**Thomas Bevilacqua, Robert K. Elder**

Mythbusting Hemingway Thomas Bevilacqua, Robert K. Elder, 2023-11-01 Did Ernest Hemingway kill 122 Nazis during World War II? Did he really fight champion Gene Tunney? Did he have very particular thoughts about hair? Mythbusting Hemingway answers these longstanding questions and more. It's fitting treatment for an author who won both the Pulitzer and Nobel prizes, survived back-to-back plane crashes, and played the cello. He really was "The Most Interesting Man in the World," who once shot himself in the leg (while hunting sharks), and brawled with Orson Welles. In this book, Hemingway legends—both true and debunked—are informed by detective work the authors did for the Paris Review, Chicago Tribune, and Huffington Post. For this volume, the authors conducted fresh interviews and scholarship that shed new light on the man, his work, and legacy. The authors have also unearthed an original essay--never before published in a book--from Frances Elizabeth Coates, Hemingway's high school crush and classmate, about growing up in Oak Park with the young man who would become the legend.

Dear Elaine Robert Lee, 2006-08 Dear Elaine is. .a rich trove of correspondence between two women, providing realistic glimpses into the female mind and a sharp commentary on the social climate during the final two decades of the twentieth century. Elaine is a Long Island musician, wife, and mother of six. Marla, a Cape Cod poet, is a wife and has three children. After their first meeting, these women quickly find an intellectual, emotional, and spiritual connection. They are soon sharing their common love for many of life's pleasures, such as books, music, and a passion for word games and puzzles. Searching, self-awareness, and twelve-step recovery challenges are interspersed with strong moral values and love of family. Whether it be issues of motherhood and marriage or excitement over words and literature, the intimacy of shared confidences brings the letters to life in this moving tribute to the bonds of sisterhood. Elaine's husband, Robert E. A. Lee, narrates the saga of her earlier years. He also bears witness to the grace with which Elaine coped with numerous medical problems and the tenderness, poignancy and beauty of her life's end. ...a testimony to all that is contained in those promises to love and to cherish.-Dr. H. George Anderson, Retired Lutheran Bishop .an invitation to make friends with a remarkable woman. Love is alive in this book from beginning to end.-Mary M. Solberg, Ph.D., Theologian, Gustavus Adolphus College Beautifully and candidly written.an emotional roller coaster. I laughed, I cried, and I thoroughly enjoyed the experience.-Susan Bram, Ph.D., Psychologist, New York City

*Life Is Not Complicated-You Are* Carlos Wallace,2013-12-23 Every person on the planet has experienced loss; that's a brutal fact of life. But in these darkest times, we are presented with much more than just grief; we are given the opportunity to learn, heal, and grow. When you reach a place where you can view setbacks as reminders to appreciate the good things in your life, you have taken the first step to owning your destiny as a happier, more joyful, and more successful person. Carlos Wallace, president and CEO of entertainment management firm Sol-Caritas, has known his share of sadness and loss. In those times, he goes back to the lessons he learned from his parents and grandparents. From their hardship, he draws inspiration for strength. In their history, he finds encouragement for his future. The answers you're looking for are within reach. Perhaps the solution to your problem has already been revealed to you, but how will you know where to find the answers? When things spin out of control and you lose direction, these lessons can help you. Life really isn't all that complicated. People, on the other hand, are. No matter how long it takes to get to where you need to be, as long as you take that first step, you'll be further along than if you did nothing at all.

*Bittersweet* Shirlee McCoy,2017-07-25 This tale of a man and woman brought together by an abandoned newborn "impressively mixes traumatic history, gritty reality, and resilient hope"(Publishers Weekly). In *Benevolence*, Washington, the Lamont family's luscious handmade chocolates are a beloved tradition—and the sweetest of comforts. And for the most reserved of the three Lamont sisters, they're a much-needed way to challenge the past, rekindle hope—and make happiness for a lifetime. Caring family and friends, tranquil streets—ex-prosecutor Willow Lamont wishes these could make her feel truly at home. She's back to help her grandfather manage Chocolate Haven, a long-held dream come true. But she's struggling to make their unique fudge—and to cope with a secret trauma that haunts her. Yet when she finds an abandoned baby who breaks her heart wide open, she wonders how long she can hide her emotions—especially from warm, handsome, and way too nosy Deputy Sheriff Jax Gordon. Always an outsider, Jax knows more than he should about loss. But he didn't expect his difficult search for baby "Miracle's" mother would reveal such a vulnerable side to the accomplished, beautiful woman he's always admired. Earning Willow's trust is the hardest thing he's ever had to do. Yet between her honesty and courage, he's longing to fill her life with rekindled joy—and a forever of irresistible love. Praise for Shirlee McCoy's *Sweet Haven* "Fans of Debbie Macomber will appreciate McCoy's sweet, funny, heartwarming romance with its friendly, small-town setting." —Booklist "A delicious small-town treat." —Library Journal

