

# Series Like Desperate Housewives

**Diane Negra**

*Reading 'Desperate Housewives'* Janet McCabe, Kim Akass, 2006-07-28 'Everyone has a little dirty laundry.' The darkly comic series about the secret lives of the ladies living on Wisteria Lane became an instant breakthrough hit for ABC. 21 million viewers tuned in for the first episode and this figure has steadily grown as audiences from around the globe have switched on to the shenanigans in suburbia. Desperate Housewives was subject to a backlash in America, where advertisers on the ABC network were lobbied by Christian groups and Parents' Associations. But the sponsorship withdrawal that resulted did little to dampen the enthusiasm of its legions of fans. Recipient of several awards including the People's Choice Award and Golden Globe for Best Television - Musical or Comedy, Desperate Housewives is a hit. Reading Desperate Housewives offers a critical response to one of the most talked about shows on contemporary television. Leading scholars and writers dissect the appeal of Desperate Housewives, tapping into early reactions and controversy. They consider the American sex wars, contemporary feminism, Republican politics and the rise of the Right, gender and femininity, motherhood and marriage - and that Vanity Fair shoot. The book includes an episode guide tracing all those goings-on beyond that white picket fence.

**Mediatized Worlds** A. Hepp, F. Krotz, 2014-03-06 How does the media influence our everyday lives? In which ways do our social worlds change when they interact with media? And what are the consequences for theorizing media and communication? Starting with questions like these, Mediatized Worlds discusses the transformation of our lives by their increasing mediatization. The chapters cover topics such as rethinking mediatization, mediatized communities, the mediatization of private lives and of organizational contexts, and the future perspective for mediatization research. The empirical studies offer new access to questions of mediatization an access that grounds mediatization in life-world and social-world perspectives.

ABC Family to Freeform TV Emily L. Newman, Emily Witsell, 2018-02-20 Launched in 1977 by the Christian Broadcasting Service (originally associated with Pat Robertson), the ABC Family/Freeform network has gone through a number of changes in name and ownership. Over the past decade, the network--now owned by Disney--has redefined family programming for its targeted 14- to 34-year-old demographic, addressing topics like lesbian and gay parenting, postfeminism and changing perceptions of women, the issue of race in the U.S., and the status of disability in American culture. This collection of new

essays examines the network from a variety of perspectives, with a focus on inclusive programming that has created a space for underrepresented communities like transgender youth, overweight teens, and the deaf.

*Steven Spielberg All the Films* Arnaud Devillard, Olivier Bousquet, Nicolas Schaller, 2023-11-07 A first-of-its-kind deep dive into Steven Spielberg's decades-long career, covering everything from early short films and television episodes to each of his more than 30 feature length-films. Organized chronologically and covering every short film, television episode, and blockbuster movie that Steven Spielberg has ever directed, *Steven Spielberg All the Films* draws upon years of research to tell the behind-the-scenes stories of how each project was conceived, cast, and produced; from the creation of the costumes to the search for perfect locations; details about Spielberg's work with longtime collaborators like George Lucas, producer Kathleen Kennedy, and composer John Williams; and of course, the direction of some of Hollywood's most memorable scenes. Spanning more than fifty years, this book details the creative processes that resulted in numerous classic films like *E.T. the Extra-Terrestrial*, *Jaws*, *Jurassic Park*, *The Color Purple*, *Schindler's List*, and *Saving Private Ryan* (to name just a few). Newer work like *Lincoln*, *The Post*, and *The Fabelmans* is also featured alongside awards stats, original release dates, box office totals, casting details, and other insider scoops that will keep fans turning pages. Celebrating one of cinema's most iconic artists, *Steven Spielberg All the Films* is the authoritative guide to the man who invented the Hollywood blockbuster.

