Where To Place The Grace Note?: Conversations On Classical Piano Music With Yu Chun Yee Lin Li,2019-10-03

Where to Place the Grace Note? offers a glimpse into the world of classical piano music through a series of conversations between Lin Li, an amateur pianist and English Literature scholar, and her piano teacher Yu Chun Yee, who was Professor of Piano at the Royal College of Music for thirty years. Starting from the seemingly straightforward question in the book's title, their conversations meander through a series of general issues pertaining to phrasing, musical interpretation, teaching,

technique, injury and performance anxiety. Supplemented with numerous musical examples, snippets from historical sources, and anecdotes that span Yu's teaching and performing career from the 1950s to the present, this book will delight both general music lovers and music professionals.
