Christmas Tapestry Patricia Polacco, 2008-09-11 When a leak ruins the sacristy wall in his father's church, Jonathan Jefferson Weeks thinks Christmas Eve service will be ruined. Luckily he and his father find a beautiful tapestry, perfect for covering the damaged wall and giving the church a festive look! But then, an old Jewish woman recognizes the beautiful cloth. Her discovery leads to a real miracle on Christmas Eve.

Gifts of the Heart Patricia Polacco, 2013-10-03 Beloved author-illustrator Patricia Polacco's holiday story is a wonderful ode to the magic of family, Christmas, and giving the right kind of gifts—gifts filled with love. Richie and Trisha want to buy Christmas gifts for their family, but they don't have enough money. Enter Kay Lamity, a new housekeeper . . . but is that all she is? She comes into their lives like a whirlwind, brimming with positive energy and a can-do attitude. Kay not only straightens them out when it comes to whether or not Santa Claus is real, she teaches them something about gifts: the just-good-enough kind that come from the pocketbook and the unforgettable kind that come from the heart. Because of Kay, Trisha and Richie—and the family—have a Christmas morning they will never forget. Celebrating the joy of homemade gifts, Patricia Polacco introduces readers to a new character who is truly a force of nature in this story reminiscent of *Christmas Tapestry* and *An Orange for Frankie*. This is a magical Christmas story the author swears is true, right down to the sleigh tracks on the farmhouse roof!

Suffer the Little Children Jodi Eichler-Levine, 2015-04-08 Examines classic and contemporary Jewish and African American children's literature Through close readings of selected titles published since 1945, Jodi Eichler-Levine analyzes what is at stake in portraying religious history for young people, particularly when the histories in question are traumatic ones. In the wake of the Holocaust and lynchings, of the Middle Passage and flight from Eastern Europe's pogroms, children's literature provides diverse and complicated responses to the challenge of representing difficult collective pasts. In reading the work of various prominent authors, including Maurice Sendak, Julius Lester, Jane Yolen, Sydney Taylor, and Virginia Hamilton, Eichler-Levine changes our understanding of North American religions. She illuminates how narratives of both suffering and nostalgia graft future citizens into ideals of American liberal democracy, and into religious communities that can be understood according to recognizable notions of reading, domestic respectability, and national sacrifice. If children are the idealized recipients of the past, what does it mean to tell tales of suffering to children, and can we imagine

modes of memory that move past utopian notions of children as our future? Suffer the Little Children asks readers to alter their worldviews about children's literature as an "innocent" enterprise, revisiting the genre in a darker and more unsettled light.

The Joy of Children's Literature Denise Johnson, 2023-12-18 This book provides in-depth coverage of children's literature with integrated reading methods in a concise, accessible format. Johnson emphasizes that reading, writing, discussing, and finding pleasure in children's books are essential tools in being able to recognize and recommend literature, and being able to share the joy of children's literature with children themselves. This fully updated third edition includes up-to-date research, new book titles within each chapter, a greater focus on diversity and inclusion, and new sections on Activities for Professional Development and Print and Online Resources.