*Happy Wives Club* Fawn Weaver, 2014-01-14 A New York Times Bestseller! One woman undertakes a worldwide search to learn the secrets of a great marriage—and finds one foundational truth that could change everything. Fawn Weaver was a happily married woman running a successful business—and then something happened. Maybe it was divorce rate reports on the evening news, *The Real Housewives of Orange County*, or any daytime talk show where husbands and wives dramatically reveal their betrayals. Everywhere she looked, Fawn saw negative portrayals of marriage dominating the airwaves and dooming everyone to failure. Looking at Keith, the love of her life, she knew that wasn't true. She was determined to find and connect with women just like her—happy and optimistic about marriage, deeply in love with her spouse, and committed to building a strong marriage that stands the test of time. On a whim, she started the blog [HappyWivesClub.com](http://HappyWivesClub.com) and sent the link to a few of new friends. What started as a casual invitation to five women exploded into an international online club with 150,000 members in more than 100 countries. *Happy Wives Club* is Fawn's journey across the world to meet her friends and discover what makes their marriages great. Join her on this exciting, exotic trip across six continents and through more than eighteen cities. Walk the streets of Mauritius, the historic ruins in Italy, and the vistas of New Zealand and Australia. Go from Cape Town to London, Manila to Buenos Aires, Winnipeg to Zagreb. Along the way, you will meet everyday women whose marriage secrets span cultures. You will hear their stories, witness their love, and be inspired by the proof that happy, healthy marriages do exist—and yours can be one of them! It turns out great marriages are all around us—when we look for them. Go on a trip with Fawn and learn the best marriage secrets the world has to offer.

Famous People of Queens Rob MacKay, 2023 Famous People of Queens showcases a diverse group of characters and historical eras: actors, athletes, business people, politicians, religious leaders, scientists, singers, war heroes, writers, and famous people who weren't born in Queens but lived in the borough for a long time. Author Rob MacKay is a longtime, award-winning community journalist who has worked for the Queens Economic Development Corporation and operates various social media channels that promote the borough's restaurants, shops, and tourism attractions. His interest in writing this book grew organically--and intensely--after he became a trustee of the Queens Historical Society.

**What a Girl Wants?** Diane Negra, 2009-06-02 From domestic goddess to desperate housewife, *What a Girl Wants?* explores the importance and centrality of postfeminism in contemporary popular culture. Focusing on a diverse range of media forms, including film, TV, advertising and journalism, Diane Negra holds up a mirror to the contemporary female subject who finds herself centralized in commodity culture to a largely unprecedented degree at a time when Hollywood romantic comedies, chick-lit, and female-centred primetime TV dramas all compete for her attention and spending power. The models and anti-role models analyzed in the book include the chick flick heroines of princess films, makeover movies and time travel dramas, celebrity brides and bravura mothers, 'Runaway Bride' sensation Jennifer Wilbanks, the sex workers, flight attendants and nannies who maintain such a high profile in postfeminist popular culture, the authors of postfeminist panic literature on dating, marriage and motherhood and the domestic gurus who propound luxury lifestyling as a showcase for the 'achieved' female self.

**Television, Sex and Society** Beth Johnson, James Aston, Basil Glynn, 2012-06-14 Since the 1990s, the screening of sex on American, British and Asian television screens has become increasingly prolific. Considering not only the specificities of selected sexualised images in relation to popular series, this study also concerns itself with the ramifications of TV sex as well as discussing the various techniques that are used by TV producers/programme makers to establish the cultural worth of their texts in series such as *Shameless*, *The Tudors* and *True Blood*. The contributions draw attention to shifting representations of sex on television away from the authoritarian state and patriarchal order, toward a more democratic form of representation. As a significant and under-represented aspect of contemporary television studies, this is the first full-length academic collection to consider the wide-ranging representations of sex in society on contemporary television.

**The Routledge Companion to Latina/o Popular Culture** Frederick Luis Aldama, 2016-05-26 Latina/o popular culture has experienced major growth and change with the expanding demographic of Latina/os in mainstream media. In *The Routledge Companion to Latina/o Pop Culture*, contributors pay serious critical attention to all facets of Latina/o popular culture including TV, films, performance art, food, lowrider culture, theatre, photography, dance, pulp fiction, music, comic books, video games, news, web, and digital media, healing rituals, quinceñeras, and much more. Features include: consideration of differences between pop culture made by and about Latina/os; comprehensive and critical analyses of

