keep his family together and his heart from getting broken, he realizes that there's more than one way to be haunted—and more than one way to become a ghost.

Low Anthropology David Zahl, 2022-09-13 A lighthearted yet high-minded exploration of failure's ability to serve as a gateway to grace. Readers will find this a balm.--Publishers Weekly Many of us spend our days feeling like we're the only one with problems, while everyone else has their act together. But the sooner we realize that everyone struggles like we do, the sooner we can show grace to ourselves and others. In *Low Anthropology*, popular author and theologian David Zahl explores how our ideas about human nature influence our expectations in friendship, work, marriage, and politics. We all go through life with an anthropology--an idea about what humans are like, our potentials and our limitations. A high anthropology--thinking optimistically about human nature--can breed perfectionism, anxiety, burnout, loneliness, and resentment. Meanwhile, Zahl invites readers into a biblically rooted and surprisingly life-giving low anthropology, which fosters hope, deep connection with others, lasting love, vulnerability, compassion, and happiness. Zahl offers a liberating view of human nature, sin, and grace, showing why the good news of Christianity is both urgent and appealing. By embracing a more

accurate view of human beings, readers will discover a true and lasting hope.

Gender Euphoria Laura Kate Dale, 2021-06-10 GENDER EUPHORIA: a powerful feeling of happiness experienced as a result of moving away from one's birth-assigned gender. So often the stories shared by trans people about their transition centre on gender dysphoria: a feeling of deep discomfort with their birth-assigned gender, and a powerful catalyst for coming out or transitioning. But for many non-cisgender people, it's gender euphoria which pushes forward their transition: the joy the first time a parent calls them by their new chosen name, the first time they have the confidence to cut their hair short, the first time they truly embrace themselves. In this groundbreaking anthology, nineteen trans, non-binary, agender, gender-fluid and intersex writers share their experiences of gender euphoria: an agender dominatrix being called 'Daddy', an Arab trans man getting his first tattoos, a trans woman embracing her inner fighter. What they have in common are their feelings of elation, pride, confidence, freedom and ecstasy as a direct result of coming out as non-cisgender, and how coming to terms with their gender has brought unimaginable joy into their lives.

Death by Society Sierra Elmore, 2022-09-13 MEAN GIRLS meets IT'S KIND OF A FUNNY STORY when two teenage girls' worlds collide when one attempts suicide to avoid toxic popularity. Carter Harper may have created an award-winning app and have a 3.93 GPA, but her successes are overshadowed by brutal bullying, depression, and loneliness. Tired of being treated as the popular girls' plaything, Carter thinks her only choice is to die by suicide. Abby Wallace is one of the most popular girls in school, subordinate only to Kelsey, her best friend with benefits. The ambitious poet destroys reputations without care to prove how cool, cruel, and strong she is, all while pushing down her past trauma and secret guilt. Carter and Abby's tumultuous relationship comes to a boiling point when Abby stops Carter from attempting suicide. But what happens when they have to protect one another from Kelsey's harmful antics? If Carter and Abby can stand each other for more than three minutes, they can stop Kelsey from hurting more girls—and maybe become friends in the process. In the tradition of Courtney Summers and Laurie Halse Anderson, DEATH BY SOCIETY questions how far we'll go to gain power over our lives—and what happens when we use our voices for both good and to harm others.

Conversations with Monsters Charlotte Amelia Poe, 2024-06-21 How does autistic trauma really feel, and how can you find your way through it to a warmer, brighter place? Written by best-selling author Charlotte Amelia Poe this is a poignant and whimsical exploration of the true autistic experience. Chapter-by-chapter, Poe delicately peels back the layers of what it is to be young and autistic in the modern world, touching on trauma, grief, mortality, love and everything in between. Charming, thought-provoking and often very funny, this book doesn't offer solutions - it walks next to you, like a friend, through times both dark and light. It reminds you every step that you're not alone.

I Wrote This Book Because I Love You Tim Kreider, 2018-02-06 *A People Top 10 Book of 2018* The New York Times essayist and author of *We Learn Nothing*, Tim Kreider trains his singular power of observation on his (often befuddling) relationships with women. Psychologists have told him he’s a psychologist. Philosophers have told him he’s a philosopher. Religious groups have invited him to speak. He had a cult following as a cartoonist. But, above all else, Tim Kreider is an essayist—one whose deft prose, uncanny observations, dark humor, and emotional vulnerability have earned him deserved comparisons to David Sedaris, Sarah Vowell, and the late David Foster Wallace (who was himself a fan of Kreider’s humor). “Beautifully written, with just enough humor to balance his spikiness” (Booklist), *I Wrote This Book Because I Love You* focuses Tim’s unique perception and wit on his relationships with women—romantic, platonic, and the murky in-between. He talks about his difficulty finding lasting love and seeks to understand his commitment issues by tracking down the John Hopkins psychologist who tested him for a groundbreaking study on attachment when he was a toddler. He talks about his valued female friendships, one of which landed him on a circus train bound for Mexico. He talks about his time teaching young women at an upstate New York college, and the profound lessons they wound up teaching him. And in a hugely popular essay that originally appeared in *The New York Times*, he talks about his nineteen-year-old cat, wondering if it’s the most enduring relationship he’ll ever have. “In a style reminiscent of Orwell, E.B. White and David Sedaris” (*The New York Times Book Review*), each of these pieces is “heartbreaking, brutal, and hilarious” (Judd Apatow), and collectively they cement Kreider’s place among the best essayists working today.

Something Kindred Ciera Burch, 2024-04-02 Magical realism meets Southern Gothic in this commanding young adult debut from Ciera Burch about true love, the meaning of home, and the choices that haunt us. Welcome to Coldwater. Come for the ghosts, stay for the drama. Jericka Walker had planned to spend the summer before senior year soaking up the sun with her best friend on the Jersey Shore. Instead she finds herself in Coldwater, Maryland, a small town with a dark and complicated past where her estranged grandmother lives—someone she knows only two things about: her name and the fact that she left Jericka’s mother and uncle when they were children. But now Jericka's grandmother is dying, and her mother has dragged Jericka along to say goodbye. As Jericka attempts to form a connection with a woman she's never known, and

adjusts to life in a town where everything closes before dinner, she meets “ghost girl” Kat, a girl eager to leave Coldwater and more exciting than a person has any right to be. But Coldwater has a few unsettling secrets of its own. The more you try to leave, the stronger the town’s hold. As Jericka feels the chilling pull of her family’s past, she begins to question everything she thought she knew about her mother, her childhood, and the lines between the living and the dead.

But she really needs to prove her mean brother and even meaner PE teacher wrong about what a fat girl can do. When Ruby starts to train, she didn't expect that she would need help - nor that she would find it in the cute boy who has just moved in next door.
