Thief of Silver and Souls Eva Chase, 2023-10-04 What if it takes a monster to save a kingdom? I'll never forget the sight of my little sister's lifeless body-or that my rogue magic killed her. Sorcery like mine is punishable by death. So I live in the shadows, stealing from the corrupt to give to the needy. Maybe a little good can wash the blood from my hands. It seems like a decent plan... until I try to help a dying noblewoman and somehow steal her soul instead. Now her ghost is demanding I take up the quest that got her killed: exposing a conspiracy at the royal college to unleash a deadly power on the entire kingdom. Do I want to infiltrate the cutthroat world of haughty elites? Gods, no. But if I can save the kingdom, I could save my own soul too. So I'll pose as a refined lady, attending their classes and fancy balls, sneaking and spying like I learned on the streets. But I can't tackle this threat alone. I'll need to win the trust of the dead woman's allies: four arrogant noblemen. Four damaged yet dangerously enticing men. No matter what they stir in my heart, I can't afford to let them get too close. Because if they discover the monstrous things I'm capable of, saving my soul will be the least of my worries... *Thief of Silver and Souls is the first in a new fantasy romance series full of forbidden magic, impossible love, hot damaged men, and a rebellious heroine who's so much more than she imagines.*

Heart of Defiance Eva Chase, One heart can burn the way to freedom... Everyone knows you don't mess with the empire. Our tyrannical overlords rule our conquered kingdom with an iron fist. Even after they killed my parents and left me orphaned and ostracized, I've swallowed my resentment. I survive by keeping my head down, scavenging the scraps my neighbors discard. But when I see the empire's soldiers destroying my mother's last sculpture in the town square, years of bottled rage boil over. I never expect my sudden act of defiance to spark a full-out rebellion. Now I'm at odds with the empire's entire army with nothing but my wits and sheer stubbornness on my side. Well, that and three incredible men I'm guarding my heart from, because they can't possibly want a nobody like me... can they? No one thinks I stand a chance, but I'm done with cowering. I'll lead my country to freedom-or die trying. *Heart of Defiance is a standalone reverse harem romantasy novel with a fierce underdog heroine and three protective men who see her true worth.*

Apples of Gold in Pictures of Silver Dave Herr,2023-10-24 Maybe some people study prophecy for the thrill of the sensational, like adrenaline addicts chasing the next sky-dive rush. Certainly, promises given hundreds or thousands of years before their fulfillments are remarkable. However, sensationalism is not the intended purpose. And some people may think that prophecy is an ancillary, nonessential part of theology. But the premise of this book is that God-given prophecy has a far more profound purpose than sensationalism and plays an essential, inseparable part in the gospel message. Now if faith in Christ is all that is necessary for salvation, why is prophecy essential? The angel messenger who gave the Revelation to John answered that question. The angel told John, These are the true sayings of God. Then John fell at the feet of the angel to worship him. The angel responded, See you do it not, for I am your fellow servant and of your brethren who have the testimony of Jesus. Worship God, for the testimony of Jesus is the spirit of prophecy (Rev. 19:10). The angel explained that all prophecy connects to Jesus. Intrinsic to Jesus is prophecy, as is all scripture. That which predicts or speaks of His divine and human nature, His life and miracles, His death and resurrection, and His earthly and heavenly kingdom are all interconnected--they are all a part of His story, His testimony, His person. Therefore, Christ is the unspoken basis for this specific blessing given to readers of the Revelation: Blessed are they that read and hear the words of this prophecy and keep those things which are written in it, for the time is at hand (Rev. 1:3). Though there is rich reward in every book of the Bible, no other gives the aforementioned promise of blessing.

Seven Silver Coins Mary Leonard,2022-10-09 This book is a long prophetic word. It is a prophesy to give you a look into the bright and beautiful future God has been planning since before time. He has been talking to Mary about this time we are in, for years. The most recent discussions are exhilarating. Celebrate! We are on the threshold of a major miracle. You were born for a time such as this. How are you seeing your new future in this “New ERA?” Change is here. It is your time to shine. This is a hopeful clearly written book with steps to take to change your life forever. Speak life into your life. Mary gives

examples of hearing, seeing, knowing and feeling God, so you can do it also. This book includes the new names of the seven mountains and how they are drastically changing for the good. One recent sentence about the evil in this world, God said, "I am going to turn them on their head, upside down, inside out and DONE!" This is a Passover of His children and a judgement of all the evil around the world. Praise God!

The Cardinal and the Deadly Karl Clifton-Soderstrom, 2015-01-07 What makes for a good life? The seven deadly vices and seven holy virtues, ingrained in our cultural imagination, help us answer this perennial question. For two millennia, these fourteen character traits have stirred our imagination of human nature and desire. Sometimes, however, lists like the seven deadly sins remain mere caricatures that shame and exclude. The world, however, is not divided up into priests and convicts, saints and sinners, virtuous and vicious people. Much of the time, we live between the boundaries of vice and virtue. The Cardinal and the Deadly challenges simplistic bifurcations in order to reimagine a more faithful, hopeful, and loving life. It adopts a unique approach to examining the virtues and vices by pairing them in unexpected ways to reveal something significant about being human. Hope redirects greed; wisdom corrects pride; faith enlivens sloth. Bringing ancient and contemporary authors into dialogue, the book offers a concrete and accessible introduction to virtue ethics for students, pastors, and churches. Its ultimate goal is to engage the reader's intellect and imagination, so that we may respond creatively to the ethical challenges of living together.

Playing With Fire Katie Macalister, 2008-05-06 Gabriel Tauhou, the leader of the silver dragons, can't take his eyes of May Northcott—not even when May, who has the unique talent of being able to hide in the shadows, has slipped from everyone else's sights. May, however, has little time for Gabriel—not when she's hiding from the Otherworld law, hunting down a blackmailer, and trying to avoid a demon lord's demands. But her ability to withstand Gabriel's fire marks her as his mate, and he has no intention of letting her disappear into the darkness she seems to prefer. Then May is ordered to steal one of Gabriel's treasures—an immensely important relic of all dragonkin—and he must decide which to protect: his love or his dragons.