various pop cultural forms; concrete and detailed treatments of major primary works from children's television to representations of *dia de los muertos*; new perspectives on the political, social, and historical dynamic of Latina/o pop culture; Chapters select, summarize, explain, contextualize and assess key critical interpretations, perspectives, developments and debates in Latina/o popular cultural studies. A vitally engaging and informative volume, this compilation of wide-ranging case studies in Latina/o pop culture phenomena encourages scholars and students to view Latina/o pop culture within the broader study of global popular culture. Contributors: Stacey Alex, Cecilia Aragon, Mary Beltrán, William A. Calvo-Quirós, Melissa Castillo-Garsow, Nicholas Centino, Ben Chappell, Fabio Chee, Osvaldo Cleger, David A. Colón, Marivel T. Danielson, Laura Fernández, Camilla Fojas, Kathryn M. Frank, Enrique García, Christopher González, Rachel González-Martin, Matthew David Goodwin, Ellie D. Hernandez, Jorge Iber, Guisela Latorre, Stephanie Lewthwaite, Richard Alexander Lou, Stacy I. Macías, Desirée Martin, Paloma Martínez-Cruz, Pancho McFarland, Cruz Medina, Isabel Millán, Amelia María de la Luz Montes, William Anthony Nericcio, William Orchard, Rocío Isabel Prado, Ryan Rashotte, Cristina Rivera, Gabriella Sanchez, Ilan Stavans Frederick Luis Aldama is Arts and Humanities Distinguished Professor of English and University Distinguished Scholar at the Ohio State University where he is also founder and director of LASER and the Humanities & Cognitive Sciences High School Summer Institute. He is author, co-author, and editor of over 24 books, including the Routledge Concise History of Latino/a Literature and Latino/a Literature in the Classroom.

**Teen Television** Sharon Marie Ross, Louisa Ellen Stein, 2008-04-05 This essay collection explores the phenomenon of teen TV in the United States, analyzing the meanings and manifestations of this category of programming from a variety of perspectives. Part One views teen television through an industrial perspective, examining how networks such as WB, UPN, The CW, and The N have created a unique economic framework based on demographic niches and teen-focused narrowcasting. Part Two focuses on popular teen programs from a cultural context, evaluating how such programs reflect and at times stretch the envelope of the cultural contexts in which they are created. Finally, Part Three explores the cultures of reception (including the realms of teen consumerism, fan discourse, and unofficial production) through which teens and consumers of teen media have become authors of the teenage experience in their own right.

Night in the American Village Akemi Johnson, 2019-06-18 A lively encounter with identity and American military history in Okinawa. *Night in the American Village* is by turns intellectual, hip, and sexy. I admire it for its ferocity, style, and vigor. A wonderful book. —Anthony Swofford, author of *Jarhead* A beautifully written examination of the complex relationship between the women living near the U.S. bases in Okinawa and the servicemen who are stationed there At the southern end of the Japanese archipelago lies Okinawa, host to a vast complex of U.S. military bases. A legacy of World War II, these bases have been a fraught issue in Japan for decades—with tensions exacerbated by the often volatile relationship between islanders and the military, especially after the brutal rape of a twelve-year-old girl by three servicemen in the 1990s. But the

situation is more complex than it seems. In *Night in the American Village*, journalist Akemi Johnson takes readers deep into the border towns surrounding the bases—a world where cultural and political fault lines compel individuals, both Japanese and American, to continually renegotiate their own identities. Focusing on the women there, she follows the complex fallout of the murder of an Okinawan woman by an ex-U.S. serviceman in 2016 and speaks to protesters, to women who date and marry American men and groups that help them when problems arise, and to Okinawans whose family members survived World War II. Thought-provoking and timely, *Night in the American Village* is a vivid look at the enduring wounds of U.S.-Japanese history and the cultural and sexual politics of the American military empire.

