Thank you for taking the time to read about numbers, the angelic meaning, biblical number principles and how numbers can guide you to divinely speak to you daily. An example: You look at the clock and it's 1:11, or 2:22, maybe you catch 4:44 and 5:55 am or pm. Another example: You go to check into a hotel and the room is 333 then you wake in the night to look at the clock and it is 3:33am. You struggle to find meaning when you see it over and over and over again. What if I told you there was divine intervention in the numbers you see day and night? What if I told you there were angel messages in the numerical values you see all around you? To good to be true? I've studied numbers and the re-occurrence, the meanings and the line up for 11 years now and I need to share what they mean in angel terms, biblical nature and universal smiles.

Soul Numbers Michelle Arbeau, 2014-07-01 Is it just a coincidence that a record number of people are seeing in numbers, or could it be the fabric of the universe revealing itself to us? According to the religion of Kabbalah and even the ancient Greek philosopher and mathematician Pythagoras, the truths of the universe are contained within numbers. The phenomena of numbers—seeing repeating numbers and number sequences—are sweeping the globe. People from the average Joe to celebrities are seeing repeating numbers on clocks, in addresses, in phone numbers, in account numbers, and on license plates, just to name a few. Repeating numbers and number sequences are showing up in both the quirky and the commonplace on a daily basis. Skeptics argue that seeing repeating numbers is simply a matter of pattern recognition and it's all in our head. There have been scientific theories throughout history that attempt to explain the basis of the universal structure—from String Theory to the Holographic universe. All things in existence can be counted, sorted, or measured using numbers and, intriguingly, a common thread in many theories is mathematics. More people are reporting the same phenomena in all cultures, races, and religions, turning skeptics into believers. *Soul Numbers* has the potential to create a tidal wave amid this numbers phenomenon, making it the new, most complete numbers-meaning bible. Numerology books offer some insight into the base number meanings of 0 to 9 but fail to go further to precisely pinpoint and explain why someone is seeing 1:47 on a clock daily and what it means to them. Covering the number meanings from 0 to 999, *Soul Numbers* helps readers decipher any number sequence. Whether they're seeing single 2s everywhere or exactly four—2222—it will allow them to break the numbers down like an ancient code. Unlike other titles with mainly angelic-focused number meanings, this book holds a broad spectrum view of number patterns, weaving science and spirituality to spark the curiosity of both the skeptic and the die-hard spiritualist.

Waking up an Empath Kim Wuirch, 2016-12-28 *Waking Up an Empath: A Year in the Life of an Empath from Awakening to Spiritual Healer* is the honest, often comical year in the life story of Kimberly Wuirch. Having been labeled as sensitive throughout her life, even by her mother, Kimberly finally finds out the reason why her emotions and moods are often heightened. She discovers that she is an empath. This book is based on one year of Kimberly's life—from the shock of finding out she was an empath and learning what that meant, to the journey through spiritual awakening, and finally to becoming a healer, psychic, and medium. Her story is relatable to many people who are too afraid to let the world know of their abilities or who are only just discovering who they really are. Kimberly wrote this book to help other empaths realize that their thoughts, feelings, and sudden mood swings are all a normal part of being an empath and how difficult it is for those on the outside to fully understand what life is like for an empath. In the pages of this book, Kimberly is like the good and knowledgeable friend whom empaths can confide in when it comes to their own spiritual awakening and the fears and

challenges that brings up. There are not only words on the pages of this book. There is also love and compassion for a journey Kimberly knows all too well.
