

City On A Hilltop

WJ Hussar

In Search of the City on a Hill Richard M. Gamble, 2012-05-31 In Search of the City on a Hill challenges the widespread assumption that Americans have always used this potent metaphor to define their national identity. It demonstrates that America's 'redeemer myth' owes more to nineteenth- and twentieth-century reinventions of the Puritans than to the colonists' own conceptions of divine election. It reconstructs the complete story of 'the city on a hill' from its Puritan origins to the present day for the first time. From John Winthrop's 1630 'Model of Christian Charity' and the history books of the nineteenth century to the metaphor's sudden prominence in the 1960s and Reagan's skillful incorporation of it into his rhetoric in the 80s, 'the city on a hill' has had a complex history: this history reveals much about received notions of American exceptionalism, America's identity as a Christian nation, and the impact of America's civil religion. The conclusion considers the current status of 'the city on a hill' and summarizes what this story of national myth eclipsing biblical metaphor teaches us about the evolution of America's identity.

City on a Hill Abram C. Van Engen, 2020-02-25 A fresh, original history of America's national narratives, told through the loss, recovery, and rise of one influential Puritan sermon from 1630 to the present day In this illuminating book, Abram Van Engen shows how the phrase "City on a Hill," from a 1630 sermon by Massachusetts Bay governor John Winthrop, shaped the story of American exceptionalism in the twentieth century. By tracing the history of Winthrop's speech, its changing status throughout time, and its use in modern politics, Van Engen asks us to reevaluate our national narratives. He tells the story of curators, librarians, collectors, archivists, antiquarians, and often anonymous figures who emphasized the role of the Pilgrims and Puritans in American history, paving the way for the saving and sanctifying of a single sermon. This sermon's rags-to-riches rise reveals the way national stories take shape and shows us how those tales continue to influence competing visions of the country—the many different meanings of America that emerge from its literary past.

As a City on a Hill Daniel T. Rodgers, 2020-10-06 For we must consider that we shall be as a city upon a hill, John Winthrop warned his fellow Puritans at New England's founding in 1630. More than three centuries later, Ronald Reagan remade that passage into a timeless celebration of American promise. How were Winthrop's long-forgotten words reinvented as a central statement of American identity and exceptionalism? In *As a City on a Hill*, leading American intellectual historian Daniel Rodgers tells the surprising story of one of the most celebrated documents in the canon of the American idea. In doing

so, he brings to life the ideas Winthrop's text carried in its own time and the sharply different yearnings that have been attributed to it since. As a City on a Hill shows how much more malleable, more saturated with vulnerability, and less distinctly American Winthrop's Model of Christian Charity was than the document that twentieth-century Americans invented. Across almost four centuries, Rodgers traces striking shifts in the meaning of Winthrop's words--from Winthrop's own anxious reckoning with the scrutiny of the world, through Abraham Lincoln's haunting reference to this almost chosen people, to the city on a hill that African Americans hoped to construct in Liberia, to the era of Donald Trump. As a City on a Hill reveals the circuitous, unexpected ways Winthrop's words came to lodge in American consciousness. At the same time, the book offers a probing reflection on how nationalism encourages the invention of timeless texts to straighten out the crooked realities of the past.

Lost City of Richmond Hill Pasquale De Marco, 2025-07-14 Embark on a captivating journey through the annals of Richmond Hill, Queens, New York, in this comprehensive exploration of its rich history, vibrant community, and unwavering spirit. From its humble beginnings as a rural retreat to its transformation into a thriving urban center, Richmond Hill's story is a testament to human enterprise and resilience. Walk along the charming streets lined with Victorian-era homes, each whispering secrets of a bygone era. Discover the hidden gems tucked away in quiet corners, revealing glimpses of Richmond Hill's storied past. Meet the people who call Richmond Hill home, a diverse tapestry of cultures and backgrounds. From artists to entrepreneurs, educators to community activists, their stories weave together the vibrant fabric of this remarkable neighborhood. Experience the warmth of their hospitality, the passion that fuels their endeavors, and the sense of belonging that permeates the air. Uncover the tales of Richmond Hill's founding families, their dreams, and aspirations that shaped the very essence of this remarkable place. Delve into the history of its architectural landmarks, standing as proud sentinels narrating the city's evolution. Explore the natural beauty of its parks and green spaces, offering respite and rejuvenation amidst the bustling urban landscape. Richmond Hill is a city that embraces innovation while honoring its heritage. It is a place where the past and present converge, creating a unique blend of history and modernity. Its residents are united by a shared vision for the future, one that builds upon the strong foundation of the past while embracing the possibilities of tomorrow. With captivating storytelling and stunning visuals, this book invites you to discover the hidden treasures, the untold tales, and the indomitable spirit that defines Richmond Hill. Experience the essence of this extraordinary city, where progress, heritage, and community intertwine to create a truly remarkable tapestry. If you like this book, write a review!

Oregon City Floods County Historical Society,2016-02-01 Native American legends from times long ago tell of great floods that covered the earth in the Pacific Northwest. Early fur trappers describe the Willamette River as a sheet of water covering the land as far as the eye can see in the early 1800s. As American settlement of the Oregon Territory began in the 1840s, a great flood carried away many of the new businesses at the base of majestic Willamette Falls. Again and again the rivers rose, inundating the historic city to the north and south. But Oregon City, the first incorporated city in the Oregon Territory, survives, thrives, and grows despite these floods.

The Films of George Roy Hill, rev. ed. Andrew Horton,2015-05-07 As late as 1976, George Roy Hill was the first and only director to have two all-time, top-ten, box-office hits: Butch Cassidy and the Sundance Kid and The Sting (both starring Robert Redford and Paul Newman). A filmmaker with backgrounds in music, drama and television, he was a popular storyteller. His films reflect an ironic, bittersweet vision of life. The stories entertain, but the subtext is often disturbing. Hill felt that all of his major characters create an environment, a fantasy, an illusion, and then go on to make it happen. Individual chapters study in detail the art, craft and style of each of his films, including Period of Adjustment, Toys in the Attic, The World of Henry Orient, Hawaii, The Great Waldo Pepper, Slap Shot, Thoroughly Modern Millie, Slaughterhouse Five, A Little Romance, The World According to Garp, The Little Drummer Girl and Hill's last, Funny Farm.