As the authors/moms say, it's the book they longed to read but never found while they were pregnant. Filled with lively, thoughtful, honest and been-there stories, this book deals with not only the emotional and physical facets of this overwhelming life experience but also the spiritual needs. From the moment you know you're pregnant, you enter a time of transition—a time of waiting and preparing as you anticipate the arrival of the new little person who will share your life. ...Pregnancy can be a God-given stopping point—an opportunity to reflect on our lives, values, and relationships; to reevaluate our choices and priorities; and to make some adjustments, write authors Barker, de Meillon, and Harrison. Even more importantly, pregnancy can offer an occasion to draw closer to God and encounter God in a new way. Each chapter includes honest, humorous, and touching stories; questions to think about; journaling prompts; and prayer exercises. *Birthed in Prayer* gives you a safe place to acknowledge your thoughts and feelings as you read wisdom from scripture and stories from mother-sages. It focuses not just on preparing for childbirth but also motherhood. The authors invite you on a journey of awareness and growth that will build a strong foundation for your life and your family. As Barker, de Meillon, and Harrison say, it takes courage to become aware, to encounter and be encountered by God. And it takes courage to be a mother.

**Recovering from Your Car Accident** Dr. James F. Zender, 2020-10-30 Road traffic injuries are a neglected global pandemic. Up to 50 million people a year worldwide are injured or disabled in car accidents. The deleterious impact on the global economy is immense. Thousands of those injured die of opiate overdoses, trying to deal with chronic pain. The post-accident life of a survivor is all too often devastated by spinal or severe orthopedic injuries, depression, anxiety, PTSD, sleep

disturbances, mild episodic or chronic pain, and/or a traumatic brain injury that can cause personality changes, cognitive and memory impairments, and debilitating fatigue. A substantially reduced quality of life with career changes and setbacks, broken and overstressed relationships, and financial hardships that continue for many years, often ensue. First Responders, healthcare providers, the survivors' community and to the largest degree, the survivors' family, are forced to deal with the staggering impacts. Auto accidents can dramatically alter lives, forever. Where do survivors and their families go for help? How do survivors heal and get their lives back? Everyone is desperate for hope and evidence-based solutions to manage disabling conditions and ultimately reclaim their lives. This is the first book to offer comprehensive, evidence-based information to both the survivors and their caregivers on understanding, managing, and healing physical and emotional traumas sustained in auto accidents. Based on James Zender's more than fifteen years' experience as a clinical psychologist specializing in auto-accident trauma care, *Recovering From Your Car Accident* leads survivors and their families through the extensive process of emotional and physical recovery. With empathy and compassion, Dr. Zender explains how to conquer the multitude of challenges that often result from auto accidents, including managing pain, depression, and anxiety, addressing concerns about the future and finances, personality changes, emotional and cognitive dysfunction, post-traumatic stress, traumatic brain injury, and strained personal relationships. Through stories recounted by Dr. Zender's patients, survivors will learn that they are not alone and that there is hope for a better tomorrow. Policymakers will gain insight into accident prevention and will be inspired to implement policy improvements to better meet the needs of the auto accident community. Helpful tips throughout this book and a resource section featuring the best online and community support options will aid survivors and their families with rehabilitation. *Recovering from Your Car Accident* will assist survivors with rebuilding their lives and discovering new ways to thrive.

**A Serious House** Martin Camroux, 2024-04-30 The church is in deep trouble, maybe in its death throes. Losing touch with the church has meant a break with the Western cultural past, its history, its music, its art, its literature, much of which cannot fully be understood without its religious heritage. But something more important than any of that is in danger of being lost. The church is a deeply imperfect and frustrating organization, but within it, community is experienced, values are nurtured, and God's presence in the world is embodied in a people. The church carries the story of Jesus; it tells the story of

who we are, it calls us to give away our lives to others and to find love as life's central meaning. We have crossed a cultural divide. Before, if you did not hold traditional religious beliefs and belong to a church you felt obliged to explain yourself. Now the pressure is to explain why you do. This is my answer.
