For the Love of Layla Callie Moss,2022-08-14 For the Love of Layla is a dark psychological stalker romance... Her - How do you cope when you find out the person you entrusted your heart to is a monster? A wolf in sheep's clothing. I did what I thought was the right, logical thing...I ran. Little did I know nothing was ever going to be that easy and he had no intention of letting me go. Him - The day she left she took a piece of me, hell she took everything I ever was and ever dreamt of being. I've always been a little...different. Inflicted with a chronic need to fixate on things. Who better to fixate on than the woman who stole my heart the moment she quite literally stumbled into my life. I can't let her go and I will get her back by any means necessary. Even if that means destroying us both in the process. She's mine. Only mine. My little love seems to have forgotten that, it's going to be fun reminding her. For the Love of Layla is a standalone dark psychological stalker romance with a supplemental epilogue, where you can choose to continue the story or end it. There will be many instances in this book that could be upsetting to some readers. This story is not meant for the light hearted. It won't have a picture perfect ending with a pretty bow and a happily ever after scribbled at the bottom of a page, not right away. How the story ends is up to the reader, if you take my ending or the supplemental one is entirely up to you. This story is meant for those who aren't afraid to love passionately, grieve and shed a few tears. With great love comes great pain.

Love: Bondage or Liberation? Deirdre Johnson,2018-03-26 Much has been written about the function of falling in love in the course of therapy itself. This book has a much broader aim. The author, a Jungian analyst and psychotherapy trainer, uses her teaching and clinical experience to illuminate the whole range of this near universal human experience. How, and why, does falling in love affect us so profoundly? How can it enhance who we are, or must it ultimately fade without lasting value? The author argues that the many valuable studies by psychoanalysts, relational psychologists, anthropologists, neuroscientists, and philosophers have all made valuable contributions, and uses these to highlight and explore the many values and dangers inherent in passionate love. However, she claims that a more holistic approach is required to show how these various accounts can be seen as complementary rather than competing, and can be accommodated within an overarching view of the integration of the human being in its heights and depths.

A Season to Heal For Love Portland Yetana Daniels,2023-07-14 A Season to Heal for Love Season's Series: Book 2 Vanessa Worthington is a Christian woman married to her college sweetheart, Max. They have a loving marriage, living in

Fort Lee, New Jersey, and both work in their professions in Manhattan until a phone call turns their lives upside down. For better or worse. Vanessa is at home on her much-needed staycation. Her phones are ringing off the hook. Her twin sister, Veronica, calls like always to ask if she can take care of her eleven-year-old daughter, Layla, while she is off to her seminars, and the house phone rings, which startles her. A gentleman's voice on the other end of the line asks if he can speak to Maximillian Worthington, saying that he's a lawyer from Washington DC. During dinner, Vanessa tells her husband that he received a phone call from a DC Lawyer. Max is confused about why a lawyer is calling him. He returns the call, and the lawyer explains to him about a will left by the Barringtons. He is bewildered and starts spewing questions over the unexpected call. The lawyer tells him that he's in town and asks if he can come by to explain everything to him. The distinguished-looking lawyer tells them before the Barringtons' death that they drafted a will that stated Max, their only heir, would get their massive fortune. Then he reads a handwritten letter from his birth mother that he is adopted. Max is confused and furious about why his parents kept his adoption from him. That evening, Vanessa and Max opens the envelopes the lawyer gave them. They are amazed by seeing the pictures of the beautiful mansion in Waldorf, Maryland, and the enormous check. Much to the astonishment of the inheritance, Max tells Vanessa that he will quit his job. Vanessa squashes his excitement and suggests in a subtle way to face his parents first, see the mansion, and then announce to family and friends about the inheritance when the time is right. Vanessa feels her husband's heart and sees his parents' shame for not telling Max he is adopted. They go to Maryland along with Layla to see the mansion and fall in love with it. When they return, Vanessa wants to dispute whether to keep the mansion or not, and Veronica returns from her seminar to pick up Layla. Max tries to avoid the confrontation. Over dinner, he makes the big announcement that they are keeping the mansion. Max is in his office calling his boss to tell him he will not be at work. Vanessa overhears the conversation and asks him why he isn't going to the architecture firm. He keeps a straight face, lying about going to Waldorf. Vanessa is unaware that he surprises her by preparing the house for their twentieth anniversary. Veronica asks Vanessa if her daughter can stay again for two weeks. On the day Veronica is to return, she calls Vanessa, pleading if Max can pick her up later because of the flight delay. Vanessa and her niece are impatient and worry about why it's taking them so long to come home. Nevertheless, they are happy, and Vanessa is surprised to hear a knock on the door. The Newark Police are at the door, and she reluctantly invites them inside her home. Vanessa's heart breaks, and her niece is numb by the shocking news the police tell them. A six-car pile caused by a police chase killed six families. Vanessa tells her family and friends about the heartbreaking news that happened to Max and Veronica. She prays for a change for her and Layla after the tragedy. As Vanessa goes through her grief and healing, Layla lives with her in Waldorf, Maryland. God blesses her heart again. She meets a widower, Dr. Titus Morrison, at her parents' Thanksgiving dinner that year. But as they get closer, guilt starts to creep in--falling for him, taking the role of mother, his crazy doctor's schedule, her best friend, and her daughter's move in after her bitter divorce. She runs into Layla's

