Rivals Jilly Cooper,2010-12-23

*Rivals* Jilly Cooper,2024-10-15 Soon to be an original streaming series on Hulu! Fun, sexy and unputdownable--a classic. -Marian Keyes Flawlessly entertaining. --Helen Fielding Joyful and mischievous. --Jojo Moyes The glamorous, cutthroat world of 1980s British television is all about power, a time when the affluent elite existed in a bubble of immense wealth and influence, and would use any means to get what they wanted. Lord Baddingham is desperate to retain the Corinium TV franchise. And to do so, he's hired Declan O'Hara, an Irish talk show mega-star. Baddingham has also enticed on board Cameron Cook, a gorgeous and brash executive, to produce Declan's program. But Declan and Cameron detest each other, soon provoking a storm of controversy. Enter into the fray everyone's favorite deliciously handsome, hate-to-love-him bad-boy, Rupert Campbell-Black. As a rival group emerges to pitch for the franchise, reputations ripen and decline, true love blossoms and burns, marriages are made and shattered, and everyone is competing—in bed and in the boardroom—to come out on top.

*Jilly Cooper: Rivals and Riders* Jilly Cooper,2012-03-15 Set against the glorious Cotswold countryside and the playgrounds of the world, Jilly Cooper's Rutshire Chronicles offer an intoxicating blend of skulduggery, swooning romance, sexual adventure and hilarious high jinks. This special 2-for-1 collection features two of these classic titles: *Riders* and *Rivals*. *Riders* *Riders* takes the lid off international showjumping, a sport where the brave horses are almost human, but the humans behave like animals. The brooding hero, gypsy Jake Lovell, under whose magic hands the most difficult horse or woman becomes biddable, is driven to the top by his loathing of the beautiful bounder and darling of the show ring, Rupert Campbell-Black. Having filched each other's horses, and fought and fornicated their way around the capitals of Europe, the feud between the two men finally erupts with devastating consequences during the Los Angeles Olympics. *Rivals* Into the cut-throat world of Corinium television comes Declan O'Hara, a mega-star of great glamour and integrity. Living rather too closely across the valley is Rupert Campbell-Black, divorced and as dissolute as ever, and now the Tory Minister for Sport. Declan needs only a few days at Corinium to realise that the Managing Director, Lord Baddingham, is a crook who has recruited him merely to help retain the franchise for Corinium. Baddingham has also enticed Cameron Cook, a gorgeous but domineering woman executive, to produce Declan's programme. Declan and Cameron detest each other, provoking a storm

of controversy into which Rupert plunges with his usual abandon. As a rival group emerges to pitch for the franchise, reputations ripen and decline, true love blossoms and burns, marriages are made and shattered, and sex raises its (delicious) head at almost every throw as, in bed and boardroom, the race is on to capture the Cotswold Crown.

*Roots Schmoots* Howard Jacobson, 1995-08-01 From a Booker Prize-winning author, an “informed and witty” travelogue exploring America, Israel, Lithuania, and the nature of Jewish identity (Publishers Weekly). Howard Jacobson had been hoping to make a journey to Lithuania to search for his Jewish roots. So when the BBC offered to send him around the globe to report on a variety of Jewish communities, he accepted. The trip he recounts in this memoir takes him to New York City, where tension simmers between Jews and African Americans; to California, where he visits a gay synagogue; to Israel, where he encounters the spectrum of Jewishness from Orthodox right-wing hardliners to tolerant, peace-loving kibbutzniks. And ultimately, to Lithuania, the land of his forefathers, where he discovers that antisemitism still lurks. “A lively, irreverent but ultimately serious account of a British Jew’s search for his roots.” —Elizabeth Benedict, *The New York Times* “Profound and moving.” —Publishers Weekly

A School Built on Ethos James Handscombe, 2021-03-30 In *A School Built on Ethos: Ideas, assemblies and hard-won wisdom*, James Handscombe explores how schooling is more than gaining qualifications, how learning is more than exams, and how academic success comes more readily to those who have grasped this idea. Harris Westminster Sixth Form has had enormous success in providing an academic education for students of all socio-economic backgrounds. This success is grounded in the development of a scholarly ethos that guides students and staff into successful habits - driven by a clear vision for the community and communicated through everything that the school says and does. In this book, founding principal James Handscombe takes readers through the school's development and illustrates its journey by sharing a selection of the assemblies that have underpinned and elucidated its ethos. In doing so he offers guidance on how such a staple of school life can be used to shape a community, and shares transferable lessons on how assemblies can be planned and delivered effectively. Furthermore, James discusses the challenges the school faced during its creation and offers an improved understanding of how academic and scholarly learning can be delivered and developed in a school - whether it be newly formed or already established. He also asks the fundamental question of how schools can encourage and enable

disadvantaged young people to aspire to and engage in academic enquiry. Suitable for both established and aspiring school leaders, especially those who are thinking about the kind of school they would like to run and how they can shape it.

**Country Life's Book of Dogs** Agnes Stamp, 2025-09-16 A celebration of the many breeds of dog we love, as seen through the pages of Country Life magazine, from working the fields to romping through splendid gardens to lounging in beautifully appointed sitting rooms. Throughout its 125-year history, Country Life has chronicled our love affair with dogs. This elegantly designed volume features seventy breeds based on Royal Kennel Club classifications: hounds, working dogs, terriers, gundogs, herding dogs, toys, and utility. Each breed profile includes modern and archival photographs along with history, anecdotes, and lore. Here we see the romance of English country living through a canine lens. From Jilly Cooper and her rescue greyhound to Trudie Styler's wolfhounds and many famous country estates, such as Badminton House, Belvoir Castle, Castle Howard, and Holkham Hall—as well as the Royal Family with their dogs at Balmoral, Windsor Castle, and Highgrove—the book offers an intimate look at Britain's stately houses, gardens, and gorgeous countryside. Most of today's breeds originated in Britain or were codified by the Royal Kennel Club, as covered by Country Life from its inception. The book poignantly raises awareness about breeds that are today considered vulnerable to extinction, such as the winsome Norwich terrier, the stout bull terrier, or the resolute otterhound, currently ranked most endangered. Also included are non-native breeds that have long associations with the Royal Family or the nobility—such as Pomeranians, Queen Victoria's lifelong passion, and pugs, native to China but long an aristocratic favorite.

**What I Ate in One Year** Stanley Tucci, 2024-10-15 From Stanley Tucci, award-winning actor and New York Times bestselling author, a deliciously unique memoir chronicling a year's worth of meals. "Sharing food is one of the purest human acts." Food has always been an integral part of Stanley Tucci's life: from stracciatella soup served in the shadow of the Pantheon, to marinara sauce cooked between scene rehearsals and costume fittings, to home-made pizza eaten with his children before bedtime. Now, in What I Ate in One Year Tucci records twelve months of eating—in restaurants, kitchens, film sets, press junkets, at home and abroad, with friends, with family, with strangers, and occasionally just by himself. Ranging from the mouth-wateringly memorable to the comfortingly domestic and to the infuriatingly inedible, the meals memorialised in this diary are a prism for him to reflect on the ways his life, and his family, are constantly evolving. Through food he marks—and mourns—the passing of time, the loss of loved ones, and steels himself for what is to come. Whether it's duck à l'orange eaten with fellow actors and cooked by singing Carmelite nuns, steaks barbequed at a gathering with friends,

or meatballs made by his mother and son and shared at the table with three generations of his family, these meals give shape and add emotional richness to his days. What I Ate in One Year is a funny, poignant, heartfelt, and deeply satisfying serving of memories and meals and an irresistible celebration of the profound role that food plays in all our lives.
