The Complete Book of 1980s Broadway Musicals Dan Dietz, 2016-02-18 For Broadway audiences of the 1980s, the decade was perhaps most notable for the so-called "British invasion." While concept musicals such as *Nine* and Stephen Sondheim's *Sunday in the Park with George* continued to be produced, several London hits came to New York. In addition to shows like *Chess*, *Me and My Girl*, and *Les Misérables*, the decade's most successful composer Andrew Lloyd Webber was also well represented by *Cats*, *The Phantom of the Opera*, *Song & Dance*, and *Starlight Express*. There were also many revivals (such as *Show Boat* and *Gypsy*), surprise hits (*The Pirates of Penzance*), huge hits (*42nd Street*), and notorious flops (*Into the Light*, *Carrie*, and *Annie 2: Miss Hannigan's Revenge*). In *The Complete Book of 1980s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway during the 1980s. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues with such performers as Sid Caesar, Barry Manilow, Jackie Mason, and Shirley MacLaine. Each entry includes the following information: Opening and closing dates, Plot summaries, Cast members, Number of performances, Names of all important personnel including writers, composers, directors, choreographers, producers, and musical directors, Musical numbers and the names of performers who introduced the songs, Production data, including information about tryouts, Source material, Critical commentary, Tony awards and nominations. Details about London and other foreign productions. Besides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and published scripts, as well as lists of Gilbert and Sullivan operettas, black-themed shows, and Jewish-themed productions. A treasure trove of information, *The Complete Book of 1980s Broadway Musicals* provides readers with a comprehensive view of each show. This significant resource will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.

**Blinded by the Lyrics** Brent Mann, 2005 Explores the fascinating and surprising stories behind the most mysterious and inscrutable lyrics in rock & roll history. In Billy Joel's famous tune *Piano Man*, he sings: Now Paul is a real-estate novelist, who never had time for a wife. This strange lyric cries out for an explanation. What in the world is a real estate novelist? *Blinded By The Lyrics* has the unusual answer.

The Great Illusion: A Story of Self-Revolution Phoenix Wise, 2020-03-06 *The Great Illusion: A Story of Self-Revolution, Part 1: The Revelation*, is the first book in a three-part series. This book is revolutionary and will change the way you think

and see things. Throughout human history, people have been bombarded with lies and misinformation. Many people blindly believe their parents, society, religion, politicians, and teachers. Whether it's for power, greed, money, control, or enslavement, lying to people is one of the most evil things someone can do. Unfortunately, too many people are willing participants or are just ignorant. It's dangerous and unhealthy for the individual or the society to go along with these manipulations and fabrications. One of the best things that you can do is be skeptical and question what you have been told and shown, so you can discover the truth. This first book lets you follow the story of Emerald and her quest to break out of being controlled. For this book, she tackles current and real societal issues related to competition, freedom, religion, politics, capitalism, and many more. You may not agree with everything that Emerald believes, but at least you are starting to question what you believe while evolving in your life. Please keep expanding your awareness of yourself and the world around you. I hope you enjoy this philosophical and empowering journey into discovering the truth and the reality that we all need to face, which is yourself.

**The Complete Lyrics of Johnny Mercer** Johnny Mercer, Robert Kimball, Barry Day, Miles Kreuger, Eric Davis, 2009-10-20 The seventh volume in Knopf's critically acclaimed Complete Lyrics series, published in Johnny Mercer's centennial year, contains the texts to more than 1,200 of his lyrics, several hundred of them published here for the first time. Johnny Mercer's early songs became staples of the big band era and were regularly featured in the musicals of early Hollywood. With his collaborators, who included Richard A. Whiting, Harry Warren, Hoagy Carmichael, Jerome Kern, and Harold Arlen, he wrote the lyrics to some of the most famous standards, among them, "Too Marvelous for Words," "Jeepers Creepers," "Skylark," "I'm Old-Fashioned," and "That Old Black Magic." During a career of more than four decades, Mercer was nominated for the Academy Award for Best Song an astonishing eighteen times, and won four: for his lyrics to "On the Atchison, Topeka, and the Santa Fe" (music by Warren), "In the Cool, Cool, Cool of the Evening" (music by Carmichael), and "Moon River" and "Days of Wine and Roses" (music for both by Henry Mancini). You've probably fallen in love with more than a few of Mercer's songs—his words have never gone out of fashion—and with this superb collection, it's easy to see that his lyrics elevated popular song into art.

**Twenty-Nine Goodbyes** Timothy Billings, 2024-12-03 A primer for those with no previous knowledge of Chinese, this book introduces readers to the fundamentals of classical Chinese poetry through twenty-nine ways of understanding a single poem. "Seeing Off a Friend," by the great Tang poet Li Bai (701–762) has long been praised for its vividness, subtlety, and poignancy. Anthologizing twenty-nine translations of the poem, Timothy Billings not only introduces the poem's richness and depth but also the nuanced art of translating Chinese poetry into European languages. A famous exemplar of "seeing off poetry," which was common in an empire whose literati were continually on the move, Li's poem has continued to fascinate readers far removed from its moment of composition, from the Victorians, to Ezra Pound, to contemporary translators from

around the world. In talking us through these linguistic crossings, Billings unpacks the intricacies of the *lǔshi* or regulated verse poem, a form as pivotal to Chinese literature as the sonnet is to European tradition. This book promises to transform its readers, step-by-step, into adept interpreters of one of the most significant verse forms in Chinese literary history. Billings's engaging teaching style, backed by a lightly worn but deep scholarly engagement with Chinese poetry, makes this work an indispensable guide for anyone interested in poetry, translation, or the cultural heritage of China.

Music of the First World War Don Tyler, 2016-03-21 This book discusses WWI-era music in a historical context, explaining music's importance at home and abroad during WWI as well as examining what music was being sung, played, and danced to during the years prior to America's involvement in the Great War. Why was music so important to soldiers abroad during World War I? What role did music—ranging from classical to theater music, rags, and early jazz—play on the American homefront? Music of the First World War explores the tremendous importance of music during the years of the Great War—when communication technologies were extremely limited and music often took the place of connecting directly with loved ones or reminiscing via recorded images. The book's chapters cover music's contribution to the war effort; the variety of war-related songs, popular hits, and top recording artists of the war years; the music of Broadway shows and other theater productions; and important composers and lyricists. The author also explores the development of the fledgling recording industry at this time.