handsome father and her at the Church of Zion, not telling her family or Titus about Max's inheritance. God reminds them to trust him.

Passionate love legends of the past Dr. George Vareekal, 2022-03-19 Passionate Love Legends of the Past: Stories of Undying Romances is a collection of fascinating love stories that have even changed the course of history. They include some of the most popular and frequently heard stories of love and romance. These legends are widely adapted in various literary genres because of their powerful emotional appeal. The collection is not exhaustive but is exclusive because of the edifying features and historical importance of the stories. The legendary tales are re-told here as they are read and heard in popular versions to refresh the memory.

God, Love, and Happiness Tiffany Martin, BS MBA, 2022-01-15 Layla Paris has prayed for something special from God. Will God hear her prayer? Emmitt Dupont is seeking a special miracle from God. Will God reveal to Emmitt a true miracle? They have given their lives to God, or so they believe. In the Christian spiritual walk of life, they will face challenges and storms along the way. God is always with them listening, but are they listening to what He has to tell them? This book will make you laugh and may make you cry. It will warm your heart, and it will make you think you are there. The women gathering will make you cry, laugh, and pray all at the same time. The story will pull at your heart. Hopefully, you will be on the edge of your seat to read what will happen next. I pray that this book will encourage you and uplift you in every way. Thank you for your support and for purchasing this wonderful heartfelt Christian romance story. May the peace and blessing of God be with you as we take this journey together.

The Pure Love Arshad Rashid Al-Hamdany, 2024-06-06 The conservative young man who considers staring at a female a sin didn't expect to fall in love. Her gaze released an arrow that struck his heart, leaving him entranced like a fish drawn to a fisherman's hook. Love is a universal experience that many people encounter. They fall in love, get married, and the story ends after that. However, when obstacles and separation come into play, the anguish intensifies, making the eventual reunion all the more thrilling. Higher suffering and longer desires make the reunion lovelier and sweeter. As neighbours, they longed to marry in the traditional manner once both of their families had given their consent. However, an unexpected event occurred, resulting in years of enduring pain. Rectifying this abrupt error was feasible; however, a misguided choice exacerbated the anguish and intensified the injury. During the rule and eventual defeat of ISIS, Satam and Ahmed, a pair of

inseparable companions from Mosul, encountered a multitude of obstacles and showcased extraordinary perseverance. Their tale points to part of the displacement of our Christian community in Mosul by ISIS. Essam, didn't I warn you not to risk our safety on this desolate path? Esraa yelled, What now? We will stay here till we run out of food and water, at which point we will perish. Dr. Essam and his family suffered several misfortunes, including becoming lost in the desert and nearly dying. Many real events have occurred along the meandering paths.

Looking for Love, Lost Andrew R. Piligian, 2010-09 Andrew Piligian's word crafting explores widely polarizing elements of the human psyche. In his first novel, Killer, he presented his readers with a bone-chilling story of a serial killer gone haywire in a small mountain town. Now, in his latest work, Looking for Love, Lost, Piligian explores the complications of romance, the twists and turns that lovers experience in their search for happiness, the emotional rollercoaster that flings them up toward the heights of fulfillment before sending them plummeting into chasms of treachery and emotional sadism. Andrew Piligian taught history and literature in Los Angeles' inner city for years, bringing enlightened actualization to entire generations, lessons which they promptly forgot. Now, he fishes, reads, experiments with recipes, and enjoys living in his mountain retreat, dipping his pen into the inkwell, crafting fictional worlds and ignoring humanity's halfhearted declarations of reality.