**Media Depictions of Brides, Wives, and Mothers** Alena Amato Ruggerio, 2012-09-27 *Media Depictions of Brides, Wives, and Mothers*, edited by Alena Amato Ruggerio, explores how television, film, the internet, and other media variously perpetuate gender stereotypes. The contributors to this volume bring a variety of feminist rhetorical and media criticism approaches from across the communication discipline to their analyses of how television, film, news coverage, and the Internet shape our expectations of the performance of women's identities. This collection includes studies of *Bridezillas*, *Jon & Kate Plus 8*, *Sex and the City*, Sarah Palin, Nancy Pelosi, *The Devil Wears Prada*, *Practical Magic*, "momtini" blogs, and *Mad Men* fan websites. Readers will learn to apply the insights from each chapter to their own sets of myths, stereotypes, and assumptions about gendered roles, and to recognize the possibilities for both liberation and domination when women's practices of marrying, mating, and mothering are represented and misrepresented in the media. This collection is an essential contribution to media studies and criticism of gender stereotypes in contemporary culture. Read the author's recent interview with *Literary Ashland*. You can also visit the author's website [here](#).

**Born to Buy** Juliet B. Schor, 2014-08-19 Ads aimed at kids are virtually everywhere -- in classrooms and textbooks, on the Internet, even at slumber parties and the playground. Product placement and other innovations have introduced more subtle advertising to movies and television. Companies are enlisting children as guerrilla marketers, targeting their friends and families. Even trusted social institutions such as the Girl Scouts are teaming up with marketers. Drawing on her own survey research and unprecedented access to the advertising industry, New York Times bestselling author and leading cultural and economic authority Juliet Schor examines how a marketing effort of vast size, scope, and effectiveness has created commercialized children. Schor, author of *The Overworked American* and *The Overspent American*, looks at the broad implications of this strategy. Sophisticated advertising strategies convince kids that products are necessary to their social survival. Ads affect not just what they want to buy, but who they think they are and how they feel about themselves. Based on long-term analysis, Schor reverses the conventional notion of causality: it's not just that problem kids become overly involved in the values of consumerism; it's that kids who are overly involved in the values of consumerism become problem kids. In this revelatory and crucial book, Schor also provides guidelines for parents and teachers. What is at stake is the emotional

and social well-being of our children. Like Barbara Ehrenreich's *Nickel and Dimed*, Mary Pipher's *Reviving Ophelia*, and Malcolm Gladwell's *The Tipping Point*, *Born to Buy* is a major contribution to our understanding of a contemporary trend and its effects on the culture.

*Unsqueezed* Margot Starbuck, 2011-05-13 Ever check the mirror and wonder if you look good enough? Do you choose your clothes to disguise your flaws? Do you sometimes think plastic surgery might be the only way for you to feel good about your body? Do you ever feel squeezed into someone else's mold? Come and join Margot Starbuck in her journey to become unsqueezed! In twenty-seven brief, funny and reflective chapters she helps us discover why God really gave us bodies and what we can do with them to serve him and others. Jump out of that suffocating mold and discover what your body is really for.

**Suburban Dreams** Greg Dickinson, 2015-06-15 Explores how the suburban imaginary, composed of the built environment and imaginative texts, functions as a resource for living out the good life

*Metaphor and Intercultural Communication* Andreas Musolff, Fiona MacArthur, Giulio Pagani, 2014-05-20 *Metaphor and Intercultural Communication* examines in detail the dynamics of metaphor in interlingual contact, translation and globalization processes. Its case-studies, which combine methods of cognitive metaphor theory with those of corpus-based and discourse-oriented research, cover contact linguistic and cultural contacts between Chinese, English including Translational English and Aboriginal English, Greek, Kabyle, Romanian, Russian, Serbian, and Spanish. Part I introduces readers to practical and methodological problems of the intercultural transfer of metaphor through empirical (corpus-based and experimental) studies of translators' experiences and strategies in dealing with figurative language in a variety of contexts. Part II explores the universality-relativity dimension of cross- and intercultural metaphor on the basis of empirical data from various European and non-European cultures. Part III investigates the socio-economic and political consequences of figurative language use through case studies of communication between aboriginal and mainstream cultures, in the media, in political discourse and gender-related discourses. Special attention is paid to cases of miscommunication and of deliberate re- and counter-conceptualisation of clichés from one culture into another. The results open new perspectives on some of the basic assumptions of the 'classic' cognitive paradigm, e.g. regarding metaphor understanding, linguistic relativity and concept-construction.

