Dark Night of the Soul St John of the Cross, 2011-07-28 All Christians experience dark nights times when everything seems to be going wrong with them. Some wallow in despair, others learn in darkness. St. John explains the four benefits of the dark night: 1. Delight of peace. 2. Habitual remembrance and thought of God. 3. Cleanness and purity of soul. Practice of the virtues. 4. Practice of the virtues

Dark Night of the Soul Saint John of the Cross, 2002 St. John's sharply organized mind gives clean shape to his mystical belief in a loving Being somewhere outside the realm of feeling, thought, or imagination, who can only be known through love. Dark night of the soul describes the process of purgation, first of senses, and then of spirit, that precedes the soul's loving Union with God.

Dark Night of the Soul Saint John of the Cross, 2016-12-20 Difficult to read but powerful, this book is a sequel and continuation of *Ascent of Mount Carmel* that described the journey of the soul to union with God. This book offers encouragement that we can use to make our way through our own dark nights in our pursuit of a personal relationship with the true God. Poetic and haunting, this book is a profound work of Christian mysticism.

Dark Night of the Soul St John of Cros, 2014-10-01 Dark Night of the Soul is a spiritually moving book. In it, St. John of the Cross describes the soul's journey--the dark night--to the divine union of the love of God. A poet at heart, St. John describes the journey and the union with beautifully rich and deeply symbolic language. However, St. John does not simply describe the journey; at times he offers encouragement and comfort to readers as they too struggle with the excruciating dark night. Offering hope to the downtrodden and discouraged, Dark Night of the Soul is one of the most difficult books a person can read, but its difficulty is surpassed by its reward. One of the most profound works of Christian spirituality, this book is highly recommended for those seeking union with God.

The Dark Night of the Soul St. John Of The Cross,2014-03 This Is A New Release Of The Original 1922 Edition.

Dark Night of the Soul G. P. Geoghegan,2008-12-05 dark night of the Soul: Not all but some segment of humanity will experience before or after death, to some degree, the dark night of the soul. This experience, designed by God, is to elevate that soul to a higher level of perfection before entering Heaven. That soul, as do so many, will share to some degree in the suffering of the crucifixion as his life unfolds about him. Each day counts for all eternity therefore anything happening within that day becomes a recorded part of his life including his sins as well as his good deeds. It is here the soul will discover his losses or gains that will remain with him forever. It is here that he was having difficulty assimilating this confusion & fear in this dark void between his mortal & life immortal. It seems as though he, the Protagonist, is stuck in a dark endless void as he recounts & endures his entire life from his earliest reflection to his final moments before eternity claims him. Here the final battle of life eternal is resolved.

Dark Nights of the Soul Thomas Moore,2005-06-16 Every human life is made up of the light and the dark, the happy and the sad, the vital and the deadening. How you think about this rhythm of moods makes all the difference. Our lives are filled with emotional tunnels: the loss of a loved one or end of a relationship, aging and illness, career disappointments or just an ongoing sense of dissatisfaction with life. Society tends to view these “dark nights” in clinical terms as obstacles to be overcome as quickly as possible. But Moore shows how honoring these periods of fragility as periods of incubation and positive opportunities to delve the soul’s deepest needs can provide healing and a new understanding of life’s meaning. Dark Nights of the Soul presents these metaphoric dark nights not as the enemy, but as times of transition, occasions to restore yourself, and transforming rites of passage, revealing an uplifting and inspiring new outlook on such topics as: • The healing power of melancholy • The sexual dark night and the mysteries of matrimony • Finding solace during illness and in aging • Anxiety, anger, and temporary Insanities • Linking creativity, spirituality, and emotional struggles • Finding meaning and beauty in the darkness

The Dark Night of the Soul Gerald G. May, 2009-03-31 Now in paperback: a distinguished psychiatrist, spiritual counsellor and bestselling author shows how the dark sides of the spiritual life are a vital ingredient in deep, authentic, healthy spirituality. Gerald G. May, MD, one of the great spiritual teachers and writers of our time, argues that the dark 'shadow' side of the true spiritual life has been trivialised and neglected to our serious detriment. Superficial and naively upbeat spirituality does not heal and enrich the soul. Nor does the other tendency to relegate deep spiritual growth to only mystics and saints. Only the honest, sometimes difficult encounters with what Christian spirituality has called and described in helpful detail as 'the dark night of the soul' can lead to true spiritual wholeness. May emphasises that the dark night is not necessarily a time of suffering and near despair, but a time of deep transition, a search for new orientation when things are clouded and full of mystery. The dark gives depth, dimension and fullness to the spiritual life.

This is the treasure revealed by Plotinus - the great and noble man - not his doctrine only, for Truth is mightier than scientific theorizing - but his Knowledge and his message to the world. The Dark Night of the Soul John of the Cross, 2021-11-25 This book tells about the mystical journey of the soul toward the union with God. This journey is made in darkness since we don't know anything of God, the Light, at the end of the trip. The journey comprises two critical phases of purgation: the purgation of senses and the purgation of spirit. These two phases make the first part of the spiritual journey. After the purgation, there comes illumination and then union.