**Horror Comes Home** Cynthia J. Miller, A. Bowdoin Van Riper, 2019-06-12 Home, we are taught from childhood, is safe. Home is a refuge that keeps the monsters out--until it isn't. This collection of new essays focuses on genre horror movies in which the home is central to the narrative, whether as refuge, prison, menace or supernatural battleground. The contributors explore the shifting role of the home as both a source and a mitigator of the terrors of this world, and the next. Well known films are covered--including *Psycho*, *Get Out*, *Insidious: The Last Key* and *Winchester House*--along with films produced

outside the U.S. by directors such as Alejandro Amenabar (*The Others*), Hideo Nakata (*Ringu*) and Guillermo Del Toro (*The Orphanage*), and often overlooked classics like Alfred Hitchcock's *The Lodger*.

**Gendered (re)visions** Marion Gymnich, Kathrin Ruhl, Klaus Scheunemann, Stefanie Hoth, 2010 Explores gender stereotypes and the transgression of these gender stereotypes in recent films, television series and music videos. Films that are cited include *Pride and Prejudice*, *Bridget Jones' Diary*, *Bride and Prejudice*, *Magnolia*, *American Beauty*, *Fight Club*, *High Noon*, *Brokeback Mountain* and the *Shrek* movies. *Sex and the City* and *Desperate Housewives*, and the music videos of 50 Cent and the G Unit are also explored.--Source inconnue.

*Scenes from the Suburbs* Timotheus Vermeulen, 2014-04-08 This book looks again at the filmic and televised spaces we think we know so well. How are these spaces built up? What is it that makes us recognize them as suburbs? How do they function? Vermeulen uses *Desperate Housewives*, *The Simpsons*, *King of the Hill*, *Happiness*, *Pleasantville*, *Brick* and *Chumscrubber* to explore these questions.

**Sexidemic** Lawrence R. Samuel, 2013-02-07 *Sexidemic* is the first real cultural history of sexuality in the United States since the end of World War II. For a people who supposedly love sex, the author argues, Americans have had no shortage of problems with it. Since the end of World War II, in fact, we've had a contentious relationship with sexuality, the subject a source of considerable tension and controversy on both an individual and societal level. Rather than being a simple pleasure of life, something to be enjoyed, sex has served as a challenging and disruptive force in many Americans' everyday lives for the last two-thirds of a century. Our love affair with sex has thus been a rocky one, filled with bumps in the road that have caused major instability across our cultural landscape. Our individualistic, competitive, consumerist, and anxious national character is both reflected in and reinforced by this "sexidemic," something few have recognized or perhaps want to admit. By charting the cultural trajectory of sex in America since the end of World War II, *Sexidemic* reveals how the nation's continual woes with sexuality helped make us an anxious, insecure people. The sex lives of many, perhaps most Americans have been in a perpetual state of crisis, a constant source of concern. We've fretted over every dimension of it, with problems in both quality and quantity. With this unhealthy view of sexuality, it was not surprising that we felt we needed a variety of potions and gadgets to make it happen or be pleasurable. In tracing the cultural trajectory of sex in our society, Samuel illustrates our bipolar approach to sexuality: low libido and sex addiction emerged as common disorders, and sex scandal after sex scandal has made headlines, especially over the last couple of years. Only money has surpassed sex as a source of stress for Americans; indeed, sex has come to be seen and treated as a commodity. In this timely work, the author traces the role sex plays in our society, how it shapes us and the world around us, and how we got where we are today in our views, treatment, and practice of sex and sexuality in our everyday lives.

Thank you entirely much for downloading **Series Like Desperate Housewives**. Maybe you have knowledge that, people have seen numerous times for their favorite books taking into consideration this Series Like Desperate Housewives, but end occurring in harmful downloads.

Rather than enjoying a good book later a mug of coffee in the afternoon, instead they juggled next some harmful virus inside their computer. **Series Like Desperate Housewives** is available in our digital library with an online permission to it is set as public appropriately you can download it instantly. Our digital library saves in combined countries, allowing you to get the most less latency epoch to download any of our books taking into consideration this one. Merely said, the Series Like Desperate Housewives is universally compatible in imitation of any devices to read.
